FDOT Treasure Coast Traffic Report

January 3, 2025 – January 10, 2025

MARTIN, ST. LUCIE & INDIAN RIVER COUNTIES, Fla. – Treasure Coast traffic will be affected this week by ongoing construction projects and maintenance work in Martin, St. Lucie and Indian River counties, Florida Department of Transportation (FDOT) officials report. Please note, any full road, ramp or bridge closures have been **highlighted** below.

For around-the-clock, real-time, I-95 traffic information, visit www.fl511.com. For updated lane closure information, please refer to www.d4fdot.com. Follow us on X and Instagram @MyFDOT_SEFL and on Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS

MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Rio, Indiantown, Tequesta, Town of Sewall's Point)

1. State Road (SR) 714/ SW Martin Highway Widening Project

Description: This 1.127-mile widening project began on August 6, 2021. Project improvements include widening SR 714/ SW Martin Highway from a two-lane undivided rural roadway to a four-lane divided urban roadway, widening the bridge over Florida's Turnpike, constructing seven-foot buffered bike lanes and six-foot sidewalks on both sides of the roadway, and installing signing, signalization, and lighting upgrades. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$21.3 million/ Early 2025

Traffic Impact:

- SR 714/ SW Martin Highway from SW Citrus Boulevard to SW Martin Downs Boulevard may have one lane in either direction closed, Monday through Friday, between 9 a.m. to 4 p.m., for roadway construction. During this time, intermittent side street closures may occur, and two-way traffic will be maintained by a flagging operation.
- **Eastbound and westbound SR 714/ SW Martin Highway between SW Citrus Boulevard and SW Martin Downs Boulevard will be closed intermittently to traffic overnight, from 8 p.m. until 5 a.m., Sunday, Jan. 5 through Friday, Jan. 10, for roadway construction. Monday Jan. 13 through Friday, Jan. 17 will be used as contingency dates if needed. Please see the attached flyers for more information.**

Small Vehicle Detour Information:

- **Small vehicle westbound SR 714/ SW Martin Highway traffic will be detoured via SW Leighton Farm Avenue, SW Moore Street, and SW Citrus Boulevard to SR 714/SW Martin Highway.**
- **Small vehicle eastbound SR 714/ SW Martin Highway traffic will be detoured via SW Citrus Boulevard, SW Moore Street, and SW Leighton Farm Avenue to SR 714/ SW Martin Highway.**
- **Southbound SW Citrus Boulevard to eastbound SR 714/ SW Martin Highway small vehicle traffic will be detoured via SW Citrus Boulevard, SW Moore Street, and SW Leighton Farm Avenue to SR 714/ SW Martin Highway.**

- Local traffic between SW Citrus Boulevard and SW Leighton Farm Avenue will be escorted through the work zone by project personnel and off-duty police officers.

Three or More Axle Truck and Trailer Detour Information:

- Three or more axle truck and trailer eastbound SR 714/ SW Martin Highway traffic will be detoured via SW Citrus Boulevard, SW 96th Street, SR 76/SW Kanner Highway, enter the SR 9/ I-95 northbound on-ramp from SW Kanner Highway, exit SR 9/ I-95 at High Meadows Avenue (Exit 102), High Meadows Avenue to SR 714/ SW Martin Highway.
- Three or more axle truck and trailer westbound SR 714/ SW Martin Highway traffic will be detoured via High Meadows Avenue, enter the SR 9/ I-95 southbound on-ramp from High Meadows Avenue, exit SR 9/ I-95 at SR 76/ SW Kanner Highway (Exit 101), SW 96th Street, and SW Citrus Boulevard to SR 714/ SW Martin Highway.
- Local traffic on SR 714/ SW Martin Highway between SW Leighton Farm Avenue and SW Citrus Boulevard will be escorted through the work zone by project personnel and off-duty police officers.

2. State Road (SR) 15/ US 98 Resurfacing Project

Description: This 12.333-mile project began on August 4, 2023. The project improvements consist of milling and resurfacing the existing roadway, widening the roadway shoulders to 12 feet (7 feet paved and 5 feet unpaved), and installing new pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$20.8 Million/ Late 2024.

Traffic Impact:

- SR 15/ US 98 from the Palm Beach/ Martin County line to the Martin/ Okeechobee County line will have one lane in either direction closed from 7 a.m. to 7 p.m., Monday, Jan. 6 through Friday, Jan. 10, for grading, asphalt, concrete driveways, and sod placement.
- Northbound and southbound traffic on SR 15/ US 98 from the Port Mayaca Bridge to the Palm Beach/ Martin County Line was shifted two feet to the west to facilitate roadway paving operations through January 2025.

