### FDOT Broward County Traffic Impact Report

August 15, 2025, through August 22, 2025

**FORT LAUDERDALE, Fla.** – Construction and maintenance-related lane closures on state highways in Broward County are expected during the week of Aug. 15, 2025, through Aug. 22, 2025. Weather permitting, work will be done at the following locations throughout the county. Please note, any full road, ramp or bridge closures have been highlighted below. For around-the-clock, real-time, traffic information, visit <http://www.fl511.com/>. For updated lane closure information, please refer to [www.d4fdot.com](http://www.d4fdot.com). Follow us on X and Instagram @MyFDOT\_SEFL, and Facebook @MyFDOTSEFL.

#### **CONSTRUCTION PROJECTS**

##### **INTERSTATES**

- 1. State Road (SR) 9/I-95 from south of SR 820/Hollywood Boulevard in the City of Hollywood to the south of SR 842/Broward Boulevard in the City of Fort Lauderdale and SR 862/I-595 from SR 9/I-95 to SR 7/US 441 in the Town of Davie (95 Express Phase 3C)**

**Description:** Work on this 9-mile 95 Express project includes extending the 699 existing Express Lanes north from just south of SR 820/Hollywood Boulevard to just south of SR 842/Broward Boulevard in Broward County. One lane will be added, and the High Occupancy Vehicle (HOV) lane will be converted to create two Express Lanes in each direction. The number of general-use lanes will remain the same. Other project improvements include the construction of I-95/I-595 Direct Connectors between SR 9/95 Express Lanes and SR 862/I-595, as well as reconstruction, milling, resurfacing, and widening of SR 862/I-595 from SR 7/US 441 to SR 9/I-95 and along SR 9/I-95 from south of SR 820/Hollywood Boulevard to south of SR 842/Broward Boulevard. Additional work includes bridge widening along SR 9/I-95 at several locations, painting of 17 bridges within project limits, SR 9/I-95/SR 84 interchange modifications, Integrated Intelligent Transportation System (ITS) installation, including cameras, detectors, and dynamic message signs to optimize traffic operations, tolling/gantry construction, ramp

signalization implementation at the interchanges, lighting, signage and drainage installation and construction of shoulder-mounted sound walls and retaining walls. For more information, please contact Interstate Community Outreach Specialist Daniela Silva at (786) 441-3088 or [msilva@corradino.com](mailto:msilva@corradino.com).

**Cost/Completion:** \$457 million/Late 2025

**Traffic Patterns:**

- **New Eastbound SR 84/Marina Mile Boulevard Traffic configuration:** Eastbound SR 84/Marina Mile Boulevard is reconfigured to one lane just after the southbound SR 7/US 441 exit ramp (Exit 9B). Overhead signage is posted to guide motorists safely through the new configuration.
- **New Traffic Pattern for Eastbound SR 862/I-595 and a New Exit Ramp to SR 84/Marina Mile (Exit 9C):** As of Monday, Aug. 11, a new traffic pattern was implemented along eastbound SR 862/I-595 as part of ongoing roadway improvements designed to enhance safety and reduce weaving movements along SR 862/I-595.
  - **Permanent Ramp Closure: on the night of Monday, Aug. 11, the previous eastbound SR 862/I-595 exit ramp to SR 84/Marina Mile Boulevard (Exit 9C) was permanently closed and removed.**
  - **New Ramp Opening and New Ramp Configuration:** At 6 a.m. on Tuesday, Aug. 12, the new eastbound SR 862/I-595 exit ramp to SR 84/Marina Mile Boulevard (Exit 9C) opened approximately 500 feet west of the previous ramp. This new ramp will provide one-lane direct access to SR 84/Marina Mile Boulevard.
  - **Eastbound SR 862/I-595 Managed Lanes Adjustment:** At 4 a.m. on Tuesday, Aug. 12, the egress from the SR 862/I-595 managed lanes was reduced from two lanes to one before merging into the eastbound general-purpose lanes.
  - These improvements support future corridor enhancements, including a new eastbound SR 862/I-595 entrance ramp from SR 91/Florida's Turnpike and new direct connector ramps linking SR 862/I-595 to the SR 9/I-95 managed lanes. Signage will be updated to reflect all new traffic patterns.
- **Traffic Pattern for Westbound SR 862/I-595 to Florida's Turnpike and SR 84 Ramp:** The westbound SR 862/I-595 ramp to SR 91/Florida's Turnpike and SR 84 (Exit 8) and the ramp to US 441/SR 7 (Exit 9A-B) are now permanently separated into two ramps. The newly constructed SR 862/I-595 westbound ramp to SR 91/Florida's Turnpike and SR 84 (Exit 8) is located slightly west of the previous location and is open to drivers. Exit 9A-B continues to serve drivers traveling to US 441/SR 7. Signage is in place to assist motorists.
- **New SR 9/I-95 Northbound Managed Lane Traffic Pattern:** The SR 9/I-95 northbound managed lanes were extended just north of SR 818/Griffin Road on Tuesday morning, July 15. Motorists must exit the managed lanes north of SR 820/Hollywood Boulevard to access SR 822/Sheridan Street, SR 848/Stirling Road, or SR 818/Griffin Road. Overhead signage has been updated to reflect the new exit pattern: **Local Exits 21-29 & Sheridan St thru Griffin Rd.**

## Traffic Impacts: Full Closures on SR 9/I-95 and SR 862/I-595 Mainline

- **Westbound SR 862/I-595 and Perimeter Road Advanced Full Closure**

**Notice:** All lanes of westbound SR 862/I-595, from SR 5/US 1 to just east of SR 9/I-95, will be closed to traffic from 1 a.m. until 5 a.m., on Thursday, Aug. 28 for overhead sign structure installation.

- To ensure the safety of motorists and crews, the following ramp movements will also be closed to traffic from 1 a.m. until 5 a.m., on Thursday, Aug. 28:
  - The westbound **SR 862/I-595 entrance ramp** from southbound SR 5/US 1 and Port Everglades Expressway/Eller Drive will be closed. Traffic will be detoured via southbound SR 5/US 1, westbound SR 818/Griffin Road, and northbound SR 9/I-95 to access westbound SR 862/I-595.
  - The **SR 862/I-595 entrance ramp from Terminal Drive** will be closed, restricting direct access from Fort Lauderdale-Hollywood International Airport (FLL) to SR 862/I-595. Airport traffic will be detoured via the NE 7<sup>th</sup> Avenue exit, westbound NE 10<sup>th</sup> Street/SR 818/Griffin Road, and northbound SR 9/I-95 to reach the SR 862/I-595 westbound entrance ramp.
  - The **SR 9/I-95 northbound and southbound entrance ramps from SR 862/I-595** will be closed, requiring motorists to use alternate routes.
- As a part of the westbound SR 862/I-595 full closure, **Perimeter Road between SW 2nd Avenue and Fuel Tender Road** will close 11 p.m. until 5 a.m. on Thursday, Aug. 28 for crane operations.
  - During the closure, traffic will be detoured via SW 4th Ave, SR 84, SR 5/US1, and SR 818/Griffin Road to Perimeter Road.
- The Florida Highway Patrol (FHP) will be on-site, and signage will be in place to guide motorists through the detour routes.

## SR 9/I-95 Traffic Impacts:

- SR 9/I-95 in each direction, between SR 820/Hollywood Boulevard and SR 736/Davie Boulevard, may have up to four lanes closed, nightly as needed, 9 p.m. until 5:30 a.m., Sunday through Thursday, for paving. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and the third and fourth lanes will close at 10:30 p.m. All lanes will be open by 5:30 a.m.
- SR 9/I-95 in each direction, from SR 820/Hollywood Boulevard to south of SR 736/Davie Boulevard, will have shoulder closures, daily and nightly, as needed, Sunday through Thursday.
- The SR 9/I-95 northbound and southbound managed lanes and the inside general-purpose lane from Ives Dairy Road to SR 822/Sheridan Street may be closed nightly from 9 p.m. until 6 a.m., Sunday through Thursday, for paving operations. FHP will be onsite to assist motorists and signage will be in place to assist motorists.

