FDOT Palm Beach County Traffic Report December 20, 2024– January 3, 2025

PALM BEACH COUNTY, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities. Please note that any full road, ramp, or bridge closures have been **highlighted** below.

For around-the-clock, real-time, traffic information, visit www.fl511.com. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on X and Instagram @MyFDOT_SEFL, and Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS INTERSTATE 95

1. Advanced Wrong-Way Driving Safety Improvements Project in Broward and Palm Beach County

Description: Installing flashing beacons, wrong-way signage, and Intelligent Transportation System (ITS) devices at 23 exit ramps to enhance safety by detecting wrong-way drivers and preventing serious injury crashes on the State Highway System; integrating the wrong-way driving detecting system/ITS with the Regional Transportation Management Center (RTMC) to aid in alerting motorists and notifying law enforcement; and upgrading wrong-way signage and pavement markings to preserve the service life of the road and enhance visibility. For more information, please contact Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or csgonzalez@corrado.com.

Cost/Completion: \$5,626,065/Summer 2025

Ramps Impacts:

- To minimize impacts to the traveling public during the holiday season, no lane/shoulder closures are permitted between December 24 and January 3, 2025.
- [Please click here to visit the project webpage for more information.](#)

2. SR 9/I-95 at SR 786/PGA Boulevard Southbound Entrance Ramps Project

Description: This 0.65-mile project in Palm Beach Gardens began on November 9, 2022. Improvements consist of reconfiguring the I-95 southbound entrance ramps at PGA Boulevard. The I-95 southbound entrance ramp from westbound PGA Boulevard to southbound I-95 will be converted from a merge lane to an additional, free-flowing lane. The I-95 southbound entrance ramp from eastbound PGA Boulevard to southbound I-95 will be reconfigured to become a merge lane. In addition, I-95 will be widened between PGA Boulevard and Burns Road, and lighting, drainage, signage and pavement markings will be upgraded. For more information, please contact Community Outreach Specialist Silvana Ojeda at (561) 905-0167 or sojeda@corrado.com.

Cost/Completion: \$9,977,382/December 10, 2024

I-95 Traffic Impact:

- This project was Final Accepted by the Florida Department of Transportation on Tuesday,

December 10, 2024.

3. **SR 9/I-95 Northbound Off-Ramp at SR 706/Indiantown Road Improvements Project**

Description: This 1.446-mile project in Jupiter began on October 30, 2023. Improvements consist of milling and resurfacing the existing roadway, re-aligning the SR 9/I-95 northbound to SR 706/Indiantown Road eastbound off-ramp to a new signalized intersection, lengthening the eastbound SR 706/Indiantown Road left turn lane to northbound SR 9/I-95, widening eastbound SR 706/Indiantown Road to provide an additional through lane and a buffered bike lane in various locations from the Florida Turnpike entrance to Central Boulevard, widening westbound SR 706/Indiantown Road to provide an additional through lane and a bike lane from 67th Road North to SR 9/I-95, widening the Indiantown Road Bridge over the C-18 canal in both directions to provide an additional through lane, upgrading Wrong-Way Driving Countermeasures on the SR 9/I-95 northbound and southbound exit ramps, upgrading Digital Message Sign (DMS) structures on westbound SR 706/Indiantown Road between Island Way and 67th Road N, widening the I-95 northbound and southbound on-ramp acceleration lane, installing sidewalk along eastbound SR 706/Indiantown Road from the Florida Turnpike entrance to Island Way, upgrading curb ramps to meet Americans with Disability Act (ADA) standards, installing patterned pavement crosswalks at Central Boulevard, upgrading drainage, signage, lighting, signalization and pavement markings and upgrading Intelligent Transportation System (ITS) throughout the project corridor. For more information, please contact Community Outreach Specialist Meredith Cruz at (561) 589-9584 or mcruz@cruz-pr.com.

Cost/Completion: \$17.98 million/Summer 2025

I-95 Traffic Impacts:

- No I-95 mainline lane closures are expected.