3. State Road (SR) 732/ Jensen Beach Causeway Mobility Improvements Project

Description: This 1.842-mile project began on September 19, 2023, from NE Indian River Drive to SR A1A. Project improvements consist of milling and resurfacing the existing roadway, replacing damaged sidewalk, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, upgrading signing and markings to provide buffered bicycle lanes, and replacing the existing bridge lighting, pendant lighting, and decorative pier lights. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$3 Million/ Early 2025.

Traffic Impact:

- Eastbound SR 732/ Jensen Beach Causeway will have one shoulder closed as needed, 10 p.m. to 6 a.m., Monday, Jan. 6 through Friday, Jan. 10, for shoulder work. Only one side of the bridge will be closed at a time.
- Westbound SR 732/ Jensen Beach Causeway will have one shoulder closed as needed, 10 p.m. to 6 a.m., Monday, Jan. 6 through Friday, Jan. 10, for shoulder work. Only one side of the bridge will be closed at a time.
- Westbound SR 732/ Jensen Beach Causeway will have one shoulder closed as needed, 8 a.m. to 5 p.m., Monday, Jan. 6 through Friday, Jan. 10, for shoulder work. Only one side of the bridge will be closed at a time.

4. State Road (SR) 710/ SW Warfield Boulevard at SW Tommy Clements Street Intersection Improvement Project

Description: This 0.3825-mile project began on Wednesday, January 3, 2024. Project improvements include constructing a left turn lane on SR 710/ SW Warfield Boulevard at SW Tommy Clements Street, constructing ten-foot paved shoulders, building a retaining wall, and upgrading drainage, signage, and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$4.8 Million/ Early 2025

Traffic Impact:

- The speed limit on SR 710/ SW Warfield Boulevard was reduced from 60 MPH to 55 MPH in the work zone for the duration of construction.
- Northbound and southbound SR 710/ SW Warfield Boulevard traffic was shifted to the west from just north and south of the SW Tommy Clements Street intersection to facilitate roadway construction activities.
- SR 710/ SW Warfield Boulevard from just north and south of SW Tommy Clements Street will have one northbound lane closed, 8:30 a.m. to 4:30 p.m., Monday, Jan. 6 through Saturday, Jan. 11, for shoulder widening, material deliveries, and equipment deliveries.
- SR 710/ SW Warfield Boulevard from just north and south of SW Tommy Clements Street will have one lane closed in either direction, 8 a.m. to 7 p.m., Monday, Jan. 6 through Friday, Jan. 10, for paving and maintenance of traffic activities. A flagging operation will be used to divert traffic.
- SR 710/ SW Warfield Boulevard from just north and south of SW Tommy Clements Street will have one lane closed in either direction, 7 p.m. to 8 a.m., Monday, Jan. 6 through Friday, Jan. 10, for paving and maintenance of traffic activities. A flagging operation will be used to divert traffic.

5. **Treasure Coast Rumble Strips Improvements Project**

Description: The project began on October 20, 2024. The project improvements consist of installing rumble strips and replacing pavement markings along 11 different roadway corridors within Martin, St. Lucie, and Indian River Counties to enhance the safety of motorists. The rumble strips are ground-in to the roadway and they provide auditory and vibratory feedback when driven over and alert drivers when they drift outside of travel lanes. Rumble strips are one of the most effective safety countermeasures to reduce run-off-the-road and head-on crashes. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$1,600,545 / Spring 2025

Traffic Impact:

- All lanes are open.

ST. LUCIE COUNTY

(City of Port St. Lucie, Port St. Lucie, White City, City of Fort Pierce, Fort Pierce, Okeechobee, St. Lucie West, Tradition)

6. **SW Port St. Lucie Boulevard Widening Project, from south of SW Alcantarra Boulevard to south of SW Darwin Boulevard**

Description: Construction on this 0.713-mile widening project began on Thursday, January 27, 2022. The City of Port St. Lucie, as Project Sponsor, requested the Florida Department of Transportation (FDOT), District Four, design and construct this project through an application to the St. Lucie Transportation Planning Organization and City of Port St. Lucie Resolution 18-R42.