## SR 9/I-95 Ramp Impacts:

- The SR 9/I-95 northbound exit ramp to SR 84 will be closed to traffic nightly as needed from 10:30 p.m. until 5 a.m., Sunday through Thursday, for drainage and punch list operations. Traffic will be detoured via SR 9/I-95 northbound to the SR 862/I-595 eastbound ramp and SR 5/US 1/North Federal Highway to SR 84. Signage will be placed to direct motorists.
- The SR 9/I-95 northbound to the SR 862/I-595 westbound ramp will be closed to traffic nightly, as needed, 10:30 p.m. until 5 a.m., Sunday through Thursday, for lighting and punch list operations. Traffic will be detoured via SR 818/Griffin Road, and SR 7/ US 441 to the SR 862/I-595 westbound entrance ramp. Signage will be in place to assist motorists.
- The SR 9/I-95 southbound entrance ramp from SR 818/Griffin Road will be closed to traffic nightly, as needed, 10 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday, Aug. 24, for punch list operations. Motorists traveling eastbound on SR 818/Griffin Road will be detoured via eastbound SR 818/Griffin Road, SR 5/US 1, and SR 848/Stirling Road to the SR 9/I-95 southbound entrance ramp. Motorists traveling westbound SR 818/Griffin Road will be detoured via Anglers Avenue, and SR 848/Stirling Road to the SR 9/I-95 southbound entrance ramp. Signage will be in place to assist motorists.
- The SR 9/I-95 northbound entrance ramp from SR 818/Griffin Road will be closed to traffic nightly, as needed, 10:30 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday, Aug. 24 for punch list operations. Traffic will be detoured via eastbound SR 818/Griffin Road, SR 5/US 1, and SR 862/I-595 to the SR 9/I-95 northbound entrance ramp. As an alternate detour, traffic may be routed via SR 7/US 441 and SR 862/I-595 to the SR 9/I-95 northbound entrance ramp. Signage will be in place to assist motorists.
- The SR 9/I-95 northbound exit ramp to SR 848/Stirling Road will be closed to traffic nightly, as needed, from 10:30 p.m. until 5 a.m., Sunday through Thursday, through Thursday, Aug. 21, for ITS and punch list operations. Traffic will be detoured via SR 818/Griffin Road, SR 5/US 1, and SR 848/Stirling Road. Signage will be in place to assist motorists.
- The SR 9/I-95 northbound entrance ramp from SR 848/Stirling Road will be closed to traffic nightly, as needed from 10:30 p.m. until 5 a.m., Sunday through Thursday, through Thursday, Aug. 21 for overhead sign structure operations. Motorists traveling westbound SR 848/Stirling Road will be detoured via Anglers Avenue, and SR 818/Griffin Road to the SR 9/I-95 northbound entrance ramp. Motorists traveling eastbound SR 848/Stirling Road will be detoured via SR 5/US 1 and, SR 818/Griffin Road to the SR 9/I-95 northbound entrance ramp. Signage will be in place to assist motorists.
- The SR 9/I-95 southbound exit ramp to SR 848/Stirling Road will be closed to traffic nightly, as needed, 10:30 p.m. until 5 a.m., Sunday through Thursday, through Thursday, Aug. 21, for ITS and punch list operations. Traffic will be detoured via southbound SR 9/I-95, SR 822/Sheridan Street, SR 7/US 441, and SR 848/Stirling Road. Signage will be in place to assist motorists.

- The SR 9/I-95 southbound entrance ramp from SR 848/Stirling Road will be closed to traffic nightly, as needed, 10:30 p.m. until 5 a.m., Sunday through Thursday, through Thursday, Aug. 21, for overhead sign structure operations. Traffic will be detoured via SR 7/US 441 southbound, and eastbound SR 822/Sheridan Street to SR 9/I-95 southbound. Signage will be in place to assist motorists.
- The SR 9/I-95 southbound exit ramp to SR 822/Sheridan Street will be closed to traffic nightly as needed from 10:30 p.m. until 5 a.m., Sunday through Thursday for ITS, paving, and punch list operations. Traffic will be detoured via southbound SR 9/I-95, SR 820/Hollywood Boulevard and N Park Road to SR 822/Sheridan Street. Signage will be in place to assist motorists.
- The SR 9/I-95 southbound exit ramp to SR 822/Sheridan Street will be closed to traffic nightly as needed, from 10:30 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday, Aug. 24, for overhead sign structure operations. Traffic will be detoured via southbound SR 9/I-95, SR 820/Hollywood Boulevard, and N Park Road to SR 822/Sheridan Street. Signage will be in place to assist motorists.
- The SR 9/I-95 northbound entrance ramp from SR 822/Sheridan Street will be closed to traffic nightly as needed, 10:30 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday, Aug. 24, for ITS, overhead sign structure installation, and punch list operations. Traffic will be detoured via SR 822/Sheridan Street, SR 5/US 1, and SR 848/Stirling Road to the SR 9/I-95 northbound entrance ramp. Signage will be in place to assist motorists.
- The SR 9/I-95 southbound entrance ramp from SR 822/Sheridan Street will be closed to traffic nightly as needed, from 10:30 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday, Aug. 24, for ITS, overhead sign structure installation, and punch list operations. Traffic will be detoured via southbound Dixie Highway and SR 820/Hollywood Boulevard to the SR 9/I-95 southbound entrance ramp. As an alternate detour, traffic may be routed via westbound SR 822/Sheridan Street, southbound North Park Road, and SR 820/Hollywood Boulevard to the SR 9/I-95 southbound entrance ramp. Signage will be in place to assist motorists.
- The SR 9/I-95 northbound exit ramp from SR 820/Hollywood Boulevard will be closed to traffic nightly, as needed, 10:30 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday, Aug. 24 for ITS installation and punch list operations. Motorists traveling eastbound on SR 820/Hollywood Boulevard will be detoured via SR 811/North Dixie Highway and SR 822/Sheridan Street to the SR 9/I-95 entrance ramp. Motorists traveling westbound on SR 820/Hollywood Boulevard will be detoured via North Park Road and SR 822/Sheridan Street to the SR 9/I-95 entrance ramp. Signage will be in place to assist motorists.
- The SR 9/I-95 southbound entrance ramp from SR 820/Hollywood Boulevard will be closed to traffic nightly as needed, 10:30 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday, Aug. 24, for ITS installation and punch list operations. Motorists traveling eastbound on SR 820/Hollywood Boulevard will be detoured via SR 811/South Dixie Highway and SR 824/Pembroke Road to the SR 9/I-95 southbound entrance ramp. Motorists traveling westbound on SR

820/Hollywood Boulevard will be detoured via South Park Road and eastbound SR 824/Pembroke Road to the SR 9/I-95 southbound entrance ramp. Signage will be in place to assist motorists.

- The SR 9/I-95 northbound entrance ramp from SR 824/Pembroke Road will be closed to traffic nightly as needed, 10:30 p.m. until 5 a.m., Sunday through Thursday, beginning Sunday, Aug. 24, for overhead sign structure installation. Motorists traveling eastbound on SR 824/Pembroke Road will be detoured via SR 5/US 1 and SR 820/Hollywood Boulevard to the SR 9/I-95 northbound entrance ramp. Motorists traveling westbound will be detoured via SR 7/US 441, and SR 820/Hollywood Boulevard to the SR 9/I-95 northbound entrance ramp. Signage will be in place to assist motorists.
- The SR 9/I-95 northbound entrance ramp from SR 862/I-595 westbound may have one lane closed nightly as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The SR 9/I-95 southbound entrance ramp from SR 862/I-595 westbound may have one lane closed nightly as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The SR 9/I-95 southbound entrance ramp from SR 862/I-595 eastbound may have one lane closed nightly as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The SR 9/I-95 northbound and southbound exit ramps to SR 818/Griffin Road may have two lanes closed intermittently, nightly as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The SR 9/I-95 northbound and southbound exit ramps to SR 848/Stirling Road may have two lanes closed intermittently, nightly as needed Sunday through Thursday.
- The SR 9/I-95 northbound and southbound entrance ramps from SR 848/Stirling Road may have one lane closed intermittently, nightly as needed, 9 p.m. until 5:30 a.m. Sunday through Thursday, for ITS and drilled shaft operations.
- **\*Please note that ramp closures will be performed as needed per nighttime construction operations; consecutive ramps will not be closed at the same time.**

### **SR 862/I-595 Traffic Impacts:**

- SR 862/I-595 in each direction, from east of SR 7/US 441 to Anglers Avenue, may have up to four lanes closed nightly as needed, 9 p.m. until 5:30 a.m., Sunday through Thursday. The first lane will close at 9 p.m., the second lane will close at 9:30 p.m., and the third and fourth lane will close at 10:30 p.m. All lanes will be open by 5:30 a.m.
- I-595 in each direction, from SR 7/US 441 to SR 9/I-95, will have shoulder closures, daily and nightly as needed, Sunday through Thursday.
- Eastbound SR 862/I-595 between SR 7/US 441 and SR 9/I-95 will be shifted into final configuration the night of Wednesday, August 13. been shifted to the inside lanes to allow for widening and bridge construction operations. This pattern is anticipated to be in place through Spring 2025.

- Westbound SR 862/I-595, between SR 9/I-95 and SR 7/US 441 will be shifted into final configuration on Wednesday night, Aug. 13.

### **SR 862/I-595 Ramp Impacts:**

- The SR 862/I-595 eastbound ramp to SR 84 and the SR 91/ Florida' s Turnpike will be closed to traffic nightly, as needed 10 p.m. until 5 a.m., Sunday through Thursday, for sign structure installation operations. Motorists will be detoured via the adjacent ramp to SR 84. Signage will be in place to assist motorists.
- The SR 862/I-595 westbound ramp to SR 7/US 441 will be closed nightly, as needed from 10:30 p.m. until 5:30 a.m., Sunday through Thursday, for paving and punch list operations. Traffic will be detoured via SR 862/I-595 westbound and SR 736/Davie Boulevard to the SR 862/I-595 eastbound entrance ramp. Signage will be in place to assist motorists.
- The SR 862/I-595 eastbound entrance ramp from SR 7/US 441, the SR 91/ Florida' s Turnpike, and SR 84 will be closed to traffic nightly as needed, 10:30 p.m. until 5 a.m., Sunday through Thursday. Motorists will be detoured via SR 7/US 441, SR 818/Griffin Road, and SR 9/I-95. Signage will be in place to assist motorists.
- The SR 862/I-595 eastbound entrance ramp from SR 736/Davie Road will be closed to traffic nightly as needed, 10:30 p.m. to 5 a.m., Sunday through Thursday, for overhead sign structure installation. Traffic will be detoured via SR 7/US 441 northbound, Davie Boulevard eastbound, the SR 9/I-95 southbound entrance ramp to the SR 862/I-595 eastbound entrance ramp. Signage will be in place to assist motorists.
- The SR 862/I-595 eastbound ramp to southbound US 441/SR 7 and eastbound SR 84 will be closed to traffic from 11 p.m. until 5 a.m., Sunday through Thursday for overhead sign structure and paving operations. Traffic wishing to access southbound US 441/SR 7 will be detoured via eastbound SR 862/I-595, northbound US 441/SR 7 to U-turn at the US 441/SR 7 and Riverland Road intersection to access southbound US 441/SR 7. Traffic wishing to access eastbound SR 84 will be detoured via northbound US 441/SR 7, eastbound Davie Boulevard, southbound SR 9/I-95, and eastbound SR 82/I-595 to access SR 84. Signage will be in place to assist motorists.
- The SR 862/I-595 eastbound and westbound entrance ramp from SR 9/I-95 southbound may have two lanes closed nightly as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The SR 862/I-595 westbound entrance ramp from SR 9/I-95 southbound may have one lane closed nightly as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The SR 862/I-595 eastbound entrance ramp from SR 9/I-95 northbound may have one lane closed nightly as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday.
- The SR 862/I-595 westbound entrance ramp from SR 9/I-95 northbound may have one lane closed nightly as needed, 9:30 p.m. until 5 a.m., Sunday through Thursday.