Ramp Impacts:

- No I-95 ramp closures are expected.

Indiantown Road Impact:

- The sidewalk on the south side of Indiantown Road from 68th Terrace/Island Way to just west of Central Boulevard will be closed for sidewalk work through January 2025. Pedestrians heading east and west will be detoured at 67th, 68th and Central Boulevard. Access for pedestrians heading north and south will be maintained.
- The northbound lane of Island Way/68th Terrace North is closed through January 2025 for signalization improvements. Motorists will be allowed to make left turn, thru, and right turns from the left turn lane.
- Up to two outside eastbound lanes of Indiantown Road from the Turnpike entrance/exit ramp intersection to Central Boulevard will be closed nightly from 9 p.m. until 6 a.m. Sunday through Thursday nights, ending at 12 a.m. Tuesday morning, Dec. 24, 2024, and beginning again at 12 a.m. Friday, Jan. 3, 2025. The first lane will close at 9 p.m. The second lane will close at 10 p.m. for striping activities.
- Up to two outside westbound lanes of Indiantown Road from 67 Road N to the Turnpike entrance/exit ramp intersection will be closed nightly from 9 p.m. until 6 a.m. Sunday through Thursday, ending at 12 a.m. Tuesday morning, Dec. 24, 2024, and beginning again at 12 a.m. Friday, Jan. 3, 2025. The first lane will close at 9 p.m., and the second lane will close at 10 p.m. for road widening work.
- The eastbound right turn lane just east of 68th Street/Island Way is closed through January 2025 for road construction. Motorists will be allowed to make right turns from the outside through lane for access to businesses.
- Please note traffic is in a temporary pattern as work progresses towards opening a fourth eastbound lane on Indiantown Road in January 2025. Motorists should expect delays, allow for more travel time, and utilize alternate routes as needed, including the I-95 northbound exit ramp to Donald Ross Road, during this phase of construction.

SOUTHERN PALM BEACH COUNTY PROJECTS (BOCA RATON, HIGHLAND BEACH, DELRAY BEACH)

4. **SR 800/Spanish River Boulevard Over the Intracoastal Waterway (ICWW) Scour Countermeasures Project**

Description: This 0.092-mile project on SR 800/Spanish River Boulevard over the Intracoastal Waterway (ICWW) in the City of Boca Raton began January 9, 2024. Work includes Installing Articulated Concrete Block (ACB) at the riverbed to protect the bridge foundations from erosion on the eastbound and westbound SR 800/Spanish River Boulevard bridges. For more information, please contact Community Outreach Specialist Silvana Ojeda at (561) 905-0167 or sojeda@corradino.com.

Cost/Completion: \$2.1 million/Early 2025

Traffic Impacts:

- No traffic impacts will occur from Saturday, Dec.21, 2024, through Sunday, Jan. 5, 2025.

5. SR A1A/South Ocean Boulevard Resurfacing Project

Description: This 3.349-mile project in the Town of Highland Beach and the City of Delray Beach began on May 29, 2024. The project improvements consist of milling and resurfacing the existing roadway, widening the roadway in each direction to provide five-foot bicycle lanes, modifying swales to improve drainage, and upgrading signing and pavement markings to meet current standards. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$8.3 million/Summer 2025

Traffic Impacts:

- No impacts from Saturday, Dec. 21, through Sunday, Jan. 5, 2025

6. SR 5/US 1 Resurfacing, Restoration, and Rehabilitation Project

Description: Construction on this 1.137-mile resurfacing, restoration, and rehabilitation project from Bailey Street in Boca Raton to south of Eve Street in Delray Beach began on Friday, December 13, 2024, in Southern Palm Beach County. Work includes milling and repaving the existing roadway to ensure long-term resilience; restriping the roadway to provide 11-foot lanes and 6-foot bike lanes in each direction of SR 5/US 1 within the project limits for motorist and bicyclist safety; restriping the C-15 Canal bridge lanes to provide a 4-foot bike lane in each direction for bicyclist safety; upgrading curb ramps for pedestrian safety; upgrading pedestrian signals at Lindell Boulevard and Tropic Boulevard to new LED countdown signals to enhance pedestrian safety; upgrading the existing streetlights to LED fixtures at the intersections of Lindell Boulevard and Tropic Boulevard for longevity, efficiency, and pedestrian safety; and upgrading signage and pavement markings to enhance motorist safety. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$ 3.5 million. Completion is expected late 2025. See the attached flyers for more information.