Project improvements include widening SW Port St. Lucie Boulevard from a two-lane undivided roadway to a four-lane divided roadway, installing three new signalized intersections with mast arms at SW Alcantarra Boulevard, SW Tulip Boulevard, and SW Tunis Avenue, adding a right turn lane on SW Port St. Lucie Boulevard's north approach to SW Alcantarra Boulevard, constructing an 18' wide raised median with curb and gutter, upgrading crosswalks and curb ramps to meet Americans with Disabilities Act (ADA) standards, constructing 8'-10' wide sidewalks on both sides of SW Port St. Lucie Boulevard for pedestrian and bicycle use, and 6' wide sidewalks on side streets, installing a new closed drainage system, signing, pavement markings, signalization, and lighting upgrades, and landscaping for the median including trees, irrigation, and stamped concrete. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$11,570,179 /Early 2025

Traffic Impact:

- Northbound and southbound traffic on SW Port St. Lucie Boulevard between Darwin Square and SW Squirrel Avenue, is shifted to the east to facilitate roadway construction activities.
- SW Port St. Lucie Boulevard between SW Squirrel Avenue and SW Alexandria Avenue will have one northbound lane closed from 8 a.m. to 3 p.m., Monday, Jan. 6 through Friday, Jan. 10, for roadway and drainage construction.
- **To ensure community and crew safety as we work to enhance the roadway and provide a**

safer and more resilient infrastructure, South Globe Avenue at SW Port St. Lucie Boulevard, is closed around-the-clock through approximately 5 p.m., Friday, Jan. 17, for roadway reconstruction. This full closure was implemented on October 3, 2024, and traffic will continue to be detoured via SW North Globe Avenue, and SW Vendome Street to South Globe Avenue. If weather or unforeseen circumstances arise, South Globe Avenue will reopen by Friday, Jan. 24. Please see the attached detour flyer for more information.

Detour Information:

- SW Port St. Lucie motorists heading south to S Globe Avenue will be detoured via SW N Globe Avenue to S Globe Avenue.
- SW Port St. Lucie motorists heading north to S Globe Avenue will be detoured via SW Alcantarra Boulevard, and north on SW Vendome Street to S Globe Avenue.
- To ensure community and crew safety as we work to enhance the roadway and provide a safer and more resilient infrastructure, SW Alexandria Avenue at SW Port St. Lucie Boulevard, is closed around-the-clock through approximately 5 p.m., Friday, Jan. 17, 2025, for roadway reconstruction. This full closure was implemented on June 24, 2024, and traffic will continue to be detoured via SW North Globe Avenue, and SW Fillmore Street to SW Alexandria Avenue. If weather or unforeseen circumstances arise, SW Alexandria Avenue will reopen by Friday, Jan. 24. Please see the attached detour flyer for more information.

Detour Information:

- Northbound and southbound SW Port St. Lucie Boulevard motorists to westbound SW Alexandria motorists will be detoured via SW North Globe Avenue and SW Fillmore Street to SW Alexandria.
- Eastbound SW Alexandria Avenue motorists will be detoured via SW Fillmore Street and SW North Globe Avenue to SW Port St. Lucie Boulevard.
- Beginning at 8 a.m., Monday, Dec. 16, 2024, SW Alcantarra Boulevard at SW Port St. Lucie Boulevard will be closed around-the-clock through approximately 5 p.m., Friday, Jan. 17, 2025, for roadway reconstruction. Saturday, Jan. 18 through Friday, Jan. 24, will be used as contingency dates if needed. Please see the attached detour flyer for more information.
 - Northbound and southbound SW Port St. Lucie Boulevard to SW Alcantarra Boulevard will be detoured to S Globe Avenue to SW Port St. Lucie Boulevard.
 - Eastbound SW Alcantarra Boulevard motorists will be detoured via SW Vendome Street and S Globe Avenue to SW Port St. Lucie Boulevard.

City of Port St. Lucie project/adjacent to project corridor:

The Port St. Lucie Boulevard South Project Segment 3, managed by the City of Port St. Lucie, is reconstructing approximately 0.7 miles of the existing four-lane roadway from SW Gatlin Boulevard to SW Darwin Boulevard and a portion of SW Darwin Boulevard. For more information about the City of Port St. Lucie's Segment 3 Project, please contact Beth Zsoka, Project Public Information Specialist at 772-871-5176.

Traffic Impact:

- Speed limit lowered to 30 mph for the duration of the construction project.
- Closure of existing median openings at both SW Yale Street and SW Cairo Avenue.
- One northbound through lane will be eliminated on SW Port St. Lucie Boulevard north of SW Aurelia Avenue to Gatlin Boulevard, leaving one through lane and one dedicated left turn lane onto westbound Gatlin Boulevard.

