FDOT Palm Beach County Traffic Report

January 24 - 31, 2025

PALM BEACH COUNTY, Fla. – Palm Beach County traffic will be affected this week by ongoing construction projects and maintenance work, Florida Department of Transportation (FDOT) officials report. Closures will be in effect on I-95 and in other areas throughout Palm Beach County for construction activities. Please note that any full road, ramp, or bridge closures have been **highlighted** below.

For around-the-clock, real-time, traffic information, visit www.fl511.com. To view real-time video of I-95 in Palm Beach County, visit the Florida Department of Transportation's Palm Beach SMART SunGuide Transportation Management Center (TMC) website at www.smartsunguide.com. FDOT and the SunGuide™ Partners provide these free services. For updated lane closure information, please refer to www.d4fdot.com. Follow us on X and Instagram @MyFDOT_SEFL, and Facebook @MyFDOTSEFL.

CONSTRUCTION PROJECTS INTERSTATE 95

1. Advanced Wrong-Way Driving Safety Improvements Project in Broward and Palm Beach County

Description: Installing flashing beacons, wrong-way signage, and Intelligent Transportation System (ITS) devices at 23 exit ramps to enhance safety by detecting wrong-way drivers and preventing serious injury crashes on the State Highway System; integrating the wrong-way driving detecting system/ITS with the Regional Transportation Management Center (RTMC) to aid in alerting motorists and notifying law enforcement; and upgrading wrong-way signage and pavement markings to preserve the service life of the road and enhance visibility. For more information, please contact Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or csgonzalez@corradino.com.

Cost/Completion: \$5,626,065/Summer 2025

Ramps Impacts:

- **Shoulder Closure Notice:** The SR 9/I-95 northbound and/or southbound exit ramp shoulders to the Palm Beach International Airport will be closed daily, as needed, 7 a.m. until 4 p.m., Monday through Friday.
- **Shoulder Closure Notice:** The SR 9/I-95 northbound and/or southbound exit ramp shoulders to Palmetto Park Road will be closed daily, as needed, 7 a.m. until 4 p.m., Monday through Friday.
- **Shoulder Closure Notice:** The SR 9/I-95 northbound and/or southbound exit ramp shoulders to 10th Avenue North will be closed daily, as needed, 7 a.m. until 4 p.m., Monday through Friday.
- **Shoulder Closure Notice:** The SR 9/I-95 northbound and/or southbound exit ramp shoulders to SR 882/Forest Hill Boulevard will be closed daily, as needed, 7 a.m. until 4 p.m., Monday through Friday.
- [Please click here to visit the project webpage for more information.](#)

2. SR 9/I-95 Bridge Improvements Project

Description: This 0.485-mile project on State Road (SR) 9/I-95 from 6th Avenue South to SR

802/Lake Worth Road in the city of Lake Worth Beach is anticipated to begin January 27, 2025. Work includes removing and reinstalling bridge joints and joint seals to enhance structural resiliency and ride quality. Additionally, the protective surface along the entire bridge will be removed and replaced to improve vehicle safety in all weather conditions. Please see the attached flyer for project information. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

Cost/Completion: \$3.9 million/Fall 2025

Traffic Impact: The outside lane of the SR 9/I-95 northbound on ramp at 6th Avenue South will be closed from 7 p.m. to 5 a.m., Monday through Thursday for resin overlay and replacement.

3. **SR 9/I-95 Northbound Off-Ramp at SR 706/Indiantown Road Improvements Project**

Description: This 1.446-mile project in Jupiter began on October 30, 2023. Improvements consist of milling and resurfacing the existing roadway, re-aligning the SR 9/I-95 northbound to SR 706/Indiantown Road eastbound off-ramp to a new signalized intersection, lengthening the eastbound SR 706/Indiantown Road left turn lane to northbound SR 9/I-95, widening eastbound SR 706/Indiantown Road to provide an additional through lane and a buffered bike lane in various locations from the Florida Turnpike entrance to Central Boulevard, widening westbound SR 706/Indiantown Road to provide an additional through lane and a bike lane from 67th Road North to SR 9/I-95, widening the Indiantown Road Bridge over the C-18 canal in both directions to provide an additional through lane, upgrading Wrong-Way Driving Countermeasures on the SR 9/I-95 northbound and southbound exit ramps, upgrading Digital Message Sign (DMS) structures on westbound SR 706/Indiantown Road between Island Way and 67th Road N, widening the I-95 northbound and southbound on-ramp acceleration lane, installing sidewalk along eastbound SR 706/Indiantown Road from the Florida Turnpike entrance to Island Way, upgrading curb ramps to meet Americans with Disability Act (ADA) standards, installing patterned pavement crosswalks at Central Boulevard, upgrading drainage, signage, lighting, signalization and pavement markings and upgrading Intelligent Transportation System (ITS) throughout the project corridor. For more information, please contact Community Outreach Specialist Meredith Cruz at (561) 589-9584 or mcruz@cruz-pr.com.

Cost/Completion: \$17.98 million/Summer 2025

I-95 Traffic Impacts:

- No I-95 mainline lane closures are expected.

Ramp Impacts:

- **Full Ramp Closures:**
 - The I-95 southbound exit ramp to eastbound Indiantown Road will close, 10 p.m. until 6 a.m., Wednesday night, Jan. 29, to pour concrete behind the permanent barrier wall. Traffic will be detoured via the I-95 southbound exit ramp to westbound Indiantown Road to U-turn at the light to head eastbound on Indiantown Road. If weather or unforeseen issues delay operations, the full ramp closure is expected to take place on Thursday night, Jan. 30.

Indiantown Road Impacts:

- The sidewalk on the south side of Indiantown Road from Island Way/68th Terrace North to just west of Central Boulevard will be closed for widening operations through January 2025. Pedestrians will be detoured to the north side of Indiantown Road at 67th Road North, 68th Terrace North and Central Boulevard.
- The northbound lane of Island Way/68th Terrace North is closed through January 2025 for signalization improvements. Motorists will be allowed to make left turn, thru, and right turns from the left turn lane.
- Up to two outside eastbound lanes of Indiantown Road from the Florida's Turnpike intersection to Central Boulevard will be closed nightly from 9 p.m. until 6 a.m., Sunday through Thursday, through January 2025. The first lane will close at 9 p.m. The second lane will close at 10 p.m.
- Up to two westbound outside lanes of Indiantown Road from 67th Road North to the Florida's Turnpike intersection will be closed nightly from 9 p.m. until 6 a.m., Sunday through Thursday, through January 2025. The first lane will close at 9 p.m. The second lane will close at 10 p.m.
- The eastbound right turn lane just east of Island Way/68th Terrace North is closed through January 2025 for road construction. Motorists will be allowed to make right turns from the outside through lane for access to businesses.
- Please note traffic is in a temporary pattern as work progresses towards opening a fourth eastbound lane on Indiantown Road. Motorists should expect delays, allow for more travel time, and utilize alternate routes as needed, including the I-95 northbound exit ramp to Donald Ross Road, during this phase of construction.

**SOUTHERN PALM BEACH COUNTY PROJECTS
(BOCA RATON, HIGHLAND BEACH, DELRAY BEACH)**

4. SR 800/Spanish River Boulevard Over the Intracoastal Waterway (ICWW) Scour Countermeasures Project

Description: This 0.092-mile project on SR 800/Spanish River Boulevard over the Intracoastal Waterway (ICWW) in the City of Boca Raton began January 9, 2024. Work includes Installing Articulated Concrete Block (ACB) at the riverbed to protect the bridge foundations from erosion on the eastbound and westbound SR 800/Spanish River Boulevard bridges. For more information, please contact Community Outreach Specialist Silvana Ojeda at (561) 905-0167 or sojeda@corradino.com.