Traffic Impact: All lanes open

CENTRAL PALM BEACH COUNTY PROJECTS

(Boynton Beach, Lake Worth Beach, Royal Palm Beach, West Palm Beach, Palm Beach)

7. City of Boynton Beach Sidewalk and Bicycle Lane Improvements Project

Description: This .62-mile project on SR 804/Boynton Beach Boulevard and .7 miles on W Ocean Avenue in the City of Boynton Beach began on May 7, 2024. Work includes milling, resurfacing and reconstructing SR 804/Boynton Beach Boulevard within project limits, expanding the existing sidewalk on the south side of SR 804/Boynton Beach Boulevard to 15 feet and to 9 feet on the north side, performing drainage modifications to accommodate sidewalk expansion on SR 804/Boynton Beach Boulevard, retrofitting pedestrian lighting at signalized intersections on SR/804 Boynton Beach Boulevard, constructing a new pedestrian crossing at NW 3rd Street and SR 804/Boynton Beach Boulevard, installing shared lane bicycle markings (sharrows) in each direction of SR 804/Boynton Beach Boulevard and on West Ocean Avenue, and upgrading pedestrian signals, pavement markings, and signs. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$7.2 million/Fall 2025

Traffic Impacts:

- One outside lane in each direction of SR 804/Boynton Beach Boulevard from just west of NW 3rd Street to US 1/Federal Highway will be closed for roadway, drainage, curb and gutter, and sidewalk construction through March 2025. Pedestrians will be detoured to the next signalized intersection.
- One lane in each direction of SR 804/Boynton Beach Boulevard from just west of NW 3rd Street to US 1/Federal Highway will be closed from 7 p.m. until 6 a.m. on Friday, Dec. 20, for road paving activities.
- No traffic impacts will occur from Monday, Dec. 23, 2024, through Saturday, Jan. 4, 2025.

8. SR 802/Lake Worth Road Improvements Project

Description: This 1.90-mile project from Raulerson Drive to Palm Beach State College Entrance/Douglas Drive in the city of Lake Worth Beach began on November 14, 2022. Work includes constructing a new exclusive right turn lane from eastbound Lake Worth Road into the Mid-County Senior Center, installing new seven-foot bike lanes with upgraded safety features, milling and resurfacing Lake Worth Road in both directions, replacing underground Palm Beach County utilities throughout the project limits, improving sidewalk and driveways on both sides of

Lake Worth Road, modifying medians to improve motorist safety, improving signalized intersections and pedestrian crossings, and installing new signage, pavement markings, and lighting. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corrado.com.

Cost/Completion: \$14 million/Spring 2025

Traffic Impacts:

- No traffic impacts will occur from Sunday, Dec. 22, 2024, through Saturday, Jan. 4, 2025

9. **SR 802/Lake Avenue/Lucerne Avenue Resurfacing, Restoration, and Rehabilitation Project**

Description: This 2.382-mile project from east of A Street to east of Golfview Road in the City of Lake Worth Beach began on February 27, 2024. Work includes milling and resurfacing the existing roadway, replacing and upgrading signing and pavement markings, installing new and upgrading existing lighting throughout the project corridor, upgrading pedestrian features at signalized intersections, and upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards. For more information, please contact Community Outreach Specialist Melissa Reading at mreading@corrado.com or 772-577-8803.