7. State Road (SR) A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement Project

Description: This project began on May 1, 2023. The SR A1A North Causeway Over the Intracoastal Waterway (ICWW) Bridge Replacement project improvements consist of constructing a new high-level fixed bridge connected directly to SR 5/US 1 going over the Florida East Coast (FEC) Railroad, Old Dixie Highway, and the Intracoastal Waterway (ICWW) featuring: one 12-foot travel lane in each direction, navigational clearances of 85 feet vertical and 125 feet horizontal at the waterway channel, installing a barrier-protected 8-foot sidewalk on the south side of the bridge and a barrier-protected 12-foot shared use path on the north side of the bridge, installing 7-foot buffered bicycle lanes within the shoulders on both sides of SR A1A, constructing a 12-foot shared-use path along Old Dixie Highway to provide connectivity to the East Coast Greenway, building an observation deck beneath the west side of the new bridge structure, constructing a new access road under the bridge to businesses east of the FEC Railroad, extending Juanita Avenue

from SR 5/US 1 to Old Dixie Highway, and connecting SR 5/US 1 and Old Dixie Highway along Sunny Lane. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$111.5 million/ Late 2027.

Traffic Impact:

- Eastbound and westbound SR A1A between CR 605/ Old Dixie Highway and SR 5/ US 1 is closed around-the-clock through approximately late 2026 for roadway and bridge construction. Please [click here](#) to view the detour flyer for more information.

Detour Information:

- SR 5/ US 1 to eastbound SR A1A motorists will be detoured via Juanita Avenue and CR 605/ Old Dixie Highway to SR A1A.
 - Westbound SR A1A to SR 5/ US 1 motorists will be detoured via CR 605/ Old Dixie Highway and Juanita Avenue or Sunny Lane to SR 5/ US 1.
 - Access to residences and businesses will be maintained.
 - Once the construction is complete, traffic will be shifted onto the new bridge and the eastbound and westbound lanes will be open on SR A1A between SR 5/US1 and CR 605/Old Dixie Highway.
- Juanita Avenue east of US 1 is to open to motorists. The new traffic signal at the intersection of Juanita Avenue and US 1 is activated.
 - SR A1A between Old Dixie Highway to just west of the draw bridge will have two eastbound lane closed, 7 a.m. to 5 p.m., Monday through Friday, through Monday, Jan. 6, for watermain construction along SR A1A.
 - SR A1A between the North Causeway Island Park Entrance and Harbortown Drive will have one westbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through Friday, Jan. 24, for bridge deck maintenance. A flagging operation will be in place to maintain local traffic.
 - SR A1A from just west of Little Jim Bridge to the existing North Causeway Bridge will have one westbound lane closed, 9 a.m. to 4:30 p.m., Monday through Friday, through Friday, Jan. 24, for roadway work. A flagging operation will be in place to maintain local traffic.
 - US 1 between NE 3rd Street and the US 1/ SR A1A intersection will have one northbound lane closed, 9 a.m. to 5 p.m., Monday through Friday, through Friday, Jan. 24, for roadway construction and right turn lane extension.
 - US 1 from 200 feet south of the US 1/ SR A1A intersection to Juanita Ave will have one northbound right turn lane closed, 9 a.m. to 5 p.m., Monday through Friday, through Friday, Jan. 24, for mast arm installation.
 - Old Dixie Highway between Sunny Lane and SR A1A will have one lane in either direction closed, 9 a.m. to 5 p.m., Monday through Friday, through Friday, Jan. 24, for roadway reconstruction. A flagging operation will be in place to maintain local traffic.
 - Old Dixie Highway between SR A1A and 200 feet north of Juanita Avenue will have one lane intermittently closed, 7 a.m. to 5 p.m., Monday through Friday, through Friday, Jan. 24, for solar flashing stop sign installation and rumble strip installation. A flagging operation will be in place to maintain local traffic.

8. Savannas Preserve State Park SUN Trail Improvements Project, from Walton Road to Kitterman Road

Description: This 6.8-mile project began on July 26, 2023. Project improvements consist of constructing approximately 6.8 miles of accessible multi-use trail featuring a 10-foot-wide multi-use trail with boardwalk sections. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$10.6 million/ Late 2025.

Traffic Impact:

- All lanes are open.

9. SUN Trail Improvements Project from Kitterman Road to the Savannas Recreation Area

Description: This 4.2-mile project began on July 21, 2024. This segment of the Shared-Use Nonmotorized (SUN) Trail Network will be located within the Savannas Preserve State Park. The project improvements consist of constructing approximately 4.2 miles of 10-foot wide (8-feet where constrained) accessible multi-use trail. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$5.82 million / Late 2025

Traffic Impact:

- All lanes are open.

10. State Road (SR) 5/US 1 Resurfacing Project from north of SR 70/Virginia Avenue to Sunny Lane

Description: This 3-mile project began on November 20, 2023. The project improvements consist of milling and resurfacing the existing travel lanes with the exception of the Taylor Creek Bridge, upgrading deficient sidewalks and curb ramps, installing new pavement markings, upgrading signage, and upgrading pedestrian signals and pushbutton detectors at signalized intersections. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$6.1 million/ Late 2024.