- The SR 862/I-595 westbound exit ramp to US 441/SR 7 and the SR 91/Florida's Turnpike will have one lane closed nightly as needed, 9 a.m. until 6 a.m., Sunday through Thursday.
- **\*Please note that ramp closures will be performed as needed per nighttime construction operations; consecutive ramps will not be closed at the same time.**

### **SR 84 Traffic Impacts:**

- The SR 84 eastbound entrance ramp from SR 862/I-595 eastbound, SR 7/US 441, and the SR 91/ Florida's Turnpike will be closed to traffic nightly, as needed, from 10:30 p.m. until 5 a.m., Sunday through Thursday, for bridge construction and painting operations. Traffic will be detoured via the adjacent SR 84 ramp. FHP will be on site and signage will be in place to assist motorists.
- The SR 84 westbound exit ramp to SR 7/US 441 and the SR 91/Florida's Turnpike will be closed to traffic nightly, as needed 10 p.m. until 5 a.m., Sunday through Thursday, for paving and punch list operations. Traffic will be detoured via northbound SR 7/US 441, U-turn at SW 20<sup>th</sup> Street to SR 7/US 441. Signage will be in place to assist motorists.
- The SR 84 eastbound and westbound ramp to SR 9/I-95 southbound will be closed to traffic nightly, as needed, from 9 p.m. until 6 a.m., Sunday through Thursday for slope pavement, ITS and punch list operations. Traffic will be detoured via SR 84 westbound, SW 30<sup>th</sup> Avenue, and SR 818/Griffin Road to the SR 9/I-95 southbound entrance ramp. FHP will be onsite and signage will be in place to assist motorists.

### **Arterial Traffic Impact:**

- Anglers Avenue, from SW 36<sup>th</sup> Street to south of SW 31<sup>st</sup> Street, will be closed to motorists through Summer 2025 for bridge construction operations. Traffic will be detoured via SW 31<sup>st</sup> Street, SW 26<sup>th</sup> Terrace, and SW 36<sup>th</sup> Street.
- SW 30<sup>th</sup> Avenue in each direction, at the SR 862/I-595 overpass, will be closed to traffic overnight, 10 p.m. until 6 a.m., Sunday through Thursday, for bridge painting and painting operations. Motorists will be detoured via SW 26<sup>th</sup> Terrace, and eastbound SR 84 to the U-turn movement underneath the SR 84 bridge. Signage will be in place to assist motorists.
- SR 820/Hollywood Boulevard at SR 9/I-95 may have the shoulder closed in each direction daily as needed for directional bore operations.
- SR 818/Griffin Road, from Old Griffin Road and Anglers Avenue, may have up to two lanes closed in each direction nightly, 8:30 p.m. until 6 a.m., Sunday through Thursday.
- SR 848/Stirling Road, from Anglers Avenue and SW 18<sup>th</sup> Street, may have up to two lanes closed in each direction nightly from 8:30 p.m. until 6 a.m., Sunday through Thursday.

## **2. Advanced Wrong-Way Driving Safety Improvements Project in Broward County**

**Description:** Project improvements include installing flashing beacons, wrong-way signage, and Intelligent Transportation System (ITS) devices at 23 exit ramps to enhance safety by detecting wrong-way drivers and preventing serious injury crashes on the State Highway System; integrating the wrong-way driving detecting system/ITS with the Regional Transportation Management Center (RTMC) to aid in alerting motorists and notifying law enforcement; and upgrading wrong-way signage and pavement markings to preserve the service life of the road and enhance visibility. For more information, please contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or [abreedlove@corrado.com](mailto:abreedlove@corrado.com).

**Cost/Completion:** \$5,626,065/Summer 2025

### **Ramps Impacts:**

- The SR 862/I-595 westbound exit ramp to Pine Island Road will have one lane closed to traffic nightly, as needed, 9 p.m. until 5 a.m., Monday, Aug. 18 through Thursday, Aug. 21, for wrong way detection system pole installation. Monday night, Aug. 25, through Thursday night, Aug. 28, will be reserved as the contingency nights if needed.
- The SR 862/I-595 westbound exit ramp to Hiatus Road will have one lane closed to traffic nightly, as needed, 9 p.m. until 5 a.m., Monday, Aug. 18 through Thursday, Aug. 21, for wrong way detection system pole installation. Monday night, Aug. 25, through Thursday night, Aug. 28, will be reserved as the contingency nights if needed.
- **Advanced Notice:** The SR 862/I-595 westbound exit ramp to Pine Island Road will have one lane closed to traffic nightly, as needed, 9 p.m. until 5 a.m., Monday, Aug. 25 through Thursday, Aug. 28, for wrong way detection system pole installation. Monday night, Sep. 1, through Thursday night, Sep. 4, will be reserved as the contingency nights if needed.
- **Advanced Notice:** The SR 862/I-595 westbound exit ramp to Hiatus Road will have one lane closed to traffic nightly, as needed, 9 p.m. until 5 a.m., Monday, Aug. 25 through Thursday, Aug. 28, for wrong way detection system pole installation. Monday night, Sep. 1, through Thursday night, Sep. 4, will be reserved as the contingency nights if needed.
- [Please click here to visit the project webpage for more information.](#)

## **3. State Road (SR) 93/I-75/Alligator Alley Resurfacing, Restoration, and Rehabilitation (RRR) Project**

**Description:** Project improvements include milling and resurfacing the roadway within the project limits to ensure long-term resilience; installing guardrail within the project limits to ensure safety; and upgrading signing and pavement markings within the project limits to enhance nighttime visibility. For more information, please contact Community Outreach Specialist Jackie De Freitas at (561) 426-9721 or [jdefreitas@corrado.com](mailto:jdefreitas@corrado.com).

**Cost/Completion:** \$52,509,985/Fall 2026

### **Traffic Impacts:**

- The outside or inside lane/shoulder in each direction of SR 93/I-75/Alligator Alley

from the Everglades Toll Plaza to Mile Post (MP) 31.261 will be closed as needed nightly, 9 p.m. until 11 a.m., Sunday through Friday, for roadway paving, clearing and grubbing operations, and guardrail installation at select bridge locations.

- Please be advised that the outside and inside lanes will not be closed simultaneously.
  - Outside and inside lane/shoulder closures for guardrail replacement will be restricted to one bridge at a time.
  - During nighttime operations along the outside lanes in each direction of SR 93/I-75/Alligator Alley, the entrance and exit ramps to select recreational areas/boat ramps may be temporarily closed as part of the roadway paving operation.
    - Please be advised that the closures of select recreational areas/boat ramps will be restricted to one location at a time
- The outside or inside lane/shoulder in each direction of SR 93/I-75/Alligator Alley from MP 31.261 to the Broward/Collier County, with minimal encroachment into Collier County, will be closed as needed from Sunday through Friday, for roadway paving operations and guardrail installation at select bridge locations.
    - Please be advised that the outside and inside lanes will not be closed simultaneously.
    - Outside and inside lane/shoulder closures for guardrail replacement will be restricted to one bridge at a time.
    - During nighttime operations along the outside lanes in each direction of SR 93/I-75/Alligator Alley, the entrance and exit ramps to select recreational areas/boat ramps may be temporarily closed as part of the roadway paving operation.
      - Please be advised that the closures of select recreational areas/boat ramps will be restricted to one location at a time.

#### **4. State Road (SR) 838/Sunrise Boulevard at SR 9/I-95 Interchange Improvements and Resurfacing, Restoration, and Rehabilitation (RRR) Project**

**Description:** The project improvements include widening SR 838/Sunrise Boulevard at the SR 9/I-95 Interchange overpass to accommodate dual right turn lanes onto northbound and southbound SR 9/I-95 to improve vehicular capacity and operations; widening the southbound SR 9/I-95 (Exit 29) off-ramp to accommodate triple left and triple right turn lanes onto SR 838/Sunrise Boulevard to improve vehicular capacity and operations; milling and resurfacing the existing roadway within the project limits to ensure long-term infrastructure resilience; installing new light poles with LED fixtures at the SR 9/I-95 Interchange to enhance nighttime visibility; installing Wrong-Way Driver detection systems on all ramps at the SR 9/I-95 Interchange to improve vehicular safety; upgrading existing signalization features to improve pushbutton accessibility and enhance pedestrian safety; adding a shared-use path on the SR 838/Sunrise Boulevard bridge over SR 9/I-95 to enhance pedestrian connectivity; and upgrading sidewalk curb

ramps, pavement markings, and signage to enhance visibility and accessibility. For more information, please contact the Community Outreach Specialist Angel Breedlove at (786) 494-6211 or [abreedlove@corradino.com](mailto:abreedlove@corradino.com).