Cost/Completion: \$5.4 million/Early 2025

Traffic Impacts:

- No traffic impacts will occur from Saturday, Dec. 21, 2024, through Sunday, Jan. 5, 2025.

10. **State Road (SR) 5/North Federal Highway Milling and Resurfacing Project**

Description: This 1.298-mile project from south of 10th Avenue South to 6th Avenue North in Lake Worth Beach began on June 18, 2024. Project improvements include milling and resurfacing the existing roadway, adding drainage and constructing a raised intersection at 7th Avenue South, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, installing signalized pedestrian crossings with Rectangular Rapid Flashing Beacons (RRFBs) at 8th Avenue South, 3rd Avenue North, and 4th Avenue North, removing the existing midblock crossing between 4th Avenue North and 5th Avenue North, upgrading vehicular and pedestrian signalization at 6th Avenue South and 2nd Avenue North, installing lighting at the intersections of 8th Avenue South, 6th Avenue South, 2nd Avenue North, 3rd Avenue North, and 4th Avenue North, and upgrading signage and pavement markings for shared bicycle facilities and buffered bicycle lanes. For more information, please contact Community Outreach Specialist Melissa Reading at (772) 577-8803 or mreading@corrado.com.

Cost/Completion: \$2.3 million/Spring 2025

Traffic Impacts:

- No traffic impacts will occur from Monday, Dec. 23, 2024, through Friday, Jan. 3, 2025

11. **6th Avenue South Improvements at SR 9/I-95**

Description: This 1-mile project in the City of Lake Worth Beach began on November 13, 2023. Project improvements consist of lengthening the turn lanes on 6th Avenue South, adding an exclusive right turn lane to the SR 9/I-95 northbound on ramp, adding an additional right turn lane to the SR 9/I-95 southbound on ramp, lengthening the northbound left turn lane at A Street, constructing 6-foot sidewalks on both sides of 6th Avenue South, constructing 7-foot bicycle lanes on both sides of 6th Avenue South, installing Wrong-Way Driving Countermeasures on the SR 9/I-95 northbound and southbound exit ramps, constructing 16-foot ground-mounted sound walls along the SR 9/I-95 northbound exit ramp and south side of 6th Avenue South, constructing new gravity wall, curb and gutter, traffic separator, median barrier, sidewalk and driveway along 6th Avenue South within project limits, upgrading drainage, signage, lighting, signalization and pavement markings, Intelligent Transportation System (ITS) upgrades, and relocation of water, sewer and utilities for the City of Lake Worth Beach.

Cost/Completion: The project cost is \$17.92 million. Completion is expected in Late 2025. For more information, please contact Community Outreach Specialist Meredith Cruz at (561) 589-9584 or mcruz@cruz-pr.com.

Traffic Impact:

- 6th Avenue South, from Michigan Avenue to South C Street, will have one lane closed in each direction, ending at 12 a.m. Tuesday morning, Dec. 24, 2024, and beginning again at 12 a.m. Friday, Jan. 3, 2025.
- Side streets within the project limits may have intermittent traffic impacts related to work operations on 6th Avenue South, ending at 12 a.m. Tuesday morning, Dec. 24, 2024, and beginning again at 12 a.m. Friday, Jan. 3, 2025.

Ramp Impacts:

- Eastbound 6th Avenue South to the I-95 Southbound entrance ramp has the right turn lane closed to safely facilitate roadway and drainage operations, ending at 12 a.m. Tuesday morning, Dec. 24, 2024, and beginning again at 12 a.m. Friday, Jan. 3, 2025.
- The I-95 northbound exit ramp to eastbound 6th Avenue South has the right turn lane closed to safely facilitate roadway and drainage operations, ending at 12 a.m. Tuesday morning, Dec. 24, 2024, and beginning again at 12 a.m. Friday, Jan. 3, 2025.
- The I-95 northbound exit ramp to westbound 6th Avenue South has the left turn lane closed to safely facilitate roadway and drainage operations, ending at 12 a.m. Tuesday morning, Dec. 24, 2024, and beginning again at 12 a.m. Friday, Jan. 3, 2025.
- The I-95 southbound exit ramp to westbound 6th Avenue South has one right turn lane closed to safely facilitate the construction of a Mechanically Stabilized Earth (MSE) wall and roadway construction, ending at 12 a.m. Tuesday morning, Dec. 24, 2024, and beginning again at 12 a.m. Friday, Jan. 3, 2025.
- The I-95 entrance and exit ramps at 6th Avenue South may have one lane closed nightly as needed, 8 p.m. to 6 a.m., to safely facilitate roadway operations through December 2024. One lane will remain open during this time, ending at 12 a.m. Tuesday morning, Dec. 24, 2024, and beginning again at 12 a.m. Friday, Jan. 3, 2025.