Traffic Impact:

- US 1 between Virginia Avenue and Sunny Lane will have one lane closed in either direction, as needed, 8:30 p.m. to 6 a.m., Sunday, Jan. 5 through Thursday, Jan. 9 for final pavement markings. A travel lane will remain open in both directions.

11. Intersection Lighting Retrofit Improvements Project

This lighting improvements project at 22 different intersections within cities in Palm Beach, Martin, and St. Lucie Counties is anticipated to begin December 9, 2024. Improvements include creating a safer, more energy-efficient, and resilient transportation environment by upgrading lighting to LED fixtures and retrofitting existing light poles. For more information, please contact Community Outreach Specialist Silvana Ojeda at 561-905-0167 or sojeda@corradino.com.

Cost/Completion: \$1,017,434/Summer 2025

Traffic Impact:

- The SR 615/25th Street and Okeechobee Road intersection in Ft. Pierce, will have intermittent single lane closures from 6 a.m. until 4 p.m., Monday through Thursday, for lighting fixture replacement activities. Access to driveways and business will be maintained.

2. County Road (CR) 712/ Midway Road Widening Project from west of Jenkins Road to Selvitz Road

Description: This 0.785-mile project began on April 1, 2024. The project improvements include widening CR 712/Midway Road from a two-lane undivided roadway to a four-lane divided roadway. The eastbound and westbound lanes of CR 712/Midway Road will be separated by a raised landscaped median. Additional improvements include constructing left turn lanes in the median to allow access to adjacent side streets, properties and businesses, constructing 7-foot buffered bicycle lanes on both sides of CR 712/Midway Road, constructing 6-foot sidewalk along the north side of CR 712/Midway Road, constructing a 12-foot bicycle/pedestrian path along the south side of the project, installing landscaping along the south side of the project, and upgrading drainage, signage and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$23.5 million/ Summer 2026.

Traffic Impact:

- Westbound Midway Road traffic between Selvitz Road and east of the Turnpike is shifted to the north through December 2025, to facilitate roadway construction. The outside westbound travel lane on Midway Road east of the Selvitz Road intersection is now a right turn-only with the middle lane as a through lane to continue west on Midway Road.

3. State Road (SR) 68/ Orange Avenue Resurfacing Project from North 32nd Street to west of SR 5/ US 1

Description: This project began on May 28, 2024. The project improvements consist of milling and resurfacing the existing roadway, installing bicycle shared-lane markings (sharrows) on travel lanes from east of 13th Street to SR 5/ US 1, reconstructing pedestrian sidewalk curb ramps to meet current Americans with Disability Act (ADA) standards, upgrading lighting at signalized intersections to improve pedestrian lighting at the crosswalks, upgrading pedestrian signalization at signalized intersections and installing a new pedestrian mid-block signal at South 8th Street, adding

reflective border to existing traffic signal backplates for increased visibility of signal lights, upgrading vehicle detection at the signalized intersections of 5th Street and 7th Street, and upgrading signage and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$5.4 million / Summer 2025

Traffic Impact:

- Beginning at 5 a.m., Monday, Jan. 6, eastbound and westbound SR 68/ Orange Avenue between N 11th Street and N 10th Street, will be closed around-the-clock through approximately 5 p.m., Wednesday, Jan. 8, pending weather impacts, for utility and roadway reconstruction work. Thursday, Jan. 9 through Friday, Jan. 10 will be used as contingency dates if needed. Please see the flyer attached for more information.
 - Westbound SR 68/ Orange Avenue motorists will be detoured via S 11th Street, Boston Avenue, and S 10th Street.
 - Eastbound SR 68/ Orange Avenue will be detoured via S 10th Street, Boston Avenue, and S 11th Street to SR 68/ Orange Avenue.
 - Access to residences and businesses will be maintained.
- SR 68/ Orange Avenue between 13th Street and 32nd Street will have one lane closed in either direction, 6 p.m. to 6 a.m., Sunday through Thursday, through Thursday, Jan. 30, for lighting upgrades, electrical upgrades, milling, and resurfacing.
- SR 68/Orange Avenue between 13th Street and 33rd Street, will have one lane closed in either direction, 8 a.m. to 4 p.m., Monday through Friday, through Friday, Jan. 31, for sidewalk work.
- SR 68/ Orange Avenue between 13th Street and US 1 will have one eastbound lane closed, 6 p.m. to 6 a.m., Sunday through Thursday, Jan. 30, for sidewalk work, lighting and electrical upgrades, and milling and resurfacing the roadway.