**Cost/Completion:** \$55,449,488/Early 2029

**Traffic Impacts:**

**SR 9/I-95 Traffic Impacts:**

- **Southbound SR 9/I-95 Full Closure:** All lanes of southbound SR 9/I-95 at SR 838/Sunrise Boulevard will be closed to traffic nightly as needed, from 8 p.m. until 6 a.m. beginning Sunday, Aug. 17, through Thursday, Aug. 21. This closure is necessary to allow crews to safely begin bridge deck saw cut and removal.
  - During the full closure, southbound SR 9/I-95 traffic will be detoured via the exit ramp to westbound SR 838/Sunrise Boulevard, southbound Martin Luther King Jr. Avenue, and eastbound SR 842/Broward Boulevard to access the SR 9/I-95 southbound entrance ramp. To ensure motorists and crew safety, the ingress to the SR 9/I-95 southbound managed lanes at SR 838/Sunrise Boulevard will be closed from 8 p.m. until 6 a.m. Motorists may enter the managed lanes at the SR 842/Broward Boulevard ingress. The Florida Highway Patrol (FHP) will be on site to assist with traffic control, and detour signage will be in place to guide motorists safely through the area. [Please click the link to view the detour flyer.](#)
- **Southbound SR 9/I-95 Advanced Full Closure:** All lanes of southbound SR 9/I-95 at SR 838/Sunrise Boulevard will be closed to traffic nightly as needed, from 8 p.m. until 6 a.m. beginning Sunday, Aug. 24, through Thursday, Aug. 28. This closure is necessary to allow crews to safely begin bridge deck saw cut and removal.
  - During the full closure, southbound SR 9/I-95 traffic will be detoured via the exit ramp to westbound SR 838/Sunrise Boulevard, southbound Martin Luther King Jr. Avenue, and eastbound SR 842/Broward Boulevard to access the SR 9/I-95 southbound entrance ramp. To ensure motorists and crew safety, the ingress to the SR 9/I-95 southbound managed lanes at SR 838/Sunrise Boulevard will be closed from 8 p.m. until 6 a.m. Motorists may enter the managed lanes at the SR 842/Broward Boulevard ingress. The Florida Highway Patrol (FHP) will be on site to assist with traffic control, and detour signage will be in place to guide motorists safely through the area. [Please click the link to view the detour flyer.](#)
- SR 9/I-95 northbound express lane from SR 838/Sunrise Boulevard to SR 842/Broward Boulevard, may have one lane closed nightly as needed, 8 p.m. until 6 a.m., Sunday, Aug. 17 through Thursday, Aug. 21 and Sunday, Aug. 24 through Thursday, Aug. 28.

**SR 838/Sunrise Boulevard Impacts:**

- Westbound SR 838/Sunrise Boulevard from NW 5<sup>th</sup> Avenue to NE 2<sup>nd</sup> Avenue will have one lane closed nightly as needed, 9 p.m. until 7 a.m., Sunday, July 20 through Wednesday, Aug. 20, for curb and gutter, signalization, and ADA ramp improvements.
- Westbound SR 838/Sunrise Boulevard from NW 5<sup>th</sup> Avenue to NE 2<sup>nd</sup> Avenue will have one lane closed daily as needed, 10 a.m. until 6 p.m., Sunday, July 20

through Wednesday, Aug. 20, for curb and gutter, signalization, and ADA ramp improvements.

- Westbound SR 838/Sunrise Boulevard from NE 2<sup>nd</sup> Avenue to NE 7<sup>th</sup> Avenue will have one lane closed nightly as needed, 9 p.m. until 7 a.m., beginning Sunday, July 27, through Wednesday, Aug. 27, for curb and gutter, signalization, and ADA ramp improvements.
- Westbound SR 838/Sunrise Boulevard from NE 2<sup>nd</sup> Avenue to NE 7<sup>th</sup> Avenue will have one lane closed daily as needed, 10 a.m. until 6 p.m., beginning Sunday, July 27, through Wednesday, Aug. 27, for curb and gutter, signalization, and ADA ramp improvements.
- SR 838/Sunrise Boulevard from just west of SR 9/I-95 to SR 5/US 1 may have up to two lanes intermittently closed, one direction at a time, nightly as needed, 9 p.m. until 7 a.m., Monday through Friday.

#### **5. State Road (SR) 84/I-595 Corridor Resurfacing Project**

**Description:** The Florida Department of Transportation (FDOT) will begin the I-595 Corridor Resurfacing Project in mid-June 2025. This major infrastructure effort includes repaving and restriping I-595 and State Road 84 from I-75 to I-95, covering the Express Lanes, General Purpose Lanes, and adjacent segments of State Road 84. The project is designed to extend the service life of the pavement and improve safety for all roadway users. Construction will be performed in phases to minimize disruptions and will occur at night to reduce impacts to daytime traffic. Access to properties along the corridor will be maintained throughout the duration of the work. FDOT remains committed to working closely with the community to ensure transportation improvements reflect local needs and long-term goals. For more information, please contact FDOT Project Manager Kris McKirdy at (954) 777-4586 or [kris.mckirdy@dot.state.fl.us](mailto:kris.mckirdy@dot.state.fl.us).

**Cost/Completion:** \$20 Million / Spring 2029

#### **Traffic Impacts:**

- Eastbound I-595 general purpose lanes from 136<sup>th</sup> Avenue to Davie Road to be closed on selected nights, from Sunday, August 17, through Thursday, August 28. The first lane will close at 9 p.m., the second lane at 9:30 p.m., and the third lane at 10:00 p.m., with all lanes reopening by 5 a.m.
- Detours, including impacted on- and off-ramps, remain in place along Eastbound State Road 84 from SW 136<sup>th</sup> Avenue to Davie Road and the I-75 and Sawgrass Expressway entrance ramps. Ongoing milling and resurfacing activities may be impacted by weather conditions.
- Eastbound I-595 from 136<sup>th</sup> Avenue to Davie Road may have up to three lanes closed on select nights, projected to begin Sunday, August 10, 2025 through Thursday, August 28, 2025. The first lane will close at 9:00 p.m., the second lane at 9:30 p.m., and the third lane at 10 p.m., with all lanes reopening by 5:00 a.m.
- In addition to ongoing maintenance activities, the I-595 Resurfacing Project began on Sunday, June 22, 2025.

## **NORTH BROWARD**

***(Coconut Creek, Coral Springs, Deerfield Beach, Fort Lauderdale, Hillsboro Beach, Lauderdale Lakes, Lauderdale-By-The-Sea, Lauderhill, Lazy Lake, Lighthouse Point, Margate, North Lauderdale, Oakland Park, Parkland, Plantation, Pompano Beach, Sea Ranch Lakes, Sunrise, Tamarac, Wilton Manors)***

### **6. State Road (SR) 9/I-95 Mobility Hub at Cypress Creek Road in Fort Lauderdale**

**Description:** Project improvements include: milling and resurfacing the roadway; modifying the median on Cypress Creek Road; adding a 10-foot shared use path; installing new sidewalks along the northside of the NW 59<sup>th</sup> Court and in each direction of North Andrews Way; upgrading existing lighting to LED fixtures; installing new mast arms at the intersection of Cypress Creek Road and SR 845/Powerline Road; upgrading pedestrian signals at all signalized intersections; upgrading signage and pavement markings; and installing new landscape. For more information, please contact Community Outreach Specialist Jackie De Freitas at (561) 426-9721 or [jdefreitas@corradino.com](mailto:jdefreitas@corradino.com).

**Cost/Completion:** \$8,148,235/ **The project was Final Accepted on Aug. 1, 2025.**

**Traffic Impacts:**

- All lanes open.

### **7. Floranada Road/NE 45<sup>th</sup> Street Sidewalk Connectivity Project in Oakland Park and Fort Lauderdale**

**Description:** Project improvements include adding new sidewalks within project limits to enhance safety and connectivity for pedestrians; milling and resurfacing the existing roadway from NE 44<sup>th</sup> Place to the Florida East Coast (FEC) Railroad and from NE 18<sup>th</sup> Avenue to SR 5/US 1/North Federal Highway to ensure long-term infrastructure resilience; installing new drainage to ensure long-term resilience; upgrading existing pedestrian signals and lighting at the intersection of Floranada Road/NE 45<sup>th</sup> Street and SR 5/US 1/North Federal Highway to enhance pedestrian safety and nighttime visibility; upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. For more information, please contact Community Outreach Specialist Jackie De Freitas at (561) 426-9721 or [jdefreitas@corradino.com](mailto:jdefreitas@corradino.com).

**Cost/Completion:** \$1,950,676/Late 2025

**Traffic Impacts:**

- Floranada Road/NE 45<sup>th</sup> Street will have one lane closed daily as needed, 10 a.m. until 6 p.m., Monday through Friday for drainage operations. Flagging operations will be used as needed.
- **Parking notice:** Access to on-street parking may be impacted due to drainage installation. To minimize impacts to the public, on-street parking will be closed in sections until drainage work is completed. Affected parking spots will be identified and marked in advance. Businesses and residents will be notified by the project team.