12. Intersection Lighting Retrofit Improvements Project

This lighting improvements project at 22 different intersections within cities in Palm Beach, Martin, and St. Lucie Counties is anticipated to begin December 9, 2024. Improvements include creating a safer, more energy-efficient, and resilient transportation environment by upgrading lighting to LED fixtures and retrofitting existing light poles. For more information, please contact Community Outreach Specialist Silvana Ojeda at 561-905-0167 or sojeda@corradino.com

Cost/Completion: \$1,017,434/Summer 2025

Traffic Impact:

- No traffic impacts will occur from Monday, Dec. 23, 2024, through Friday, Jan. 3, 2025.

13. North Shore Pedestrian Bridge Improvements Project

Description: This 0.07-mile project on North Shore Drive over the Carver Canal in the city of West Palm Beach began on Monday, August 26, 2024. Work includes construction of a prefabricated steel pedestrian bridge on the west side of North Shore Drive crossing the Carver Canal, realignment of the pedestrian sidewalk path on the west side of North Shore Bridge to the new pedestrian bridge, reconstruction of drainage outfalls along the north and south sides of the newly constructed pedestrian bridge, replacement and upgrading signage impacted by construction, and adding lighting at each side of the new pedestrian bridge. For more information, please contact Community Outreach Specialist Silvana Ojeda at 561-905-0167 or sojeda@corradino.com.

Cost/Completion: \$2.7 million/Spring 2025

Traffic Impact:

- No traffic impacts will occur from Monday, Dec. 23, 2024, through Friday, Jan. 3, 2025.

14. SR 809/Military Trail at SR 882/Forest Hill Boulevard Intersection Improvements Project

Description: This 0.705-mile intersection improvement project on State Road 809/Military Trail and SR 882/Forest Hill Boulevard in Palm Beach County began on September 6, 2022. Work includes widening, milling, and resurfacing along SR 809/Military Trail and SR 882/Forest Hill Boulevard, constructing additional right and left turn lanes on SR 809/Military Trail and additional right turn lanes on SR 882/Forest Hill Boulevard, installing new 5-foot bike lanes at various locations along SR 882/Forest Hill Boulevard, improving sidewalks and driveways at the intersection of SR 809/Military Trail and SR 882/Forest Hill Boulevard, installing four new signal mast arms at the intersection, and installing new signage and pavement markings. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$7 million/Winter 2024

Traffic Impact:

- The outside northbound lane on Military Trail from Barbridge Road to Malaleuca Trail is closed for turn lane construction, drainage and sidewalk replacement.
- The outside westbound lane on Forest Hill Boulevard from Forest Lakes Circle to Granfern Avenue Trail is closed for turn lane construction, drainage and sidewalk replacement.