Cost/Completion: \$2.1 million/Early 2025

Traffic Impacts:

- The frontage road will have intermittent lane closures, daily as needed, from 7 a.m. until 6 p.m. Monday through Friday, for debris removal activities. Flaggers will be on-site to assist motorists.
- The SR 800/Spanish River Boulevard Bridge will have intermittent lane closures, daily as needed, from 7 a.m. until 6 p.m. Monday through Friday, for material delivery operations. Flaggers will be on-site to assist motorists. Pedestrian detours will be in place.

Marine Impacts:

- Crews will be on-site performing underwater debris removal outside of the navigable channel. No impacts to boaters are anticipated with this activity.
- Divers will be on site daily as needed performing underwater survey work - boaters, please use caution. No impact to the channel is anticipated with this activity.

5. SR A1A/South Ocean Boulevard Resurfacing Project

Description: This 3.349-mile project in the Town of Highland Beach and the City of Delray Beach began on May 29, 2024. The project improvements consist of milling and resurfacing the existing roadway, widening the roadway in each direction to provide five-foot bicycle lanes, modifying swales to improve drainage, and upgrading signing and pavement markings to meet current standards. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$8.3 million/Summer 2025

Traffic Impacts:

- One lane in each direction of SR A1A from 2560 S. Ocean Boulevard, Delray Beach, to 3320 S. Ocean Boulevard, Highland Beach, and from 3320 S. Ocean Boulevard, Highland Beach, to 4023 S. Ocean Boulevard will have intermittent closures between 7 a.m. and 6 p.m., Saturday and Monday through Saturday, to perform milling and paving activities. Once the contractor has completed initial paving in these areas, they will move from 1708 S. Ocean Boulevard, Delray Beach, to 2560 S. Ocean Boulevard, Delray Beach for milling and repaving activities. Flaggers will direct traffic as needed. Access to driveways and businesses will be maintained.

6. SR 5/US 1 Resurfacing, Restoration, and Rehabilitation Project

Description: Construction on this 1.137-mile resurfacing, restoration, and rehabilitation project from Bailey Street in Boca Raton to south of Eve Street in Delray Beach began on Friday, December 13, 2024, in Southern Palm Beach County. Work includes milling and repaving the existing roadway to ensure long-term resilience; restriping the roadway to provide 11-foot lanes and 6-foot bike lanes in each direction of SR 5/US 1 within the project limits for motorist and bicyclist safety; restriping the C-15 Canal bridge lanes to provide a 4-foot bike lane in each direction for bicyclist safety; upgrading curb ramps for pedestrian safety; upgrading pedestrian signals at Lindell Boulevard and Tropic Boulevard to new LED countdown signals to enhance pedestrian safety; upgrading the existing streetlights to LED fixtures at the intersections of Lindell Boulevard and Tropic Boulevard for longevity, efficiency, and pedestrian safety; and upgrading signage and pavement markings to enhance motorist safety. For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$ 3.5 million. Completion is expected late 2025.

Traffic Impact:

- The outside southbound lane of SR 5/ US 1/Federal Highway from Tropic Boulevard to Lindell Boulevard will be closed from 9 a.m. to 3:30 p.m., Tuesday through Friday, for concrete work. Pedestrian detours will be in place.

7. SR 806/Atlantic Avenue Reconstruction Project

Description: This 2.760-mile project on SR 806/Atlantic Avenue, from west of SR 7/US 441 to just east of SR 91/Florida's Turnpike, and on SR 7/US 441, from just south of Rio Grande Avenue to just south of Tivoli Island Boulevard in Delray Beach and Boynton Beach is anticipated to begin on January 20, 2025. Work includes widening SR 806/Atlantic Avenue from west of SR 7/US 441 to east of Lyons Road from 2 to 4 lanes and from Lyons Road to east of SR 91/Florida's Turnpike from 4 to 6 lanes to enhance traffic flow and safety. The SR 7/US 441 and SR 806/Atlantic Avenue intersection will be expanded to accommodate a third northbound and southbound through lane and a second northbound right-turn lane to improve infrastructure resilience, traffic flow, and safety. The Lyons Road and SR 806/Atlantic Avenue intersection will also be expanded to accommodate three eastbound and westbound through lanes, dual left-turn lanes, and single right-turn lanes, further improving traffic flow and safety. The project includes constructing continuous 6-foot sidewalks and 7-foot buffered bike lanes in both directions of SR 806/Atlantic Avenue from SR 7/US 441 to east of Lyons Road, along with an 8-foot sidewalk along the westbound side from east of Lyons Road to west of SR 91/Florida's Turnpike, to enhance safety and connectivity for pedestrians and cyclists. The existing SR 806/Atlantic Avenue bridge over the Lake Worth Drainage District E-1 canal will be reconfigured to accommodate an eastbound sidewalk, providing improved pedestrian access. The Lake Worth Drainage District L-34 canal will be relocated approximately 60 feet south to accommodate roadway widening and ensure resilient infrastructure with effective water drainage management. Additionally, the Smith Sundry Road and SR 806/Atlantic Avenue intersection will be expanded to align with a future Palm Beach County project, featuring two lanes along Atlantic Avenue in each direction. Throughout the project limits, drainage, signage, lighting, signalization, and pavement markings will be upgraded to enhance infrastructure resilience, traffic flow, and safety. Fiber optic cables will also be installed along the corridor to interconnect traffic signals and improve real-time communication and safety. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corrado.com. See the attached flyer for more information.

Cost/Completion: \$26 million/Summer 2028

Traffic Impact: No lane closures.

CENTRAL PALM BEACH COUNTY PROJECTS

(Boynton Beach, Lake Worth Beach, Royal Palm Beach, West Palm Beach, Palm Beach)

8. SR 804/Boynton Beach Boulevard Resurfacing, Restoration, and Rehabilitation Project

Description: This 1.022-mile project on State Road (SR) 804/Boynton Beach Boulevard from SR 7/US 441 to Lyons Road in Palm Beach County is anticipated to begin in February 2025. Project improvements consist of milling and resurfacing the roadway along the project limits to enhance infrastructure resilience and safety for the community; modifying existing pavement markings along SR 804/Boynton Beach Boulevard to accommodate a 6-foot dedicated bicycle lane in each direction; constructing a sidewalk on eastbound SR 804/Boynton Beach Boulevard from SR 7/US 441 to east of the E-1 Canal to enhance pedestrian connectivity; reconstructing the sidewalk in front of the Baptist Health Bethesda Hospital West to 10-foot for enhanced pedestrian access; upgrading curb ramps, pavement markings, and signage within the project limits to improve visibility and connectivity; and upgrading guardrail connections to the existing bridge to enhance motorist safety. Please see the attached flyer for project information. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corrado.com

Cost/Completion: \$3.2 million/Late 2025

Traffic Impact: No impacts anticipated

In-Person Construction Open House and Virtual Public Meeting

Virtual Public Meeting: Tuesday, January 28, 2025, from 5:00 p.m. to 6:00 p.m. Please use the following link to register: <https://tinyurl.com/BBBSR7LYONS>. You may also call +1 (415) 930-5321, access code: 841-167-065.