## **8. Henry E. Kinney Tunnel Improvements and Pedestrian Plaza Project in Fort Lauderdale**

**Description:** Project improvements include rehabilitating the structural, mechanical, electrical, architectural, and life safety components of the Henry E. Kinney Tunnel; milling and resurfacing SR 5/US 1 from Rio Vista Boulevard to the south of the Tunnel; installing Intelligent Transportation Systems (ITS) along SR 5/US 1; extending the tunnel top to accommodate a pedestrian plaza which will include new fountains, seating facilities, re-designed brick pavers, artificial turf and landscape installation, and reconstructing the intersection of Las Olas Boulevard at SE 6<sup>th</sup> Avenue. For more information, contact Community Outreach Specialist Daniela Silva at (786) 441-3088 or [msilva@corradino.com](mailto:msilva@corradino.com).

**Cost/Completion:** \$28.4 million/ **The project was Final Accepted on Aug. 8, 2025**

**Traffic Impacts:**

## **9. State Road (SR) A1A Advanced Transportation Management System (ATMS) Implementation Project in Fort Lauderdale**

**Description:** The project improvements include upgrading and installing a new fiber optic network; installing Intelligent Transportation System (ITS) devices including Closed-Circuit Television Cameras (CCTV) controlled by wireless network devices; installing Bluetooth travel time devices along the corridor; installing two Arterial Dynamic Messaging Signs (ADMS); upgrading Traffic Signal Vehicle Detection Systems along the corridor; upgrading the signalization including vehicle detection system, new traffic controller and modifying existing traffic controllers; and removing and reinstalling existing pavers where impacted by construction. For more information, contact Community Outreach Specialist Jackie De Freitas at (561) 426-9721 or [jdefreitas@corradino.com](mailto:jdefreitas@corradino.com).

**Cost/Completion:** \$9,138,494/Fall 2025

**Traffic Impact:**

- SR A1A/Seabreeze Boulevard, between Sunrise Boulevard and Harbor Drive, may have one lane intermittently closed in each direction nightly, as needed, 9 p.m. until 7:30 a.m.
- SE 17<sup>th</sup> Street, between SR 5/US 1/Federal Highway and Harbor Drive, may have one lane intermittently closed nightly as needed, 11 p.m. until 7 a.m.
- Sunrise Boulevard, between southbound SR 5/US 1/Federal Highway and SR A1A/Seabreeze Boulevard, will have one lane closed nightly as needed, 9 p.m. until 7:30 a.m.
- Las Olas Boulevard between northbound and southbound Seabreeze Boulevard may have one lane intermittently closed daily, as needed, 9 a.m. until 5 p.m.
- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.

## **10. Broward County Lighting Improvements Project from State Road (SR) 858/Hallandale Beach Boulevard, and SR 5/US 1 in Hallandale Beach, Dania Beach, West Park, and the Town of Pembroke Park**

**Description:** Project improvements include upgrading existing lighting to LED fixtures and retrofitting throughout the project corridors from SR 858/Hallandale Beach Boulevard and SR 5/US 1. For more information, please contact Assistant Community Outreach Specialist Alejandra Pozo at (561) 690-1807 or [apozo@corradino.com](mailto:apozo@corradino.com).

**Cost/Completion:** \$1,247,247/Spring 2025

**Traffic Impact:**

- Northbound SR 5/US 1 from SE 3<sup>rd</sup> Street to NE 1<sup>st</sup> Street will have one lane intermittently closed daily as needed, Monday through Friday, for light pole installation.
- Northbound SR 5/US 1 from SE 3<sup>rd</sup> Street to NE 1<sup>st</sup> Street may have a sidewalk closure as needed for light pole installation.

**11. Copans Road Mobility Improvements Project from State Road (SR) 7/US 441 to NW 49<sup>th</sup> Terrace in Coconut Creek and Margate**

**Description:** The project improvements include reconstructing the existing roadway and sidewalk to accommodate a 9-foot Shared Used Path along project limits; improving drainage along project limits; upgrading pedestrian signalization on Copans Road at SR 7/US 441 and Banks Road; and upgrading curb ramps, signing, and pavement markings along project limits. For more information, please contact the Assistant Community Outreach Specialist, Alejandra Pozo at (561) 690-1807 or [apozo@corradino.com](mailto:apozo@corradino.com).

**Cost/Completion:** \$4,964,677/Fall 2025

**Traffic Impact:**

- Westbound Copans Road from Banks Road to SR 7/US 441 will have one lane closed, 9 a.m. to 4 p.m., Monday through Friday for drainage installation and shared use path construction. Signage will be in place to assist motorists.
- Eastbound Copans Road from Banks Road to Hammock Boulevard will have one lane closed, 9 a.m. to 4 p.m., Monday through Friday for drainage installation and shared use path construction. Signage will be in place to assist motorists.
- Westbound Copans Road from SR 7/US 441 to NW 49<sup>th</sup> Terrace will have one lane closed around the clock for drainage and sidewalk operations. Signage will be in place to assist motorists.

**12. Davie Boulevard Extension/Peters Road Resurfacing, Restoration, and Rehabilitation (RRR) Project in Plantation**

**Description:** The project improvements consist of milling and resurfacing the existing roadway within the project limits to ensure long-term infrastructure resilience; constructing raised medians from SW 46<sup>th</sup> Avenue to SR 7/US 441; installing drainage from SW 46<sup>th</sup> Avenue to SR 7/US 441 to enhance long-term infrastructure resilience; upgrading existing pedestrian signals at signalized intersections to improve push button accessibility; upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. For more information, contact Community Outreach Specialist Jackie De Freitas at (561) 426-9721 or [jdefreitas@corradino.com](mailto:jdefreitas@corradino.com).

**Cost/Completion:** \$2,565,294/Fall 2025

**Traffic Impact:**

- Single lane closures along Davie Boulevard Extension/ Peters Road in each

direction will be implemented as needed for drainage installation and median construction.

### **13. State Road (SR) 7/US 441 Transit Corridor Improvements Project (Group 6) in Margate, North Lauderdale, and Pompano Beach**

**Description:** Project improvements along **Kimberly Boulevard** consist of milling and resurfacing the roadway within the project limits to ensure long-term infrastructure resilience; upgrading existing pedestrian signals at signalized intersections within the project limits to improve push button accessibility; modifying the median to extend the eastbound left turn lane at SR 7/US 441 for additional vehicular storage capacity; and upgrading curb ramps, pavement markings, and signage within the project limits to improve visibility and accessibility. Project improvements along **SW 11<sup>th</sup> Street** consist of milling and resurfacing the roadway from SR 7/US 441 to the Oakland Hills Apartments' west entrance to ensure long-term infrastructure resilience; modifying the median to extend the westbound left turn lane at SR 7/US 441 for additional vehicular storage capacity; adding a continuous concrete sidewalk from east of SW 55<sup>th</sup> Avenue to west of 50<sup>th</sup> Avenue for pedestrian connectivity; and upgrading curb ramps, pavement marking, and signage within the project limits to improve visibility and accessibility. Project improvements along **Dr. Martin Luther King Jr. Boulevard/Hammondville Road** consist of milling and resurfacing the roadway within the project limits to ensure long-term infrastructure resilience; minor roadway widening throughout the project limits to accommodate bicycle lanes in both directions; and upgrading the existing lighting under the SR 9/I-95 bridge to enhance nighttime visibility. For more information, please contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or [abreedlove@corradino.com](mailto:abreedlove@corradino.com).

**Cost/Completion:** \$4,897,438/Summer 2026

#### **Traffic Impacts:**

- Kimberly Boulevard from SW 81<sup>st</sup> Avenue to SW 69<sup>th</sup> Avenue and from SW 10<sup>th</sup> Court to SR 7/US 441 will have one lane intermittently closed in each direction daily as needed, 8 a.m. until 6 p.m.
- SW 11<sup>th</sup> Street from SR 7/US 441 to SW 10<sup>th</sup> Street/SW 49<sup>th</sup> Terrace will have one lane intermittently closed in any one direction at a time daily as needed, 8 a.m. until 6 p.m.
- Dr. Martin Luther King Jr. Boulevard/Hammondville Road from NW 12<sup>th</sup> Avenue to NW 10<sup>th</sup> Avenue will have one lane intermittently closed in each direction daily as needed, 8 a.m. until 6 p.m.

### **14. State Road (SR) 7/US 441 Transit Corridor Improvements Project (Group 7) in Lauderhill and Lauderdale Lakes**

**Description:** Project improvements along **NW 16<sup>th</sup> Street** consist of milling and resurfacing the existing roadway from NW 43<sup>rd</sup> Avenue to SR 7/US 441 to ensure long-term resilience; minor roadway widening throughout project limits to accommodate 5-foot bicycle lanes; adding a continuous 5-foot concrete sidewalk in each direction within project limits to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. Project improvements along **NW 19<sup>th</sup> Street** consist of milling and resurfacing the existing

roadway from NW 47<sup>th</sup> Avenue to SR 7/US 441 to ensure long-term resilience; minor roadway widening throughout project limits to accommodate 5-foot bicycle lanes; adding a continuous 5-foot concrete sidewalk in each direction within project limits to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. Project improvements along **NW 26<sup>th</sup> Street** consist of milling and resurfacing the existing roadway from NW 49<sup>th</sup> Avenue to NW 46<sup>th</sup> Avenue and NW 42<sup>nd</sup> Avenue to SR 7/US 441 to ensure long-term resilience; minor roadway widening throughout project limits to accommodate 5-foot bicycle lanes; adding a continuous 5-foot concrete sidewalk in each direction within project limits to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. For more information, please contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or [abreedlove@corradino.com](mailto:abreedlove@corradino.com).