NORTHERN PALM BEACH COUNTY PROJECTS

(Riviera Beach, North Palm Beach, Palm Beach Gardens, Juno Beach, Jupiter, Tequesta)

15. State Road (SR) 710/Beeline Highway Reconstruction Project

Description: This 3.142-mile project in the cities of Palm Beach Gardens, Riviera Beach and West Palm Beach began on March 18, 2024. Improvements consist of widening SR 710/Beeline Highway from Northlake Boulevard to SR 708/Blue Heron Boulevard from 4 lanes to 6 lanes, replacing and widening the Florida's Turnpike bridge over SR 710/Beeline Highway, constructing an at-grade partial Continuous Flow Intersection (CFI) at the intersection of SR 710/Beeline Highway and Northlake Boulevard, adding sidewalks and bicycle lanes on both sides of SR 710/Beeline Highway, upgrading railroad crossings, drainage, signage, lighting, signalization and pavement markings throughout project limits, and upgrading Intelligent Transportation System (ITS). For more information, please contact Community Outreach Specialist Silvana Ojeda at (561) 905-0167 or sojeda@corradino.com.

Cost/Completion: \$148.2M / Anticipated Completion is Late 2029.

SR 710/Beeline Highway Traffic Impact:

- SR 710/Beeline Highway from SR 708/Blue Heron to Northlake Boulevard will have one inside lane closed in each direction daily, 7 a.m. until 6 p.m., Friday, Dec. 20, Saturday, Dec. 21, and Monday, Dec. 23.
- SR 710/Beeline Highway and Northlake Boulevard will have one inside lane closed in each direction daily, 10 a.m. until 5 p.m., Friday, Dec. 20, Saturday, Dec. 21, and Monday, Dec. 23.
- SR 710/Beeline Highway and Jog Road will have one inside lane closed in each direction daily, 10 a.m. until 6 p.m., Friday, Dec. 20, Saturday, Dec. 21, and Monday, Dec. 23.
- SR 710/Beeline Highway and Haverhill Road will have one inside lane closed in each direction daily, 7 a.m. until 6 p.m., Friday, Dec. 20, Saturday, Dec. 21, and Monday, Dec. 23.
- SR 710/Beeline Highway from Military Trail to Blue Heron Boulevard will have one lane closed in each direction daily, 7 a.m. until 6 p.m., Friday, Dec. 20, Saturday, Dec. 21, and Monday, Dec. 23.
- SR 710/Beeline Highway lane widths are reduced and westbound traffic has been shifted to the median from just east of the Turnpike to Blue Heron Boulevard to safely facilitate construction activities.
- **The SR 710/Beeline Highway northwest ramp to eastbound Northlake Boulevard has been temporarily closed to safely facilitate this phase of construction and is anticipated to reopen in Fall 2025. During this closure, motorists can continue on SR 710/Beeline Highway and turn right at the light to access eastbound Northlake Boulevard.**
- No lane closures will occur from Tuesday, Dec. 24, 2024, through Friday, Jan. 3, 2025.

SR 708/Blue Heron Boulevard Traffic Impact:

- SR 708/Blue Heron Boulevard eastbound from SR 710/Beeline Highway to Military Trail will have one outside lane closed daily, 7 a.m. until 6 p.m., Friday, Dec. 20, Saturday, Dec. 21, and Monday, Dec. 23.
- No lane closures will occur from Tuesday, Dec. 24, 2024, through Friday, Jan. 3, 2025.

Northlake Boulevard Traffic Impact:

- Northlake Boulevard, west of SR 710/Beeline Highway, will have one lane closed in each direction, as needed, 10:30 a.m. until 6 p.m., Friday, Dec. 20, Saturday, Dec. 21, and Monday, Dec. 23.
- Northlake Boulevard, east of SR 710/Beeline Highway, will have one lane closed in each direction, as needed, 10:30 a.m. until 6 p.m., Friday, Dec. 20, Saturday, Dec. 21, and Monday, Dec. 23.
- The SR 710/Beeline Highway northwest-bound access to eastbound Northlake Boulevard has been temporarily shifted to safely facilitate this phase of construction. The current movement is anticipated to reopen in Fall 2025. During this phase, from SR 710/Beeline Highway northwest-bound, motorists can turn right at the intersection to access eastbound Northlake Boulevard.
- Northlake Boulevard lanes in each direction at the SR 710/Beeline Highway intersection have been temporarily shifted and U-turns in both directions are not available to safely facilitate this phase of construction. This new traffic pattern will remain in place until Spring 2025.
- No lane closures will occur from Tuesday, Dec. 24, 2024, through Friday, Jan. 3, 2025.