In-Person Construction Open House: Tuesday, January 28, 2025, from 6:00 p.m. to 7:00 p.m. at the West Boynton Branch Library – Meeting Room, located at 9451 Jog Road, Boynton Beach, FL 33437.

9. City of Boynton Beach Sidewalk and Bicycle Lane Improvements Project

Description: This .62-mile project on SR 804/Boynton Beach Boulevard and .7 miles on W Ocean Avenue in the City of Boynton Beach began on May 7, 2024. Work includes milling, resurfacing and reconstructing SR 804/Boynton Beach Boulevard within project limits, expanding the existing sidewalk on the south side of SR 804/Boynton Beach Boulevard to 15 feet and to 9 feet on the north side, performing drainage modifications to accommodate sidewalk expansion on SR 804/Boynton Beach Boulevard, retrofitting pedestrian lighting at signalized intersections on SR/804 Boynton Beach Boulevard, constructing a new pedestrian crossing at NW 3rd Street and SR 804/Boynton Beach Boulevard, installing shared lane bicycle markings (sharrows) in each direction

of SR 804/Boynton Beach Boulevard and on West Ocean Avenue, and upgrading pedestrian signals, pavement markings, and signs. For more information, contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

Cost/Completion: \$7.2 million/Fall 2025

Traffic Impacts:

- One outside lane in each direction of SR 804/Boynton Beach Boulevard from just west of NW 3rd Street to US 1/Federal Highway will be closed for roadway, drainage, curb and gutter, and sidewalk construction through March 2025. Pedestrians will be detoured to the next signalized intersection.
- One lane in each direction of SR 804/Boynton Beach Boulevard from just west of NW 5th Street to US 1/Federal Highway will be closed Sunday through Friday, from 7 p.m. until 6 a.m. for road paving activities

10. SR 802/Lake Worth Road Improvements Project

Description: This 1.90-mile project from Raulerson Drive to Palm Beach State College Entrance/Douglas Drive in the city of Lake Worth Beach began on November 14, 2022. Work includes constructing a new exclusive right turn lane from eastbound Lake Worth Road into the Mid-County Senior Center, installing new seven-foot bike lanes with upgraded safety features, milling and resurfacing Lake Worth Road in both directions, replacing underground Palm Beach County utilities throughout the project limits, improving sidewalk and driveways on both sides of Lake Worth Road, modifying medians to improve motorist safety, improving signalized intersections and pedestrian crossings, and installing new signage, pavement markings, and lighting. For more information, contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.

Cost/Completion: \$14 million/Spring 2025

Traffic Impacts:

- One lane in each direction on Lake Worth Road from Raulerson Drive to Palm Beach State College may be closed for bicycle lane traffic separator construction, valve & manhole adjustments, median work, and asphalt deficiency corrections.
- Two lanes in each direction on Lake Worth Road from Raulerson Drive to Palm Beach State College may be closed 7:00 am to 3:30 pm, Monday through Friday for median work, valve & manhole adjustments, asphalt deficiency corrections, and bicycle lane traffic separator construction.

11. SR 802/Lake Avenue/Lucerne Avenue Resurfacing, Restoration, and Rehabilitation Project

Description: This 2.382-mile project from east of A Street to east of Golfview Road in the City of Lake Worth Beach began on February 27, 2024. Work includes milling and resurfacing the existing roadway, replacing and upgrading signing and pavement markings, installing new and upgrading existing lighting throughout the project corridor, upgrading pedestrian features at signalized intersections, and upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards. For more information, please contact Community Outreach Specialist Melissa Readling at mreadling@corradino.com or 772-577-8803.

Cost/Completion: \$5.4 million/Early 2025

Traffic Impacts:

- Intermittent sidewalk closures will occur at the intersections on both sides of Lucerne Avenue from C Street to Golfview Road from 7 a.m. to 4 p.m., Monday to Friday, for removal of existing concrete and construction of new sidewalks. Pedestrian detours will be in place, and access to businesses will be maintained.
- Intermittent sidewalk closures will occur at the intersections on both sides of Lake Avenue from both sides of B Street to Golfview Road from 7 a.m. to 4 p.m., Monday to Friday, for removal of existing concrete and construction of new sidewalks, brick pavers, tree pruning and rooting. Pedestrian detours will be in place, and access to businesses will be maintained.
- One lane of Dixie Highway from Lucerne Avenue to Lake Avenue will be closed from 9 p.m. to 6 a.m., Monday through Thursday, for paving operation. Pedestrian detours will be in place, and access to businesses will be maintained.
- One lane of Federal Highway from Lucerne Avenue to Lake Avenue will be closed from 9 p.m. to 6 a.m., Monday through Thursday, for paving operation. Pedestrian detours will be in place, and access to businesses will be maintained.
- One lane of Golfview Road from Lucerne Avenue to Lake Avenue will be closed from 9 p.m. to 6 a.m., Monday through Thursday, for paving operation. Pedestrian detours will be in place, and access to businesses will be maintained.
- One lane of Lake Avenue from B Street to Golfview Road will be closed from 9 p.m. to 6 a.m., Monday through Thursday, for paving operation. Pedestrian detours will be in place, and access to businesses will be maintained.

12. **State Road (SR) 5/North Federal Highway Milling and Resurfacing Project**

Description: This 1.298-mile project from south of 10th Avenue South to 6th Avenue North in Lake Worth Beach began on June 18, 2024. Project improvements include milling and resurfacing the existing roadway, adding drainage and constructing a raised intersection at 7th Avenue South, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, installing signalized pedestrian crossings with Rectangular Rapid Flashing Beacons (RRFBs) at 8th Avenue South, 3rd Avenue North, and 4th Avenue North, removing the existing midblock crossing between 4th Avenue North and 5th Avenue North, upgrading vehicular and pedestrian signalization at 6th Avenue South and 2nd Avenue North, installing lighting at the intersections of 8th Avenue South, 6th Avenue South, 2nd Avenue North, 3rd Avenue North, and 4th Avenue North, and upgrading signage and pavement markings for shared bicycle facilities and buffered bicycle lanes. For more information, please contact Community Outreach Specialist Melissa Reading at (772) 577-8803 or mreading@corradino.com.

Cost/Completion: \$2.3 million/Spring 2025

Traffic Impacts:

- Intermittent single-lane closures will occur in each direction of SR 5/North Federal Highway from south of 10th Avenue South to 6th Avenue North from 8 a.m. to 6 p.m., Monday through Friday, for lighting activities. Flaggers will direct traffic as needed. Access to driveways and businesses will be maintained.
- SR 5/North Federal Highway may have pedestrian detours in each direction for sidewalk work. Detour signage will guide pedestrians around the closure areas.

13. **6th Avenue South Improvements at SR 9/I-95**

Description: This 1-mile project in the City of Lake Worth Beach began on November 13, 2023. Project improvements consist of lengthening the turn lanes on 6th Avenue South, adding an exclusive right turn lane to the SR 9/I-95 northbound on ramp, adding an additional right turn lane to the SR 9/I-95 southbound on ramp, lengthening the northbound left turn lane at A Street, constructing 6-foot sidewalks on both sides of 6th Avenue South, constructing 7-foot bicycle lanes on both sides of 6th Avenue South, installing Wrong-Way Driving Countermeasures on the SR 9/I-95 northbound and southbound exit ramps, constructing 16-foot ground-mounted sound walls along the SR 9/I-95 northbound exit ramp and south side of 6th Avenue South, constructing new gravity wall, curb and gutter, traffic separator, median barrier, sidewalk and driveway along 6th Avenue South within project limits, upgrading drainage, signage, lighting, signalization and pavement markings, Intelligent Transportation System (ITS) upgrades, and relocation of water, sewer and utilities for the City of Lake Worth Beach.