4. State Road (SR) 615/ South 25th Street Resurfacing Project

Description: Construction for this 1.024-mile project began on August 18, 2024. The project improvements consist of milling and resurfacing the existing roadway to ensure long-term resilience, replacing damaged sidewalks to improve accessibility and pedestrian safety, upgrading signage and pavement markings to enhance visibility, adding lighting for signalized crosswalks at County Road (CR) 611/ Edwards Road, Cortez Boulevard, and SR 70/ Virginia Avenue, upgrading pedestrian signals at the three signalized intersections of CR 611/ Edwards Road, Cortez Boulevard, and SR 70/ Virginia Avenue to enhance pedestrian safety and replacing signal mast arms at CR 611/ Edwards Road through a Locally Funded Agreement with St. Lucie County. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$4.28 million/ Spring 2025.

Traffic Impact:

- SR 615/ South 25th Street between Edwards Road and Virginia Avenue will have one lane closed in each direction, 9 a.m. to 4 p.m., Monday, Jan. 6, through Friday, Jan. 10, for reconstruction of curb ramps, sidewalk, signalization and lighting work.
- SR 615/ South 25th Street between Edwards Road and Virginia Avenue will have one lane closed in each direction, 9 p.m. to 6 a.m., Sunday through Thursday, through Sunday, Jan. 12, for reconstruction of curb ramps, sidewalk, signalization and lighting, and striping work.

5. State Road (SR) 607/ Emerson Avenue Resurfacing Project

Description: This project is expected to begin in January 2025. Project improvements consist of milling and resurfacing the travel lanes to enhance safety and long-term resiliency, widening the existing 5-foot paved shoulder to 7-feet to enhance safety, constructing sidewalk (varying from 6 to 12 feet in width) along the east side of SR 607/ Emerson Avenue from Hibiscus Road to North Road to enhance safety and connectivity for pedestrians, upgrading curb ramps along existing sidewalks to enhance safety and connectivity for pedestrians, installing concrete pads at two existing bus stops along northbound SR 607/ Emerson Avenue, located approximately 300 feet south of Hibiscus Road and approximately 100 feet north of Belleair Avenue, to enhance safety,

functionality, and long-term resiliency, and upgrading signage and pavement markings to improve safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$6.4 million / Spring 2026

- All lanes are open.

6. State Road (SR) 716/Southeast Port St. Lucie Boulevard Bridge Rehabilitation Project

Description: This project is expected to begin in January 2025. The project improvements consist of reconstructing the east and west seawalls to enhance resiliency and longevity of the structures and performing concrete repairs to the bridges at various locations to improve resiliency and longevity. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$2.6 million / Late 2025

Virtual Public Meeting and In-Person Construction Open House: A Virtual Public Meeting and In-Person Construction Open House will be held on Wednesday, January 8, 2025. Please see below and the project flyer attached for more information.

- The Virtual Public Meeting will be held from 5:00 p.m. to 6:00 p.m. Please use the following link to register: <https://bit.ly/4ekkv3B>. You may also call +1 (914) 614-3221 Access Code: 928-252-948. A brief presentation followed by questions and comments from the public will be held from 5:00 p.m. to 5:30 p.m. and again from 5:30 p.m. to 6:00 p.m. Please note questions and comments may be submitted via online chat for the project team to address directly.
- The In-Person Construction Open House will be held from 6:00 p.m. to 7:00 p.m. at the City of Port St. Lucie Municipal Complex, located at 121 SW Port St. Lucie Boulevard, Building A, First Floor, Port St. Lucie, FL 43984. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

INDIAN RIVER COUNTY

(City of Vero Beach, Vero Beach, Indian River Shores, Sebastian, Wabasso, Wabasso Beach, City of Fellsmere)

7. State Road (SR) 656/ 17th Street East End of Bridge Rehabilitation and Improvements Project

Description: Construction for this project began on August 28, 2023. The project improvements consist of the replacement of the eastern 400 feet of the existing bridge; sealing the full length of the existing bridge deck surface; and upgrading signing and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$22.3 million/ Summer 2028.

Traffic Impact:

- SR 656/ 17th Street, between 4th Avenue and W Camino Del Rio will have one lane closed in either direction around-the-clock through 12 a.m., Monday, April 14, 2025, for bridge construction activities.
- SR 656/ 17th Street, between Indian River Boulevard and W Camino Del Rio may have one lane closed nightly in either direction, as needed, 9 p.m. to 7 a.m., Monday, Jan. 6 through Sunday, Jan. 12, for routine maintenance. A flagging operation would be utilized to maintain eastbound and westbound traffic. For minor work, traffic pacing will be used.
- Indian River Boulevard to eastbound SR 656/ 17th Street has one southbound turn lane closed around-the-clock through 12 a.m. Monday, April 28, 2025, for bridge construction activities.