Florida's Turnpike Traffic Impact:

- No traffic impacts will occur from Saturday, Dec. 21, 2024, through Sunday, Jan. 5, 2025.

16. US 1 Jupiter Bridge Replacement

Description: This 4.1-mile project located in the Town of Jupiter from CR A1A to CR 707/Beach Road and surrounding intersections began October 18, 2021. It consists of replacing the existing US 1 Bridge over the Loxahatchee River, including adding bike lanes and sidewalks in each direction. Other improvements include installing Intelligent Transportation System technology to

improve traffic flow, adding decorative lighting and drainage, and upgrading signage and pavement markings. Minor improvements will also be made to the Alternate A1A bridge over the Loxahatchee River. In addition, intersection improvements will occur at Alternate A1A and Old Dixie Highway by shifting the intersection to the southwest, adding a traffic signal, and lengthening the left-turn lane from northbound Alternate A1A to northbound Old Dixie Highway. For more information, please contact Community Outreach Specialist Meredith Cruz at (561) 589-9584 or mcruz@cruz-pr.com.
Cost/Completion: \$122 million/Early 2026

Traffic Impact:

- The US 1 bridge between CR A1A and Jupiter Cove Drive will be closed through Early 2025. Traffic is being detoured as follows:
 - Northbound motorists will go west on Indiantown Road to Alternate A1A, then go north on Alternate A1A to US 1.
 - Southbound motorists will go south on Alternate A1A to Indiantown Road, then go east on Indiantown Road to US 1.
- On Friday, Dec. 20, from 8 a.m. until 6 p.m., the U.S. Coast Guard will close the channel to boat traffic to set beams on the eastern span of the bridge. For further channel updates, please follow the U.S. Coast Guard Local Notice to Mariners.
- Single-leaf openings of the bascule bridge are expected through Spring 2025 while construction is completed on the eastern portion of the bridge.

17. State Road (SR) 786/PGA Boulevard Resurfacing, Restoration, and Rehabilitation Project

Description: This 0.922-mile project located in the City of Palm Beach Gardens from east of SR 9/I-95 to east of Fairchild Gardens Avenue is anticipated to begin on October 14, 2024. Project improvements consist of milling and repaving the existing roadway within project limits to ensure long-term resilience, installing pedestrian signals, pavement markings, and signs to enhance safety for pedestrians and motorists, installing dedicated green bike lane markings in each direction of SR 786/PGA Boulevard throughout the project limits to improve bicyclist safety, installing an advanced warning flasher facing eastbound traffic approaching the Lake Victoria Gardens Avenue signalized intersection to enhance motorist safety, upgrading traffic signal vehicle video detection and traffic controller cabinets to improve traffic flow, reconstructing the concrete bus pad at Fairchild Gardens Avenue to enhance transit rider safety and accessibility, and reconstructing pedestrian sidewalk curb ramps to meet current Americans with Disability Act (ADA) standards. For more information, please contact Community Outreach Specialist Melissa Reading at (772) 577-8803 or mreading@corradino.com

Cost/Completion: \$4.9 million/Spring 2025

Traffic Impacts:

- No traffic impacts will occur from Monday, Dec. 23, 2024, through Friday, Jan. 3, 2025.

WESTERN PALM BEACH COUNTY PROJECTS

(Wellington, Royal Palm Beach, South Bay, Belle Glade, Pahokee, Canal Point)

18. State Road 25/US 27 Safety Improvements Project

Description: Construction on this 13-mile safety improvements project began on Monday, January 3, 2022, in western Palm Beach County. Work includes widening the shoulders of the roadway, replacing, or resetting guardrails along the roadway, installing rumble strips, and internally illuminated retroreflective pavement markings along the roadway shoulders, adding a median acceleration lane and flashing beacons at the Okeelanta Road intersection, adding outside and median acceleration lanes at the County Road 827/Bolles Canal Road intersection. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$18 million/Fall 2024

Traffic Impact:

- No impacts anticipated.