Cost/Completion: The project cost is \$17.92 million. Completion is expected in Late 2025. For more information, please contact Community Outreach Specialist Meredith Cruz at (561) 589-9584 or mcruz@cruz-pr.com.

Traffic Impacts:

- 6th Avenue South, from Michigan Avenue to South C Street, may have one lane closed in each direction through January 2025.
- Side streets within the project limits may have intermittent traffic impacts related to work operations on 6th Avenue South through January 2025.

Ramp Impacts:

• **Full Ramp Closures:**

- The I-95 southbound entrance ramp at 6th Avenue South may have a full closure, 9 p.m. until 5 a.m., Sunday night, Jan. 26, through Thursday night, Jan. 30, for paving operations. Motorists will be detoured via 6th Avenue South to US 1, then south to Lantana Road to access the I-95 interchange. Should unforeseen issues or delays impact these dates, the closures may occur Sunday night, Feb. 2 through Thursday night, Feb. 6.
- Eastbound 6th Avenue South to the I-95 Southbound entrance ramp has the right turn lane closed to safely facilitate roadway and drainage operations through January 2025.
- The I-95 northbound exit ramp to eastbound 6th Avenue South has the right turn lane closed to safely facilitate roadway and drainage operations through January 2025.
- The I-95 northbound exit ramp to westbound 6th Avenue South has the left turn lane closed to safely facilitate roadway and drainage operations through 2025.
- The I-95 southbound exit ramp to westbound 6th Avenue South has one right turn lane closed to safely facilitate the construction of a Mechanically Stabilized Earth (MSE) wall and roadway construction, through January 2025.

- The I-95 entrance and exit ramps at 6th Avenue South may have one lane closed nightly as needed, 8 p.m. to 6 a.m., to safely facilitate roadway operations through January 2025. One lane will remain open during this time.

14. SR 704/Okeechobee Boulevard Resurfacing, Restoration, and Rehabilitation Project
Description: This 0.608-mile project on State Road (SR) 704/Okeechobee Boulevard from Red Trail to West of Australian Avenue in West Palm Beach is anticipated to begin on January 29, 2025. Project improvements consist of milling, repaving, and restriping the existing roadway within the project limits to ensure long-term infrastructure resilience and safety, upgrading pedestrian signals and lighting to LED fixtures at existing crosswalks to enhance pedestrian safety, replacing in-road sensors and traffic signal backplates to improve traffic flow and enhance safety for motorists, installing Wrong Way Driving Detection Systems (WWDS) at the SR 9/I-95 northbound and southbound exit ramps to SR 704/Okeechobee Boulevard to enhance motorist safety by detecting wrong-way drivers and preventing serious injury crashes on the State Highway System. Please see the attached flyer for project information. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com
Cost/Completion: \$3.2 million/Early 2026
Traffic Impact: No impacts anticipated

15. SR 809/Military Trail at SR 882/Forest Hill Boulevard Intersection Improvements Project
Description: This 0.705-mile intersection improvement project on State Road 809/Military Trail and SR 882/Forest Hill Boulevard in Palm Beach County began on September 6, 2022. Work includes widening, milling, and resurfacing along SR 809/Military Trail and SR 882/Forest Hill Boulevard, constructing additional right and left turn lanes on SR 809/Military Trail and additional right turn lanes on SR 882/Forest Hill Boulevard, installing new 5-foot bike lanes at various locations along SR 882/Forest Hill Boulevard, improving sidewalks and driveways at the intersection of SR 809/Military Trail and SR 882/Forest Hill Boulevard, installing four new signal mast arms at the intersection, and installing new signage and pavement markings. For more information, please contact Community Outreach Specialist Melissa Readling at 772-577-8803 or mreadling@corradino.com.
Cost/Completion: \$7 million/Winter 2024
Traffic Impact:

- The outside eastbound and westbound lanes on Forest Hill Boulevard may be closed from Haverhill Road to Kirk Road from 7 a.m. to 5 p.m. Monday through Friday for signalization work.
- The outside northbound and southbound lanes on Military Trail may be closed from Summit Boulevard to Purdy Lane from 9 a.m. to 3 p.m. Monday through Friday for signalization work.
- The outside northbound lane on Military Trail from Barbridge Road to Malaleuca Trail is closed for turn lane construction, drainage and sidewalk replacement.
- The outside westbound lane on Forest Hill Blvd. from Forest Lakes Circle to Granfern Avenue Trail is closed for turn lane construction, drainage and sidewalk replacement.

16. Intersection Lighting Retrofit Improvements Project
This lighting improvements project at 22 different intersections within cities in Palm Beach, Martin, and St. Lucie Counties began on December 9, 2024. Improvements include creating a safer, more energy-efficient, and resilient transportation environment by upgrading lighting to LED fixtures and retrofitting existing light poles. For more information, please contact Community Outreach Specialist Silvana Ojeda at 561-905-0167 or sojeda@corradino.com
Cost/Completion: \$1,017,434/Summer 2025
Traffic Impact:

- SR 805/Dixie Highway from 12th Avenue S. to Alhambra Road in Lake Worth Beach will have intermittent single lane closures from 6:30 p.m. until 3:30 p.m., excluding peak hours and school speed zone hours, Tuesday through Friday, for lighting fixture replacement activities.
- SR 882/Forest Hill Boulevard from Jog Road to SR 805/Dixie Highway in West Palm Beach will have intermittent single lane closures from 6:30 p.m. until 3:30 p.m., excluding peak hours and school speed zone hours, Tuesday through Friday, for lighting fixture replacement activities.
- The SR 5/US 1 and Lakeshore Drive/Golfview Road intersection in North Palm Beach will have intermittent single lane closures from 6:30 p.m. until 3:30 p.m., excluding peak hours and school speed zone hours, Tuesday through Friday, for lighting fixture replacement activities.
- The SR 710/MLK Jr Boulevard and Australian Avenue intersection in Riviera Beach will have intermittent single lane closures from 6:30 a.m. until 4:30 p.m., excluding peak hours and

- school speed zone hours, Tuesday through Friday, for lighting fixture replacement activities.
- SR 7/US 441 from Hypoluxo Road/Heritage Farms Road to SR 812/Lantana Road in Lake Worth Beach intermittent single lane closures from 6:30 a.m. until 4:30 p.m., excluding peak hours and school speed zone hours, Tuesday through Friday, for lighting fixture replacement activities.

17. **North Shore Pedestrian Bridge Improvements Project**

Description: This 0.07-mile project on North Shore Drive over the Carver Canal in the city of West Palm Beach began on Monday, August 26, 2024. Work includes construction of a prefabricated steel pedestrian bridge on the west side of North Shore Drive crossing the Carver Canal, realignment of the pedestrian sidewalk path on the west side of North Shore Bridge to the new pedestrian bridge, reconstruction of drainage outfalls along the north and south sides of the newly constructed pedestrian bridge, replacement and upgrading signage impacted by construction, and adding lighting at each side of the new pedestrian bridge. For more information, please contact Community Outreach Specialist Silvana Ojeda at 561-905-0167 or sojeda@corradino.com.