**Cost/Completion:** \$5,530,214/Fall 2026

**Traffic Impacts:**

- NW 16<sup>th</sup> Street from NW 49<sup>th</sup> Avenue to SR 7/US 441 may have one lane intermittently closed in each direction daily, as needed, 7 a.m. until 7 p.m.
- NW 19<sup>th</sup> Street from NW 49<sup>th</sup> Avenue to SR 7/US 441 may have one lane intermittently closed in each direction daily, as needed, 7 a.m. until 7 p.m.
- NW 26<sup>th</sup> Street from NW 49<sup>th</sup> Avenue to SR 7/US 441 may have one lane intermittently closed in each direction daily, as needed, 7 a.m. until 7 p.m.

**15. Loxahatchee Road Mobility Improvements Project in Parkland**

**Description:** Project improvements include upgrading drainage; widening the road to accommodate bike lanes; creating a continuous sidewalk on the south side of the road; constructing roundabouts at Nob Hill Road, SR 817/North University Drive, and Parkside Drive; adding an additional eastbound left turn lane onto SR 7/US 441; milling and resurfacing the roadway; and upgrading signage and pavement markings. For more information, please contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or [abreedlove@corradino.com](mailto:abreedlove@corradino.com).

**Cost/Completion:** \$33,480,584/Early 2027

**Traffic Impacts:**

- Eastbound and westbound traffic along Loxahatchee Road at Parkside Drive will have a traffic shift to accommodate the construction work zone on the southwest portion of the roundabout.
  - All traffic movements are fully operational as of Noon on Aug. 8.

**16. State Road (SR) 810/Hillsboro Boulevard Resurfacing, Restoration, and Rehabilitation (RRR) Project in Coconut Creek and Deerfield Beach**

**Description:** Project improvements include milling and resurfacing the roadway along the project limits to enhance infrastructure resilience and safety for the community; modifying existing pavement markings along SR 810/Hillsboro Boulevard to accommodate a 7-foot dedicated bicycle lane in each direction; installing new mast arms at the intersection of SR 810/Hillsboro Boulevard and Lyons Road; upgrading existing lighting to LED fixtures along the project limits to enhance visibility and nighttime safety; and upgrading curb ramps, pavement markings, and signage within

the project limits to improve visibility and connectivity. For more information, please contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or [abreedlove@corradino.com](mailto:abreedlove@corradino.com).

**Cost/Completion:** \$7,765,433/ The project was Final Accepted on Aug. 1, 2025

**Traffic Impacts:**

- All lanes open

### **17. State Road (SR) 7/US 441 at Royal Palm Boulevard/West Copans Road Intersection Improvements Project in Margate**

**Description:** Project improvements include milling and resurfacing the roadway within the project limits to ensure long-term infrastructure resilience; constructing a right-turn lane along southbound SR 7/US 441 to westbound Royal Palm Boulevard/West Copans Road to improve vehicular capacity and mobility; modifying the median to extend the eastbound Royal Palm Boulevard/West Copans Road left-turn lane to northbound SR 7/US 441 for additional vehicular storage capacity; upgrading the existing traffic signals with mast arms to enhance long-term infrastructure durability and resilience; installing 10 new light poles and upgrading existing fixtures to LED lighting to enhance nighttime visibility and safety; and upgrading curb ramps, pavement markings, and signage within the project limits to improve visibility and connectivity. For more information, please contact Assistant Community Outreach Specialist Alejandra Pozo at (561)-690-1807 or [apozo@corradino.com](mailto:apozo@corradino.com).

**Cost/Completion:** \$3,974,098/Summer 2026

**Traffic Impacts:**

- SR 7/US 441 will have up to two lanes closed in each direction nightly, as needed, 8 p.m. until 6 a.m., Sunday through Thursday.
- SR 7/US 441 will have one lane closed in each direction daily, as needed, 6 a.m. until 4 p.m., Monday through Friday.
- Royal Palm Boulevard/West Copans Road will have one lane closed in each direction daily, as needed, 6 a.m. until 11 a.m. Monday through Friday.
- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.

### **18. State Road (SR) 834/West Sample Road Resurfacing, Restoration, and Rehabilitation (RRR) Project**

**Description:** Project improvements include milling and resurfacing the existing roadway within the project limits to ensure long-term resilience; upgrading sidewalks, curb ramps, pavement markings, and signage to improve visibility and accessibility; upgrading existing pedestrian signals at the intersections of SR 834/West Sample Road at Holiday Springs Boulevard and 1800 Block (Costco entrance) to improve pushbutton accessibility and pedestrian safety; and upgrading existing street light poles to LED fixtures throughout the project corridor to enhance nighttime visibility and pedestrian safety. For more information, please contact the Assistant Community Outreach Specialist Alejandra Pozo at (561) 690-1807 or [apozo@corradino.com](mailto:apozo@corradino.com).

**Cost/Completion:** \$8,489,802/Summer 2025

**Traffic Impacts:**

- SR 834/West Sample Road from SR 845/Powerline Road to Military Trail will have one lane closed in each direction daily, as needed, 9 a.m. until 3 p.m., Monday through Friday.

**19. State Road (SR) 870/Commercial Boulevard Road Resurfacing, Restoration, and Rehabilitation (RRR) and Intelligent Transportation System (ITS) Improvements Project**

**Description:** Project improvements include milling and resurfacing the existing roadway from SR 845/Powerline Road to SR A1A/North Ocean Drive to ensure long-term resilience; installing Intelligent Transportation System (ITS) devices and upgrading Adaptive Traffic Signal Control (ATSC) cameras and Dynamic Messaging Signs (DMS) throughout the project limits; constructing a new mid-block pedestrian crosswalk at the intersection of SR 870/Commercial Boulevard and NE 26<sup>th</sup> Avenue to enhance safety and connectivity for pedestrians; upgrading the signalization from span wire to mast arms at the intersection of SR 870/Commercial Boulevard and Woodlands Boulevard; improving pedestrian signals at various signalized intersections throughout the project limits to enhance push button accessibility; upgrading existing light poles with new LED fixtures and installing additional light poles throughout the project limits to improve nighttime visibility; and upgrading sidewalks, driveways, curb ramps, pavement markings, and signage to improve visibility and accessibility. For more information, please contact the Community Outreach Specialist Angel Breedlove at (786) 494-6211 or [abreedlove@corradino.com](mailto:abreedlove@corradino.com).

**Cost/Completion:** \$25,712,321/Early 2027

**Traffic Impacts:**

- Westbound and/or eastbound SR 870/Commercial Boulevard from SR 817/University Drive to SR A1A/North Ocean Drive will have up to two lanes intermittently closed, daily as needed, 9 a.m. until 4 p.m., and nightly as needed, 7 p.m. until 6 a.m., for directional bore and concrete work.
- Westbound and/or eastbound SR 870/Commercial Boulevard from SR 845/Powerline Road to SR A1A/North Ocean Drive will have two lanes intermittently closed, nightly as needed, 7 p.m. until 6 a.m., for manhole and valve adjustments.
- SR 870/Commercial Boulevard from SR 817/N University Drive to US 1/N Federal Highway will one lane intermittently closed in each direction nightly as needed, 7 p.m. until 6 a.m., Monday through Thursday, for ITS pull box installation.
- The northbound and/or southbound lane of US 1/N Federal Highway at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for traffic signalization and concrete work.
- The northbound and/or southbound lane of SR 811/Dixie Highway at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for traffic signalization and concrete work.
- The northbound and/or southbound lane of NE 15<sup>th</sup> Avenue at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for concrete work.

- The northbound and/or southbound lane of NE 6<sup>th</sup> Avenue at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for traffic signalization and concrete work.
- The northbound and/or southbound lane of NE 3<sup>rd</sup> Avenue at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for concrete work.
- The northbound and/or southbound lane of NW 31<sup>st</sup> Avenue at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for signalization work.
- The northbound and/or southbound lane of NW 37<sup>th</sup> Avenue at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for signalization work.
- The northbound and/or southbound lane of NW 47<sup>th</sup> Terrace at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for signalization work.
- The northbound and/or southbound lane of NW 49<sup>th</sup> Avenue at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for signalization work.
- The northbound and/or southbound lane of NW 50<sup>th</sup> Terrace at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for signalization work.
- The northbound and/or southbound lane of Mainland Drive at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for signalization work.
- The northbound and/or southbound lane of Rock Island Road at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for signalization work.
- The northbound and/or southbound lane of Prospect Road at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for signalization work.
- The northbound and/or southbound lane of Woodlands Boulevard at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for lighting operations.
- The northbound and/or southbound lane of Andrews Avenue at SR 870/Commercial Boulevard will be closed, daily as needed, 9 a.m. until 4 p.m., Monday through Saturday, for lighting operations.
- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.

**20. State Road (SR) 844/NE 14<sup>th</sup> Street Resurfacing, Restoration, and Rehabilitation (RRR) Project in Pompano Beach**

**Description:** The project improvements include milling and resurfacing the existing roadway within the project limits to ensure long-term infrastructure resilience; upgrading pedestrian signals at SR 5/US 1/Federal Highway and NE 23<sup>rd</sup> Avenue to improve pushbutton accessibility; upgrading existing light poles with LED fixtures at SR 5/US 1/Federal Highway and NE 23<sup>rd</sup> Avenue to improve safety and enhance nighttime

visibility; upgrading concrete sidewalks, curb ramps, pavement markings, and signage to enhance visibility and accessibility. For more information, please contact the Assistant Community Outreach Specialist Alejandra Pozo at (561) 690-1807 or [apozo@corradino.com](mailto:apozo@corradino.com).