19. State Road 715 and State Road 80 Resurfacing Project

Description: Construction on this 4.44-mile resurfacing project on SR 715 and SR 80 began on July 10, 2023, in Western Palm Beach County. Work includes milling and resurfacing the existing roadway and minor widening of existing paved shoulders, installing pedestrian signalization and markings, improving signing and pavement markings, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, and adding new sidewalk on the west side of SR 715 and select locations on SR 80. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$12 million/Summer 2025

Traffic Impacts

- No impacts from Saturday, Dec. 21, 2024, through Sunday, Jan. 5, 2025

20. SR 729/State Market Road Resurfacing, Restoration and Rehabilitation Project

Description: Construction on this 2.272-mile roadway improvements project on SR 729/State Market Road in Pahokee began on April 28, 2024. Work includes milling and resurfacing SR 729/State Market Road, widening traffic lanes from 11 feet to 12 feet, widening the existing paved shoulders as permitted by FDOT right-of-way, reconstructing northbound SR 729/State Market Road sidewalks and shared use paths from north of Rock Pit Road to SR 15/US 441/E Main Street and upgrading signage and pavement markings throughout project limits. Please see the attached flyer for more information. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$4.9 million/Spring 2025

Traffic Impacts:

- SR 729/State Market Road from Larrimore Road to SR 15/E Main Street will be closed around the clock through approximately 5 p.m. Sunday, January 5, for road construction work.

Detour:

- Northbound SR 729/State Market Road will be detoured to S. Lake Avenue to SR 15/E Main Street
- Southbound SR 729/State Market Road will be detoured to SR 15/E Main Street along S. Lake Avenue to SR 729/State Market Road
- Emergency/First Responder access and local access will be maintained and coordinated.

21. SR 15/US 441/US 98 Roadway Improvements Project

Description: Construction on this 6.8-mile roadway improvements project on SR 15/US 441/US 98 in Canal Point began on October 23, 2023. Work includes milling and resurfacing the existing travel lanes, widening roadway shoulders, constructing a new sidewalk along the east side of the road from Canal Point Park and Recreation Center to Connell Road, constructing new bike lanes from Lake View Drive to Canal Point Park and Recreation Center, upgrading signing and pavement markings, replacing or resetting guardrails along the roadway, upgrading the bridge concrete barrier wall over the L-8 Canal. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$12.9 million/Spring 2025

Traffic Impacts:

- No impacts from Saturday, Dec. 21, 2024, through Sunday, Jan. 5, 2025

22. State Road 700/Conners Highway Resurfacing, Restoration, and Rehabilitation Project

Description: Construction on this 14.828-mile resurfacing, restoration, and rehabilitation project from north of 1st Street to west of SR 80 began on May 1, 2024, in Western Palm Beach County. Work includes milling and resurfacing of SR 700/Conners Highway, replacing and upgrading existing curb ramps to meet Americans with Disabilities Act (ADA) standards, installing rumble strips for the roadway segment with a posted speed greater than 50 miles per hour (mph), minor shoulder widening in various locations, installing, upgrading, and repairing guardrail as needed, upgrading pedestrian signals, pavement markings, and signs. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$ 17.8 million/Early 2026

Traffic Impact:

- SR 700/Conners Highway from CR 717/Muck City Road to Triangle Park is closed around-the-clock through approximately 5 pm. Sunday, May 18, 2025, for road construction work.

Detour:

- Northbound SR 700/Conners Hwy will be detoured via CR 717/Muck City Rd, S Lake Ave, and SR 15/E Main St
- Southbound SR 700/Conners Hwy will be detoured via SR 15/E Main St, S Lake Ave, CR 717/Muck City Rd and SR 700/Conners Hwy.