Cost/Completion: \$2.7 million/Spring 2025

Traffic Impact:

- The southbound lane of North Shore Drive will be intermittently closed from Monday through Friday, for material delivery and drainage installation operations. Flaggers will be on-site to assist motorists, and pedestrian detours will be in place.

18. **SR 710/MLK Jr Boulevard Advanced Transportation Management System (ATMS) Project**

Description: This 1.68-mile project on SR 710/MLK Jr Boulevard from North Congress Avenue to President Barack Obama Highway in Riviera Beach began on January 10, 2025. Work includes installing solar-powered traffic signs equipped with modern technology that detects bicyclists and activates flashing signals to warn drivers, improving safety for cyclists; installing Closed-Circuit Television (CCTV) cameras to enhance real-time traffic monitoring and improve motorist safety; upgrading the Advanced Transportation Management System (ATMS) technology to enhance coordination with the Regional Traffic Management Center (RTMC), improving traffic flow and enabling faster incident response; installing new traffic loops to optimize signal changes, enhancing safety and efficiency of the infrastructure. For more information, please contact Community Outreach Specialist Silvana Ojeda at 561-905-0167 or sojeda@corradino.com.

Cost/Completion: \$1.8 million/Summer 2025.

Traffic Impacts:

- For motorist safety, the City of Riviera Beach has closed the westbound lanes of SR 710/MLK Jr. Boulevard between Avenue S and Congress Avenue through Saturday, Jan. 25, for road utility activities. Westbound traffic will be detoured via northbound Avenue S, westbound W. 10th Street, northbound Avenue U, and westbound W. 12th Street to Congress Avenue.

NORTHERN PALM BEACH COUNTY PROJECTS

(Riviera Beach, North Palm Beach, Palm Beach Gardens, Juno Beach, Tequesta)

19. **State Road (SR) 710/Beeline Highway Reconstruction Project**

Description: This 3.142-mile project in the cities of Palm Beach Gardens, Riviera Beach and West Palm Beach began on March 18, 2024. Improvements consist of widening SR 710/Beeline Highway from Northlake Boulevard to SR 708/Blue Heron Boulevard from 4 lanes to 6 lanes, replacing and widening the Florida's Turnpike bridge over SR 710/Beeline Highway, constructing an at-grade partial Continuous Flow Intersection (CFI) at the intersection of SR 710/Beeline Highway and Northlake Boulevard, adding sidewalks and bicycle lanes on both sides of SR 710/Beeline Highway, upgrading railroad crossings, drainage, signage, lighting, signalization and pavement markings throughout project limits, and upgrading Intelligent Transportation System (ITS). For more information, please contact Community Outreach Specialist Silvana Ojeda at (561) 905-0167 or sojeda@corradino.com.

Cost/Completion: \$148.2M / Anticipated Completion is Late 2029.

SR 710/Beeline Highway Traffic Impact:

- SR 710/Beeline Highway from SR 708/Blue Heron to Northlake Boulevard will have one inside lane closed in each direction daily, 7 a.m. until 6 p.m., Monday through Friday.
- SR 710/Beeline Highway and Northlake Boulevard will have one inside lane closed in each direction daily, 10 a.m. until 5 p.m., Monday through Friday.
- SR 710/Beeline Highway and Jog Road will have one inside lane closed in each direction daily, 10 a.m. until 6 p.m., Monday through Friday.
- SR 710/Beeline Highway and Haverhill Road will have one inside lane closed in each direction daily, 7 a.m. until 6 p.m., Monday through Friday.

- SR 710/Beeline Highway from Military Trail to Blue Heron Boulevard will have one lane closed in each direction daily, 7 a.m. until 6 p.m., Monday through Friday.
- SR 710/Beeline Highway lane widths are reduced and westbound traffic has been shifted to the median from just east of the Turnpike to Blue Heron Boulevard to safely facilitate construction activities.
- The SR 710/Beeline Highway northwest ramp to eastbound Northlake Boulevard has been temporarily closed to safely facilitate this phase of construction and is anticipated to reopen in Fall 2025. During this closure, motorists can continue on SR 710/Beeline Highway and turn right at the light to access eastbound Northlake Boulevard.
- To ensure motorist safety during material deliveries, CSX will be performing brief, intermittent closures on the southeast SR 710/Beeline Highway exit ramp to westbound Northlake Boulevard for no longer than 5 minutes at a time, 7 a.m. until 5 p.m., Monday through Saturday, Wednesday, Jan. 8 through Monday, Mar. 31. Flaggers will be on-site to assist with safe entry and exit. For questions regarding this operation, please contact Erika Nickell at (229) 262-4394 or enickell@scdevelopmentllc.com.

SR 708/Blue Heron Boulevard Traffic Impact:

- SR 708/Blue Heron Boulevard eastbound from SR 710/Beeline Highway to Military Trail will have one outside lane closed daily, 7 a.m. until 6 p.m., Monday through Friday.

Northlake Boulevard Traffic Impact:

- Northlake Boulevard, west of SR 710/Beeline Highway, will have one lane closed in each direction, as needed, 10:30 a.m. until 6 p.m., Monday through Friday.
- Northlake Boulevard, east of SR 710/Beeline Highway, will have one lane closed in each direction, as needed, 10:30 a.m. until 6 p.m., Monday through Friday.
- The SR 710/Beeline Highway northwest-bound access to eastbound Northlake Boulevard has been temporarily shifted to safely facilitate this phase of construction. The current movement is anticipated to reopen in Fall 2025. During this phase, from SR 710/Beeline Highway northwest-bound, motorists can turn right at the intersection to access eastbound Northlake Boulevard.
- Northlake Boulevard lanes in each direction at the SR 710/Beeline Highway intersection have been temporarily shifted and U-turns in both directions are not available to safely facilitate this phase of construction. This new traffic pattern will remain in place until Spring 2025.
- The eastbound Northlake Boulevard exit ramp to northwest-bound SR 710/Beeline Highway will be closed on Saturday, Jan. 25, from 7 a.m. until 6 p.m. for drainage activities. Eastbound Northlake Boulevard traffic wishing to access northwest SR 710/Beeline Highway will continue to the Jog Road intersection, make a U-turn onto westbound Northlake Boulevard, and turn onto northwest-bound SR 710/Beeline Highway. If weather or unforeseen issues delay operations, the ramp closure is expected to take place the following Saturday, Feb. 1.

Florida's Turnpike Traffic Impact:

- Florida's Turnpike, from south of the SR 710/Beeline Highway overpass to just north of the SR 710/Beeline Highway overpass, will have one lane closed in each direction, nightly, 8 p.m. until 6 a.m., Sunday through Thursday, through January 2025.

20. State Road (SR) 5/US 1 Earman River Bridge Replacement Project

Description: This 0.175-mile project located in the Village of North Palm Beach from SR 5/US 1 at Northlake Boulevard to just north of SR 5/US 1 at Anchorage Drive is anticipated to begin on February 10, 2025. The project improvements include replacing the SR 5/US 1 bridge over the Earman River to enhance structural safety, traffic flow, and long-term resiliency. The roadway will be widened to add a second right-turn lane from southbound SR 5/US 1 onto westbound Northlake Boulevard, improving infrastructure resilience, traffic flow, and safety. Milling and resurfacing the roadway along SR 5/US 1 within the project limits will enhance safety, ride quality, and infrastructure longevity. Additionally, 4-foot and 5-foot bicycle lanes will be added along SR 5/US 1 within the project limits to improve safety for all roadway users. Upgrades to drainage, signage, lighting, signalization, pedestrian curb ramps, pavement markings, and the Intelligent Transportation System (ITS) will further enhance infrastructure resilience, traffic flow, transportation efficiency, and safety. Finally, benches and planters will be installed throughout the project limits for the Village of North Palm Beach to improve public spaces. For more information, please contact Community Outreach Specialist Silvana Ojeda at (561) 905-0167 or sojeda@corrado.com

Cost/Completion: \$13.7 million/Summer 2027

Traffic Impacts: No impacts anticipated.