8. State Road (SR) 9/ I-95 at County Road (CR) 606/ Oslo Road New Interchange and CR 606/ Oslo Road Widening Project

Description: The project began on August 14, 2023. In partnership with Indian River County, FDOT is pleased to announce the construction of the new interchange at SR 9/ I-95 and CR 606/ Oslo Road and CR 606/ Oslo Road improvements. Additionally, CR 606/ Oslo Road will have capacity improvements to four lanes from west of SR 9/ I-95 to 58th Avenue per Indian River County Resolution Nos. 2017-022 and 2017-023. Project improvements consist of constructing a

new interchange with partial cloverleaf ramps at SR 9/ I-95 and CR 606/ Oslo Road, widening CR 606/ Oslo Road from a two-lane to a four-lane divided roadway from west of SR 9/ I-95 to SW 58th Avenue, installing interchange ramp lighting, replacing the existing CR 606/ Oslo Road bridge over SR 9/ I-95, installing a new signalized intersection at CR 606/ Oslo Road and 66th Avenue SW, installing intersection lighting at 74th Avenue, 66th Avenue, and 58th Avenue, realigning 82nd Avenue at CR 606/ Oslo Road, eliminating the 86th Avenue connection to CR 606/ Oslo Road, constructing 13th Street SW to connect 86th Avenue SW and 90th Avenue, extending the south limit the existing noise wall on SR 9/ I-95, replacing Indian River County sanitary, water and raw water mains, upgrading signing, signalization, intersection lighting, bicycle lanes, and sidewalks, installing a closed drainage system and constructing three drainage ponds. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$95.78 million/ Fall 2027.

Traffic Impact:

- Beginning at 6 a.m., Monday, Nov. 18, 2024, northbound and southbound 82nd Avenue between 1st Street SW and 1,800 feet south of 1st Street SW will be closed through 5 p.m., Friday, Jan. 31, 2025, for roadway, drainage, and utility work. If the closure does not occur on Monday, Nov. 18, it will occur by Thursday, Nov. 21, 2024. Please [click here](#) to see the detour flyer for more information.

Detour Information:

- Northbound motorists on 82nd Avenue will be detoured via CR 606/ Oslo Road, 66th Avenue SW and 8th Street to 82nd Avenue.
 - Southbound motorists on 82nd Avenue heading to CR 606/ Oslo Road will be detoured via 8th Street and 66th Avenue SW to CR 606/ Oslo Road.
 - Local Access to businesses and residential properties along 82nd Avenue between 1st Street SW and 1,800 feet south of 1st Street SW will be maintained at all times throughout construction.
- **Advanced Notice:** Northbound and southbound SR 9/I-95 between Indrio Road (Exit 138) and SR 60/ 20th Street (Exit 147) will have two lanes closed nightly from 9 p.m. to 6 a.m., beginning Tuesday, Jan. 21, through Thursday, Jan. 23, for beam installation. To ensure motorist and crew safety during this operation, one lane of traffic in each direction on SR 9/I-95 will be maintained via a traffic diversion, and the speed limit will be reduced from 70 MPH to 35 MPH. Sunday, Jan. 26, through Thursday, Jan. 30, and Sunday, Feb. 2, through Thursday, Feb. 6, will be used as contingency dates if needed. FHP will be onsite to assist motorists.
 - The eastbound and westbound traffic at the intersection of 58th Avenue SW was shifted on Thursday, Nov. 24, onto the new westbound CR 606/ Oslo Road, then shifted back to the existing CR 606/ Oslo Road just east of 74th Avenue SW.
 - SR 9/ I-95 may have one lane in either direction closed nightly, from 9 p.m. to 6 a.m., through Jan. 2025, for bridge work.

9. State Road (SR) 60 Resurfacing Project from west of County Road (CR) 512 to west of 94th Drive

Description: The project began on July 13, 2024. The project improvements consist of milling and resurfacing the existing roadway, upgrading curb ramps to meet current Americans with Disability Act (ADA) standards, upgrading signage and pavement markings, upgrading signalization and pedestrian detectors at 98th Avenue, and constructing minor drainage improvements at various locations throughout the project limits. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$11.19 million/Summer 2025

Traffic Impact:

- SR 60 from west of CR 512 to west of 94th Drive will have one lane closed in either direction, 5 p.m. to 5 a.m., Sunday, Jan. 5 through Thursday, Jan. 9, for overnight paving.
- SR 60 from west of CR 512 to west of 94th Drive will have one lane closed in either direction,

5 a.m. to 7 p.m., Monday, Jan. 6 through Friday, Jan. 10, for mobilization, erosion control, clearing and grubbing, excavation, drainage, sod, and sign installation as needed.