**Cost/Completion:** \$1,641,694/Spring 2025

**Traffic Impacts:**

- Eastbound SR 844/NE 14<sup>th</sup> Street from SR 5/US 1/Federal Highway to NE 14<sup>th</sup> Street bridge will have one lane closed as needed, 8 a.m. until 11 p.m., Monday through Friday, for milling and paving.
- Northbound SR 5/US /Federal Highway on NE 14th Street will have one right turn lane closed, daily as needed, for water line repairs.
- Southbound SR 5/US /Federal Highway on NE 14th Street will have one left turn lane closed, daily as needed, for water line repairs.

**21. A1A Intersection Improvements Project in Fort Lauderdale**

**Description:** Project improvements include constructing a signalized mid-block pedestrian crosswalk at the intersection of SR A1A/North Fort Lauderdale Beach Boulevard and NE 14<sup>th</sup> Court to enhance safety and connectivity for pedestrians, installing two new traffic signal mast arms at the intersection of SR A1A/North Ocean Boulevard and NE 27<sup>th</sup> Street, constructing new crosswalks and pedestrian signals at the intersection of SR A1A/North Ocean Boulevard and NE 27<sup>th</sup> Street to enhance pedestrian safety, milling and resurfacing the roadway along the project limits to enhance infrastructure resilience and safety for the community, retrofitting existing light poles and upgrading to wildlife-friendly amber LED lighting to enhance nighttime visibility and improve safety, and upgrading curb ramps, pavement markings, and signage within the project limits to improve visibility and connectivity. For more information, please contact Community Outreach Specialist Angel Breedlove at (786) 494-6211 or [abreedlove@corradino.com](mailto:abreedlove@corradino.com).

**Cost/Completion:** \$2,083,385/Spring 2026

**Traffic Impacts:**

- The intersection of SR A1A/North Ocean Boulevard and NE 27<sup>th</sup> Street may have lanes intermittently closed, daily as needed, 9 a.m. until 7 p.m.
- The intersection of SR A1A/North Fort Lauderdale Beach Boulevard and NE 14<sup>th</sup> Court may have lanes intermittently closed, nightly as needed, 9 p.m. until 8 a.m., Monday through Thursday.

**SOUTH BROWARD**

***(Cooper City, Dania Beach, Davie, Hallandale Beach, Hollywood, Miramar, Pembroke Pines, Southwest Ranches, West Park, Weston)***

**22. State Road (SR) A1A/South Ocean Boulevard Drainage Improvements Project in Hollywood**

**Description:** The project improvements include installing four stormwater pump stations and drainage structures near the intersections of SR A1A/South Ocean

Boulevard and Azalea Terrace, Van Buren Street, Sherman Street, and Franklin Street to enhance long-term infrastructure resilience; installing a seawall along SR A1A/South Ocean Boulevard from Sherman Street to SR 822/Sheridan Street, and from Palm Street to Walnut Street to enhance long-term infrastructure resilience; and reconstructing sidewalks and the roadway affected by pump station and seawall installation. For more information, contact the Community Outreach Specialist, Jackie De Freitas at (561) 426-9721 or [jdefreitas@corradino.com](mailto:jdefreitas@corradino.com).

**Cost/Completion:** \$34.3 million/Summer 2028

**Traffic Impacts:**

- The inside lane and turning lane of southbound SR A1A at Bougainvillea Terrace may be closed as needed, Monday through Friday.
- The outside lane of eastbound SR 822/Sheridan Street and the outside lane of southbound SR A1A/South Ocean Boulevard between SR 822/Sheridan Street and New Mexico Street will be closed through December 2025. This single lane closure is necessary to safely accommodate the work zone for drainage installation and roadway improvements.
  - Access to Hollywood North Beach Park will be maintained. Southbound SR A1A/South Ocean Boulevard from just north of SR 822/Sheridan Street to New Mexico Street will be reduced to one lane only.
  - The bicycle lanes in this segment will be closed during this phase of construction. Signage will be in place to guide motorists and pedestrians.

**23. State Road (SR) 848/Stirling Road Resurfacing, Restoration, and Rehabilitation (RRR) Project in Hollywood and Dania Beach**

**Description:** The project improvements include milling and resurfacing the existing roadway within the project limits to ensure long-term resilience; modifying the median traffic separator to accommodate 11-foot turn lanes within the project limits; installing new mast arms on SR 848/Stirling Road at the intersections of North Park Road, SW 33<sup>rd</sup> Avenue, and J.A. Ely Boulevard; upgrading pedestrian signals at signalized intersections to improve push button accessibility; upgrading signing and pavement markings within project limits to enhance nighttime visibility. For more information, please contact the Community Outreach Specialist Angel Breedlove at (786) 494-6211 or [abreedlove@corradino.com](mailto:abreedlove@corradino.com).

**Cost/Completion:** \$9,269,118/Fall 2025

**Traffic Impacts:**

- SR 848/Stirling Road from North 58<sup>th</sup> Avenue to North Federal Highway will have two lanes closed in each direction nightly, as needed, 8 p.m. until 7 a.m. for asphalt resurfacing. Traffic officers will be on site to assist with traffic control.
- SR 848/Stirling Road from North 58<sup>th</sup> Avenue to North Federal Highway will have one lane closed in each direction daily, as needed, from 10 a.m. until 12 p.m. for concrete pouring and signal operations.
- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.

**24. State Road (SR) 820/Pines Boulevard Resurfacing, Restoration, and Rehabilitation (RRR) Project in Pembroke Pines**

**Description:** Project improvements include milling and resurfacing the existing roadway within the project limits to ensure long-term resilience; adding a shared-use path along westbound SR 820/Pines Boulevard to enhance pedestrian mobility; upgrading the signalized mast arm and adding a second right-turn lane along westbound SR 820/Pines Boulevard at the intersection of NW 142<sup>nd</sup> Avenue/SW 145<sup>th</sup> Avenue to improve vehicular capacity and mobility; upgrading existing pedestrian signals throughout the project corridor to improve pushbutton accessibility; upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility; and installing new street light poles along westbound SR 820/Pines Boulevard to enhance nighttime visibility and pedestrian safety. For more information, please contact the Community Outreach Specialist, Jackie De Freitas at (561) 426-9721 or

[jdefreitas@corrado.com](mailto:jdefreitas@corrado.com).

**Cost/Completion:** \$9,458,464/Fall 2025

**Traffic Impact:**

- SR 820/Pines Boulevard from SR 93/I 75 to NW 118<sup>th</sup> Avenue will have one lane closed in each direction daily, as needed, 9 a.m., until 4 p.m. and nightly, as needed, 9 p.m. until 7 a.m., for signage installation and miscellaneous signal work.

#### **25. State Road (SR) 7/US 441 Transit Corridor Improvements Project (Group 8)**

**Description:** Project improvements along **SW 72<sup>nd</sup> Avenue** from SR 824/Pembroke Road to SW 9<sup>th</sup> Street include milling and resurfacing the existing roadway within the project limits to ensure long-term resilience; minor roadway widening throughout project limits to accommodate 5-foot bike lanes; removing foliage as necessary to construct a continuous concrete sidewalk throughout the corridor to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. Project improvements along **SW 25<sup>th</sup> Street** from SW 64<sup>th</sup> Avenue to SR 7/US 441 include removing foliage as necessary to construct a continuous concrete sidewalk throughout the corridor to enhance safety and connectivity for pedestrians; upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility; and constructing a new bus shelter at SR 7/US 441 and SW 25<sup>th</sup> Street. Project improvements along **SW 33<sup>rd</sup> Street** from SW 62<sup>nd</sup> Avenue to SR 7/US 441 include removing foliage as necessary to construct a continuous concrete sidewalk throughout the corridor to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. For more information, please contact the Assistant Community Outreach Specialist Alejandra Pozo at (561) 690-1807 or [apozo@corrado.com](mailto:apozo@corrado.com).

**Cost/Completion:** \$2,216,644/Early 2026

**Traffic Impact:**

- All lanes open.

#### **26. State Road (SR) 7/US 441 Transit Corridor Improvements Project (Group 9)**

**Description:** Project improvements along **SW 45<sup>th</sup> Street/Orange Drive from Florida's Turnpike to SR 7/US 441** include upgrading existing drainage structures to

improve long-term resilience and longevity of critical infrastructure; adding a continuous concrete sidewalk along the north side of SW 45<sup>th</sup> Street/Orange Drive to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. Project improvements along **Taft Street from SR 7/US 441 to North 40<sup>th</sup> Avenue** include milling and resurfacing the existing roadway within the project limits to ensure long-term resilience; upgrading existing drainage structures to improve long-term resilience and longevity of critical infrastructure; adding an 8-foot to 11-foot shared-use path along the north side of Taft Street to enhance safety and connectivity for pedestrians; and upgrading curb ramps, pavement markings, and signage to improve visibility and accessibility. For more information, please contact Community Outreach Specialist, Jackie De Freitas at (561) 426-9721 or [jdefreitas@corradino.com](mailto:jdefreitas@corradino.com).