In-Person Construction Open House and Virtual Public Meeting

Virtual Public Meeting: Wednesday, February 5, from 5:00 p.m. to 6:00 p.m. Please use the following link to register: <https://tinyurl.com/EarmanRiverBridge>. You may also call +1 (562) 247-8422 Access Code: 817-396-358

In-Person Construction Open House: Wednesday, February 5, from 6:00 p.m. to 7:00 p.m. at

21. State Road (SR) A1A Resurfacing, Restoration, and Rehabilitation Project

Description: This 1.835 miles project located in North Palm Beach from south of the John D. MacArthur State Park Entrance to Portage Landing North is anticipated to begin on February 17, 2025. Project improvements include milling and repaving the existing roadway within project limits to ensure long-term resilience, widening the shoulders to provide 4-foot to 8-foot designated bike lanes in each direction of SR A1A from south of the John D. MacArthur State Park entrance to Portage Landing North to enhance bicyclist accessibility and safety, reconstructing pedestrian sidewalk curb ramps to meet current Americans with Disability Act (ADA) standards, replacing the mast arm traffic signal system to meet current hurricane design standards to ensure motorist safety, upgrading pedestrian signals at signalized intersections to improve push button accessibility, upgrading video vehicle detection system and in-road sensors to improve traffic flow, upgrading lighting at the Lost Tree Village/Old Harbour Road intersection to enhance motorist and pedestrian visibility, upgrading pavement markings and signs to improve visibility and accessibility for motorists. For more information, please contact Community Outreach Specialist Melissa Reading at (772) 577-8803 or mreading@corradino.com

Cost/Completion: \$3.9 million/Late 2025

Traffic Impact: No impacts anticipated

22. State Road (SR) 786/PGA Boulevard Resurfacing, Restoration, and Rehabilitation Project

Description: This 0.922-mile project located in the City of Palm Beach Gardens from east of SR 9/I-95 to east of Fairchild Gardens Avenue is anticipated to begin on October 14, 2024. Project improvements consist of milling and repaving the existing roadway within project limits to ensure long-term resilience, installing pedestrian signals, pavement markings, and signs to enhance safety for pedestrians and motorists, installing dedicated green bike lane markings in each direction of SR 786/PGA Boulevard throughout the project limits to improve bicyclist safety, installing an advanced warning flasher facing eastbound traffic approaching the Lake Victoria Gardens Avenue signalized intersection to enhance motorist safety, upgrading traffic signal vehicle video detection and traffic controller cabinets to improve traffic flow, reconstructing the concrete bus pad at Fairchild Gardens Avenue to enhance transit rider safety and accessibility, and reconstructing pedestrian sidewalk curb ramps to meet current Americans with Disability Act (ADA) standards. For more information, please contact Community Outreach Specialist Melissa Reading at (772) 577-8803 or mreading@corradino.com

Cost/Completion: \$4.9 million/Spring 2025

Traffic Impacts:

- Eastbound and westbound SR 786/PGA Boulevard from east of Fairchild Gardens Avenue to West of Lake Victoria Gardens Avenue will have the outside lane closed nightly from 11 p.m. to 9 a.m., Monday through Friday for signalization and roadway activities. Motorists can turn right from the far-right thru lane on SR 786/PGA Boulevard onto Fairchild Gardens Avenue and Lake Victoria Gardens Avenue.
- Eastbound and westbound SR 786/PGA Boulevard from east of Fairchild Gardens Avenue to West of Lake Victoria Gardens Avenue will have the inside lane closed nightly from 11 p.m. to 9 a.m. Monday through Friday for signalization and roadway activities. Motorists can turn right from the far-right thru lane on SR 786/PGA Boulevard onto Fairchild Gardens Avenue and Lake Victoria Gardens Avenue.
- Southbound Lake Victoria Gardens Avenue at SR 786/PGA Boulevard will be closed nightly from 11 p.m. to 9 a.m., Monday through Friday, for road construction work. Motorists will be directed via eastbound Kyoto Gardens Drive to southbound Fairchild Gardens Avenue to SR 786/PGA Boulevard.
- Westbound SR 786/PGA Boulevard from Lake Victoria Gardens Avenue to RCA Boulevard will have the inside lane closed nightly from 11 p.m. to 9 a.m. Monday through Friday for signalization activities.
- Northbound on Lake Victoria Garden Avenue will have the two left turns closed nightly from 11 p.m. to 9 a.m. Monday through Thursday for roadway activities. Motorist will still allow to make left turn from the other two lane that will remain open.
- Northeast Corner on SR 786/PGA Boulevard and Lake Victoria Gardens Ave will have the sidewalk closed 24 hours from Monday through Sunday for signalization activities. Pedestrians can turn right and walk up to Fairchild Gardens to cross across SR 786/PGA Boulevard and make left to return to Lake Victoria Gardens.
- Southeast Corner on SR 786/PGA Boulevard and Lake Victoria Gardens Ave will have the sidewalk closed 24 hours from Monday through Sunday for signalization activities. Pedestrians can turn left and walk up to Fairchild Gardens to cross across SR 786/PGA

Boulevard and make right to return to Lake Victoria Gardens.

23. US 1 Jupiter Bridge Replacement

Description: This 4.1-mile project located in the Town of Jupiter from CR A1A to CR 707/Beach Road and surrounding intersections began October 18, 2021. It consists of replacing the existing US 1 Bridge over the Loxahatchee River, including adding bike lanes and sidewalks in each direction. Other improvements include installing Intelligent Transportation System technology to improve traffic flow, adding decorative lighting and drainage, and upgrading signage and pavement markings. Minor improvements will also be made to the Alternate A1A bridge over the Loxahatchee River. In addition, intersection improvements will occur at Alternate A1A and Old Dixie Highway by shifting the intersection to the southwest, adding a traffic signal, and lengthening the left-turn lane from northbound Alternate A1A to northbound Old Dixie Highway. For more information, please contact Community Outreach Specialist Meredith Cruz at (561) 589-9584 or mcruz@cruz-pr.com.

Cost/Completion: \$122 million/Early 2026

Traffic Impacts:

- One lane is open in each direction on the western span of the bridge while work is completed on the eastern portion of the bridge. This temporary traffic pattern is in place through Spring 2025. Please proceed with caution through the work zone.
- Single-leaf openings of the bascule bridge are expected through Spring 2025 until all four lanes are open to traffic.

Full Nighttime Closures:

- The US 1 bridge between CR A1A and Jupiter Cove Drive may be closed nightly, 9 p.m. until 6 a.m., Sunday night through Thursday night, through mid-February 2025, for bascule bridge leaf installation on the eastern span of the bridge.
- Traffic will be detoured as follows:
 - Northbound motorists will go west on Indiantown Road to Alternate A1A, then go north on Alternate A1A to US 1.
 - Southbound motorists will go south on Alternate A1A to Indiantown Road, then go east on Indiantown Road to US 1.