!0. State Road (SR) 5/ US 1 Resurfacing Project from Davis Street to the south end of the St. Sebastian River Bridge

Description: This project began on September 25, 2024. The project improvements consist of milling and resurfacing the existing roadway, reconstructing existing sidewalk curb ramps to meet current Americans with Disability Act (ADA) standards, installing sidewalks at the northern end of the project limits, upgrading lighting to better illuminate pedestrian crosswalks at signalized intersections, installing pedestrian countdown signal features at signalized intersections, and upgrading signage and pavement markings. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$5.7 million / Summer 2025

Traffic Impact:

- US 1 between Davis Street and Bridge 700224/ the Brevard County line will have the northbound and southbound outside shoulders closed around-the-clock, beginning at 7 a.m. Monday, Jan. 6 through approximately 7 p.m., Friday, March 28, for construction of sidewalk, and milling and resurfacing operations. Shoulders may be left in milled condition; cyclists are encouraged to seek alternate route until paving is completed. Please note that no parking will be allowed along the shoulders north of Indian River Drive, as these will be utilized for equipment storage and will be an active construction zone.
- US 1 between Palm Avenue and Davis Street will have one southbound lane closed, as needed, nightly, beginning at 7 p.m., Monday, Jan. 6 through approximately 7 a.m., Friday, March 28, for reconstruction of damaged pavement, construction of new curb and gutter, and milling and resurfacing operations at the Roseland Road and Jackson Street intersections.
- US 1 between South of Davis St. to Bridge 700224/ the Brevard County Line will have one northbound lane closed, nightly, beginning at 7 p.m., Monday, Jan. 6 through approximately 7 a.m., Friday, March 28, for reconstruction of damaged pavement, construction of new curb and gutter, and milling and resurfacing operations at the Roseland Road and Jackson Street intersections.

!1. State Road (SR) 60/ Indian River Boulevard Safety Improvements Project

Description: The project is anticipated to begin January 6, 2025. The project improvements consist of signalizing and extending the SR 60/ Merrill P. Barber Bridge northbound right-turn lane to increase capacity and enhance safety and long-term resiliency, adding a second left-turn lane onto SR 60/ Merrill P. Barber Bridge to improve safety, functionality, and long-term resiliency, replacing traffic signal within the project limits to improve the vehicular, pedestrian and bicycle operation and safety at the intersection, upgrading pedestrian signals with newer technology at signalized intersections to improve push button accessibility and safety, and installing lighting at the pedestrian crosswalk at the intersection of SR 60/ Indian River Boulevard and SR 60/Merrill P. Barber Bridge to improve safety and visibility. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$3,689,059.10 / Fall 2025

Traffic Impact:

- All lanes are open.

!2. State Road (SR) 5/ US 1 Resurfacing Project from north of 12th Street to north of SR 60/ 20th Place

Description: This project began on November 17, 2024. Project improvements consist of milling and resurfacing the existing roadway within the project limits to enhance safety and long-term resiliency, installing four-foot bicycle lanes, reconstructing existing sidewalk curb ramps to enhance safety and connectivity for pedestrians, upgrading pedestrian countdown signal features with newer technology at 15th Place, SR 60/20th Street, and SR 60/20th Place to enhance pedestrian safety and functionality, and upgrading signage and pavement markings to improve safety, functionality, and traffic operations. For more information, please contact Community Outreach Specialist Samantha Kayser at 772-579-5479.

Cost/Completion: \$3,689,059.10 / Fall 2025

Traffic Impact:

- US 1 between 17th Street and 20th Street will have one lane closed in each direction, 7 p.m. to 6 a.m., Sunday, Jan. 5, through Friday, Jan. 17, for curb reconstruction, signing, and pedestrian signal work, and milling and paving.
- US 1 between 15th Street and 17th Street will have one lane closed in each direction, 7 p.m. to 6 a.m., Sunday, Jan. 5, through Friday, Jan. 17, for curb reconstruction, signing, pedestrian signal work, and milling and paving.
- US 1 between 12th Street and 15th Street will have one lane closed in each direction, 7 p.m. to 6 a.m., Sunday, Jan. 5, through Friday, Jan. 17, for curb reconstruction, signing, pedestrian signal work, and milling and paving.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

MARTIN COUNTY

(Hobe Sound, Palm City, City of Stuart, Stuart, Jensen Beach, Jupiter Island, Port Salerno, Port Mayaca, Rio, Indiantown, Tequesta, Town of Sewall's Point)

HOBE SOUND