**Cost/Completion:** \$3,298,227/Summer 2025

**Traffic Impacts:**

- All lanes are open along SW 45<sup>th</sup> Street/Orange Drive from SR 91/Florida's Turnpike to SR 7/US 441.
- Eastbound or westbound Taft Street from SR 7/US 441 to North 40<sup>th</sup> Avenue will be closed, as needed, 9 a.m. until 4 p.m., Monday through Saturday.
  - Crews continue removing select trees from public right-of-way along the north side of Taft Street in order to construct the new shared-use path.
  - During removal of larger trees, a single block detour will be implemented. Access to properties will be maintained by a flagging operation.

**27. State Road (SR) 814/Atlantic Boulevard Resurfacing, Restoration, and Rehabilitation (RRR) Project in Pompano Beach**

**Description:** Project improvements include milling and resurfacing the existing roadway within the project limits to enhance long-term resilience; upgrading bus shelter pads along the project limits to enhance mobility and accessibility; upgrading existing pedestrian signals at signalized intersections to improve push button accessibility and upgrading curb ramps, pavement markings, and signage to improve visibility and connectivity. For more information, please contact Assistant Community Outreach Specialist Alejandra Pozo at (561) 690-1807 or [apozo@corradino.com](mailto:apozo@corradino.com).

**Cost/Completion:** \$2,850,117/Fall 2025

**Traffic Impacts:**

- SR 814/Atlantic Boulevard from west of 27<sup>th</sup> Avenue to west of North Andrews Avenue may have partial lane closures in each direction, as needed, 9 a.m. until 7 p.m., Monday through Thursday, for signalization operations.

**28. State Road (SR) 823/Flamingo Road Resurfacing, Restoration, and Rehabilitation (RRR) Project in Pembroke Pines and Miramar**

**Description:** Project improvements include milling and resurfacing the existing roadway within the project limits to ensure long-term infrastructure resilience; constructing a right-turn lane along eastbound Pembroke Road to southbound SR 823/Flamingo Road to improve vehicular capacity and mobility; replacing the traffic signal mast arm at the northeast corner of Pembroke Road and SR 823/Flamingo Road to enhance traffic safety and mobility, and improve signal visibility; upgrading existing pedestrian signals

at signalized intersections to improve push button accessibility; upgrading concrete sidewalks, curb ramps, pavement markings, and signage to improve visibility and accessibility; and installing new light poles with LED fixtures at the intersections of Washington Street and Pembroke Road to improve safety and enhance nighttime visibility. For more information, please contact Assistant Community Outreach Specialist, Alejandra Pozo at (561) 690-1807 or [apozo@corradino.com](mailto:apozo@corradino.com).

**Cost/Completion:** \$3.1 million/Fall 2025

**Traffic Impacts:**

- SR 823/Flamingo Road from SR 820/Pines Boulevard to Pembroke Road will have one lane closed in each direction daily, as needed, 9 a.m. until 4 p.m., Sunday through Thursday, for concrete removal and roadway paving operations.
- Intermittent single lane closures of eastbound Pembroke Road may occur daily, as needed, 9 a.m. until 4 p.m., Sunday through Thursday, for concrete removal and roadway paving/widening operations.
- Signal operations may be impacted by project activities and are being monitored closely during construction for temporary adjustments to reduce congestion.

**29. State Road (SR) 7/US 441 Resurfacing, Restoration, and Rehabilitation (RRR) Project**

**Description:** Project improvements consist of milling and resurfacing the existing roadway within the project limits to ensure long-term infrastructure resilience; constructing a signalized mid-block pedestrian crosswalk at the intersection of SW 16<sup>th</sup> Street to enhance safety and connectivity for pedestrians; upgrading concrete sidewalks, curb ramps, pavement markings, and signage to improve visibility and accessibility; improving pedestrian signals at the intersection of SW 54<sup>th</sup> Court to enhance pushbutton accessibility; installing new and replacing existing light poles with LED fixtures throughout the project limits to improve safety and enhance nighttime visibility, and installing concrete barrier walls south of Orange Drive adjacent to canal C-11 to enhance safety. For more information, please contact the Community Outreach Specialist Angel Breedlove at (786) 494-6211 or [abreedlove@corradino.com](mailto:abreedlove@corradino.com).

**Cost/Completion:** \$8,525,000/Early 2026

**Traffic Impacts:**

- SR 7/US 441 from SR 848/Stirling Road to Orange Drive will have one lane closed in each direction daily and nightly, as needed, 9 a.m. until 3:30 p.m., and 9 p.m. until 7 a.m., Monday through Friday, for concrete and paving operations.
- SR 7/US 441 from SW 21<sup>st</sup> Street to NW 3<sup>rd</sup> Street will have one lane closed in each direction daily and nightly, as needed, 9 a.m. until 3:30 p.m., and 9 p.m. until 7 a.m., Monday through Friday, for concrete and paving operations.

**30. Palm Beach and Broward County Lighting Improvements Project**

**Description:** The project improvements include upgrading existing lighting systems with LED fixtures to enhance nighttime visibility along the project corridor and installing new light poles to enhance nighttime visibility and resiliency along the project corridors. For more information, please contact the Assistant Community Outreach Specialist, Alejandra Pozo at (561) 690-1807 or [apozo@corradino.com](mailto:apozo@corradino.com).

**Cost/Completion:** \$688,162/Late 2025

**Traffic Impact:**

- Northbound Griffin Road off-ramp and I-95 on-ramp, in Dania, may have one lane closed, daily as needed, 8 a.m. until 4 p.m., for lighting installation.
- Westbound Griffin Road and I-95 on ramp, in Dania, may have one lane closed, daily as needed, 8 a.m. until 4 p.m., for lighting installation.
- Westbound Griffin Road and Ravenswood Road, in Dania, may have one lane closed, daily as needed, 8 a.m. until 4 p.m., for lighting installation.
- Northbound Dixie Highway, in Fort Lauderdale, may have one lane closed, daily as needed, 8 a.m. until 4 p.m., for lighting installation.
- Westbound Cypress Creek Road, in Fort Lauderdale, may have one lane closed, daily as needed, 8 a.m. until 4 p.m., for lighting installation.
- Westbound Cypress Creek Road, in Fort Lauderdale, 8 a.m. until 4 p.m., may have one lane closed, daily as needed, 8 a.m. until 4 p.m., for lighting installation.

**MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS**

**For additional maintenance, utility, permit, and agency closures not listed below, please click this link: [Lcisy2](#)**

**INTERSTATES:**

Northbound I-95 Express at SR 824/Pembroke Road (Milepost 19), South Broward, 10:30 p.m. until 5 a.m., Thursday, August 15, 2025, partial shifting closure will be for toll equipment maintenance. For more information, please contact Sunwatch 877-786-3375.

Mobile operations will take place on Eastbound and Westbound I-595 throughout the project limits from 9 p.m. to 5 a.m. on Sunday, August 3, 2025, to Friday, August 15, 2025.

Mobile operations will take place on Eastbound and Westbound State Road 84 throughout the project limits from 9 p.m. to 5 a.m. on Sunday, August 3, 2025, to Friday, August 15, 2025.

Mobile operations will take place on Eastbound and Westbound I-595 throughout the project limits from 9 p.m. to 5 a.m. on Sunday, August 3, 2025, to Friday, August 15, 2025.

Mobile operations will take place on Eastbound and Westbound State Road 84 throughout project limits from 9 p.m. to 5 a.m. on Sunday, August 3, 2025, to Friday, August 15, 2025.

Ramp closure from Eastbound State Road 84 to Eastbound I-595 will be closed from 9 pm to 5 am on Monday, August 11, 2025, to Friday, August 15, 2025

Northbound I-95 in Hallandale, 9 a.m. to 4 p.m., will have a single right lane closed, Tuesday, August 19, for guardrail repairs. For more information, please contact Diana Bernal at (954)-654-5351.

Southbound I-75 before the exit ramp to Westbound Miramar, 9 a.m. to 4 p.m., will have a left lane closed, Friday, August 22, for guardrail repairs. For more information, please contact Diana Bernal at (954)-654-5351.

I-95 on-ramp Eastbound Oakland Park (SR 16), 9 a.m. to 4 p.m., Wednesday, August 20, will have a left lane closed, for guard rail repairs. For more information, please contact Diana Bernal at (954)-654-5351.

**NORTH BROWARD: (Coconut Creek, Coral Springs, Deerfield Beach, Fort Lauderdale, Hillsboro Beach, Lauderdale Lakes, Lauderdale-By-The-Sea, Lauderhill, Lazy Lake, Lighthouse Point, Margate, North Lauderdale, Oakland Park, Parkland, Plantation, Pompano Beach, Sea Ranch Lakes, Sunrise, Tamarac, Wilton Manors)**

FLL Airport Entrance, in Fort Lauderdale, 9 a.m. to 12 p.m. will have a single lane left lane closed, Tuesday, August 26, to perform sign maintenance operations. For more information, please contact Miguel Sosa at (954)-788-0969.

SR-848/Stirling Road (Crossing ID #628274P) from August 22, 2025, to August 27, 2025, for maintenance work on the South Florida Rail Corridor. The work includes track rehabilitation, rail repairs, and crossing surface replacement. Please see detour flyer attached.

A scheduled full road closure at SR-814/Atlantic Boulevard (Crossing ID #628177F) from 9 p.m. to 4 a.m., Friday, August 15th, through Thursday, August 21st, for maintenance work on the South Florida Rail Corridor. Please see detour flyer attached.

**SOUTH BROWARD: (Cooper City, Dania Beach, Davie, Hallandale Beach, Hollywood, Miramar, Pembroke Park, Pembroke Pines, Southwest Ranches, West Park, Weston)**