WESTERN PALM BEACH COUNTY PROJECTS

(Wellington, Royal Palm Beach, South Bay, Belle Glade, Pahokee, Canal Point)

24. State Road 715 and State Road 80 Resurfacing Project

Description: Construction on this 4.44-mile resurfacing project on SR 715 and SR 80 began on July 10, 2023, in Western Palm Beach County. Work includes milling and resurfacing the existing roadway and minor widening of existing paved shoulders, installing pedestrian signalization and markings, improving signing and pavement markings, upgrading pedestrian curb ramps to meet Americans with Disabilities Act (ADA) standards, and adding new sidewalk on the west side of SR 715 and select locations on SR 80. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$12 million/Summer 2025

Traffic Impacts

- One lane in each direction on SR 80/S Main Street/E Palm Beach Road from just east of Glades Glen Drive to SR 25/US 27 and one lane of SR 715 from SR 80 to south of West Canal Street South will be closed intermittently from 7:30 p.m. until 7 a.m., Sunday through Thursday, for asphalt, thermoplastic, and signal work through February 2025.

25. SR 729/State Market Road Resurfacing, Restoration and Rehabilitation Project

Description: Construction on this 2.272-mile roadway improvements project on SR 729/State Market Road in Pahokee began on April 28, 2024. Work includes milling and resurfacing SR 729/State Market Road, widening traffic lanes from 11 feet to 12 feet, widening the existing paved shoulders as permitted by FDOT right-of-way, reconstructing northbound SR 729/State Market Road sidewalks and shared use paths from north of Rock Pit Road to SR 15/US 441/E Main Street and upgrading signage and pavement markings throughout project limits. Please see the attached flyer for more information. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corradino.com.

Cost/Completion: \$4.9 million/Spring 2025

Traffic Impacts:

- The northbound shoulder of SR 729/State Market Road from Larrimore Road to SR 15/Main Street will have intermittent closures Monday through Saturday for sidewalk construction work. Flaggers will direct traffic as needed.
- One lane and shoulder in each direction of SR 729/State Market Road from Muck City Road to SR 15/Main Street may be closed from 7:30 p.m. to 7:30 a.m., Monday through Thursday for paving activities through February 2025. Flaggers will direct traffic as needed.

- SR 729/State Market Road from SR 15/N Main Street to Larrimore Road will be closed nightly from 8 p.m. to 5 a.m. Wednesday, Jan. 29, for northbound paving activities and Monday, Feb. 3 for southbound paving activities.
- SR 729/State Market Road from Larrimore Road to SR 15/E Main Street will be closed nightly from 8 p.m. to 5 a.m. Thursday, Jan. 30 for northbound paving activities and Sunday, Feb. 2, for southbound paving activities. The contingency date for paving activities is Tuesday, Feb. 4

Detour:

- Northbound SR 729/State Market Road will be detoured to S. Lake Avenue to SR 15/E Main Street
- Southbound SR 729/State Market Road will be detoured to SR 15/E Main Street along S. Lake Avenue to SR 729/State Market Road
- Access to residents and businesses will be maintained.
- Emergency/First Responder access and local access will be maintained and coordinated.

26. SR 15/US 441/US 98 Roadway Improvements Project

Description: Construction on this 6.8-mile roadway improvements project on SR 15/US 441/US 98 in Canal Point began on October 23, 2023. Work includes milling and resurfacing the existing travel lanes, widening roadway shoulders, constructing a new sidewalk along the east side of the road from Canal Point Park and Recreation Center to Connell Road, constructing new bike lanes from Lake View Drive to Canal Point Park and Recreation Center, upgrading signing and pavement markings, replacing or resetting guardrails along the roadway, upgrading the bridge concrete barrier wall over the L-8 Canal. For more information, contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corrado.com.

Cost/Completion: \$12.9 million/Spring 2025

Traffic Impacts:

- One lane of SR 15/US 98, from the Palm Beach County Line to north of 1st Street, will be closed intermittently Sunday through Saturday, from 7 a.m. to 5 p.m. for shoulder widening and paving. Flagging operations will direct northbound and southbound traffic as needed.

27. State Road 700/Conners Highway Resurfacing, Restoration, and Rehabilitation Project

Description: Construction on this 14.828-mile resurfacing, restoration, and rehabilitation project from north of 1st Street to west of SR 80 began on May 1, 2024, in Western Palm Beach County. Work includes milling and resurfacing of SR 700/Conners Highway, replacing and upgrading existing curb ramps to meet Americans with Disabilities Act (ADA) standards, installing rumble strips for the roadway segment with a posted speed greater than 50 miles per hour (mph), minor shoulder widening in various locations, installing, upgrading, and repairing guardrail as needed, upgrading pedestrian signals, pavement markings, and signs.

For more information, please contact Community Outreach Specialist Melissa Reading at 772-577-8803 or mreading@corrado.com.

Cost/Completion: \$ 17.8 million/Early 2026

Traffic Impact:

- SR 700/Conners Highway from CR 717/Muck City Road to Triangle Park is closed around-the-clock through approximately 5 pm. Sunday, May 18, 2025, for road construction work.

Detour:

- Northbound SR 700/Conners Hwy will be detoured via CR 717/Muck City Rd, S Lake Ave, and SR 15/E Main St
- Southbound SR 700/Conners Hwy will be detoured via SR 15/E Main St, S Lake Ave, CR 717/Muck City Rd and SR 700/Conners Hwy.

MAINTENANCE, UTILITY, PERMIT & ADDITIONAL AGENCY PROJECTS

FLORIDA'S TURNPIKE

Construction activities are scheduled to begin in late January along Florida's Turnpike/State Road (SR) 91 at the Boynton Beach Boulevard/SR 804 (Exit 86) interchange in Palm Beach County. Work will take place during both daytime and nighttime hours. This project is anticipated to continue through late 2025. Please see the attached flyer for more information or contact Brielle Gordon, Community Outreach Specialist at 954-934-1279 – or – 1-800-749-PIKE or Brielle.Gordon@dot.state.fl.us.

INTERSTATE 95

SR 808/Glades Road at SR 91-I-95 will be closed from 9:30 p.m. to 6:00 a.m., Tuesday night, Jan.

28, and Thursday night, Jan. 30, for maintenance operations. To ensure the safety of both motorists and construction crews, the following movements will be restricted and detours will be in place to maintain traffic flow in the surrounding areas while ensuring safety. The Florida Highway Patrol will be on-site, and signage will be in place to assist motorists through the detour. For more information, please contact Guillermo Canedo at (954) 777-4302.

SR 808/Glades Road Detours:

- **Westbound SR 808/Glades Road** at SR 9/I-95 will be detoured via Airport Road, Spanish River Boulevard, Military Trail, and Butts Road.
- **Eastbound SR 808/Glades Road** at SR 9/I-95 will be detoured via SR 9/I-95 southbound, Palmetto Park Road, and SR 5/Federal Highway.

SR 808/Glades Road & SR 9/I-95 Ramp Closures and Detours:

- The **SR 9/I-95 northbound entrance ramp** from westbound SR 808/Glades Road will be closed. Traffic will be detoured via Airport Road and Spanish River Boulevard.
- The **SR 9/I-95 northbound entrance ramp** from eastbound SR 808/Glades Road will be closed. Traffic will be detoured via southbound SR 9/I-95, and Palmetto Park Road to northbound SR 9/I-95.
- The **SR 9/I-95 northbound exit ramp** to westbound SR 808/Glades Road will be closed. Traffic will be detoured via Airport Road and Spanish River Boulevard.
- The **SR 9/I-95 southbound entrance ramp** from westbound SR 808/Glades Road will be closed. Traffic will be detoured via Airport Road and Spanish River Boulevard.
- The **SR 9/I-95 southbound exit ramp** to eastbound SR 808/Glades Road will be closed. Traffic will be detoured via Military Trail and Palmetto Park Road.

Southbound I95 South of Linton Boulevard, in Boca Raton, 9 a.m. until 4 p.m., Monday through Friday, Monday, Dec. 09 **extended through Friday, Feb. 28, 2025**, 1 of 5 lane closed, for guard rail for facilities maintenance. For more information, please contact Zack McGee 601-748-6488.

Eastbound Gateway Boulevard ramp onto Southbound I95 just South of Gateway Boulevard, in Boynton Beach, 9 p.m. until 5 a.m., Sunday through Thursday, Monday, Oct. 07 **extended through Friday, Jan. 31, 2025**, 1 of 2 lane closed, for penetrating testings. For more information, please contact Charlotte Larsen 813-541-2720.

Westbound Gateway Boulevard ramp onto Northbound I95 just North of Gateway Boulevard, in Boynton Beach, 9 p.m. until 5 a.m., Sunday through Thursday, Monday, Oct. 07 **extended through Friday, Jan. 31, 2025**, 1 of 2 lane closed, for penetrating testings. For more information, please contact Charlotte Larsen 813-541-2720.

Northbound I95 just over Gateway Boulevard, in Boynton Beach, 9 a.m. until 4 p.m., Monday through Friday, Monday, Oct. 07 **extended through Friday, Jan. 31, 2025**, 1 of 4 lane closed, for penetrating testing. For more information, please contact Charlotte Larsen 813-541-2720.

Southbound I95 just North of Gateway Boulevard, in Boynton Beach, 9 p.m. until 5 a.m., Sunday through Thursday, Monday, Oct. 07 **extended through Friday, Jan. 31, 2025**, 1 of 3 lane closed, for penetrating testing. For more information, please contact Charlotte Larsen 813-541-2720.

Southbound I95 just North of Gateway Boulevard, in Boynton Beach, 9 a.m. until 4 p.m., Monday through Friday, Monday, Jan. 06 through Friday, Feb. 28, 1 of 5 lane closed, for penetrating testing. For more information, please contact Tate Cozort 662-210-5001.

**SOUTHERN PALM BEACH COUNTY
(BOCA RATON, HIGHLAND BEACH, DELRAY BEACH)**

BOCA RATON

SR 808/Glades Road at SR 9/I-95 will be closed from 9:30 p.m. to 6:00 a.m., Tuesday night, Jan. 28, and Thursday night, Jan. 30, for maintenance operations. To ensure the safety of both motorists and construction crews, the following movements will be restricted and detours will be in place to maintain traffic flow in the surrounding areas while ensuring safety. The Florida Highway Patrol will be on-site, and signage will be in place to assist motorists through the detour. For more information, please contact Guillermo Canedo at (954) 777-4302.

SR 808/Glades Road Detours:

- **Westbound SR 808/Glades Road** at SR 9/I-95 will be detoured via Airport Road, Spanish River Boulevard, Military Trail, and Butts Road.
- **Eastbound SR 808/Glades Road** at SR 9/I-95 will be detoured via SR 9/I-95 southbound, Palmetto Park Road, and SR 5/Federal Highway.

SR 808/Glades Road & SR 9/1-95 Ramp Closures and Detours:

- The **SR 9/1-95 northbound entrance ramp** from westbound SR 808/Glades Road will be closed. Traffic will be detoured via Airport Road and Spanish River Boulevard.
- The **SR 9/1-95 northbound entrance ramp** from eastbound SR 808/Glades Road will be closed. Traffic will be detoured via southbound SR 9/1-95, and Palmetto Park Road to northbound SR 9/1-95.
- The **SR 9/1-95 northbound exit ramp** to westbound SR 808/Glades Road will be closed. Traffic will be detoured via Airport Road and Spanish River Boulevard.
- The **SR 9/1-95 southbound entrance ramp** from westbound SR 808/Glades Road will be closed. Traffic will be detoured via Airport Road and Spanish River Boulevard.
- The **SR 9/1-95 southbound exit ramp** to eastbound SR 808/Glades Road will be closed. Traffic will be detoured via Military Trail and Palmetto Park Road.

Northbound State Road 7 just South of Yamato Road, in Boca Raton, 9 am – 3:30 pm, Monday through Friday, Monday, Dec. 09 through **Friday, Feb. 07, 2025**, 1 of 2 lanes closed, for antennas, equipment cabinet and cell pole installation. For more information, please contact Josh Capman 850-451-6012.

Southbound North Ocean Drive between Northeast Spanish River Boulevard and The Yacht and Club Racket Apt, in Boca Raton, 9 a.m. until 3:30 p.m., Monday through Friday, Friday, Dec. 01 **extended through Monday, Feb. 10, 2025**, 1 of 1 lanes closed as needed, for pole installation. For more information, please contact Cory Zartman 480-547-0294.

Northbound State Road 7 between Glades Road and Yamato Road, in Boca Raton, 9 am – 3:30 pm, Monday through Friday, Wednesday, Jul. 17 **extended through Monday, Jan. 20, 2025**, 1 of 3 lane closed, for directional boring, handholes, locate posts, and marker posts installation. For more information, please contact Michael Garson 954-774-0814.

CENTRAL PALM BEACH COUNTY

(GULF STREAM, BOYNTON BEACH, OCEAN RIDGE, LANTANA, MANALAPAN, LAKE WORTH BEACH, WELLINGTON, GREENACRES, PALM BEACH, WEST PALM BEACH, LOXAHATCHEE, THE ACREAGE, PALM SPRINGS):

BOYNTON BEACH

Northbound State Road 7 between Lake Royal Road and Bob West Road, in Boynton Beach, 9 am – 3:30 pm, Monday through Friday, Wednesday, Dec. 04 through **Tuesday, Feb. 04, 2025**, 1 of 2 lanes closed, for median work. For more information, please contact Chance Rockett 561-795-1995.

Southbound State Road 7 between Boynton beach Boulevard and Atlantic Avenue, in Boynton Beach, 9 a.m. until 3:30 p.m., Monday through Friday, Thursday, Sept. 07 **extended through Tuesday, Jan. 14, 2025**, 1 of 2 lanes closed, for guy anchors, bonds, handholes, concrete aprons, marker post, and boring pit installation. For more information, please contact Karl Suarez 336-719-4574.

PALM BEACH

Westbound Southern Boulevard between D Road and Palm W Plaza, in Palm Beach, 9 a.m. until 3:30 p.m., Monday through Friday, Monday, Dec. 09 through Monday, **Feb. 10, 2025**, 1 of 2 lanes closed, for pole installation, handholds, equipment and directional boring installation. For more information, please contact Daylin Pacheco 786-567-3734.

Northbound North Ocean Boulevard between Inlet Cay Drive and Island Drive, in Palm Beach, 8 a.m. until 5 p.m., Monday through Friday, Tuesday, Jul. 30 **extended through Friday, Jan. 31, 2025**, 1 of 1 lanes closed as needed, for directional boring and conduit installation. For more information, please contact Roosevelt Bynes III 954-321-8205.
