# Project Limits

# Project Overview

**Purpose:** This project aims to enhance pedestrian safety by adding a six-foot wide sidewalk, including crosswalks at side streets and major driveways, along northbound SR 5/US 1 within the project limits.

**Length:** 0.86 miles

**Contractor:** Alexander Design + Build, LLC

**Construction Start:** May 2025

**Contract Cost:** \$1,015,707

**Estimated Completion:** Late 2025

SR 5/US 1 at 47<sup>th</sup> Avenue looking south  
(pre-construction)

# Scope of Work

## Roadway and Pedestrian Improvements

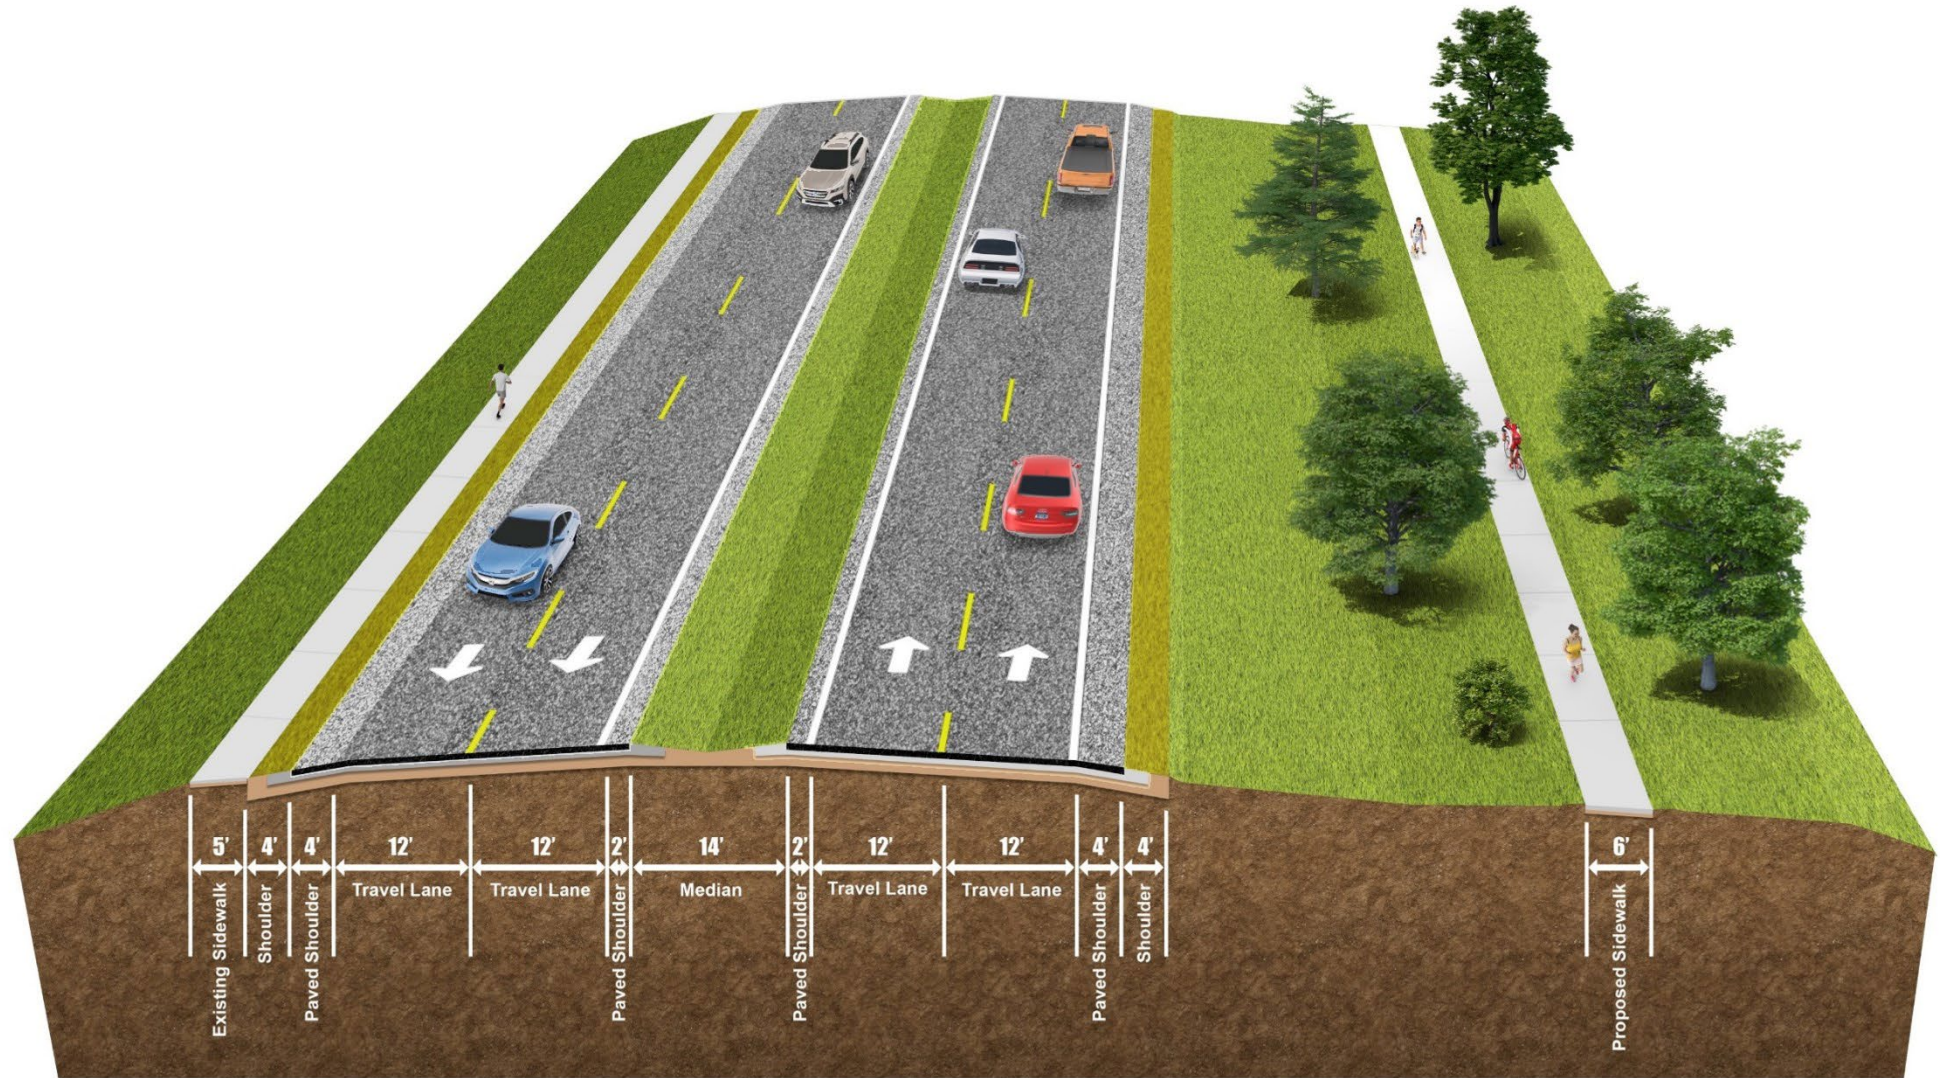

### Roadway and Pedestrian Improvements

- Installing a six-foot wide concrete sidewalk on the east side of SR 5/US 1 from CR 611/45<sup>th</sup> Street to south of 53<sup>rd</sup> Street to enhance safety and connectivity for pedestrians
- Constructing crosswalks at SR 5/US 1 and 47<sup>th</sup> Street to increase pedestrian safety
- Replacing drainage at various locations throughout the project limits to improve functionality and long-term resiliency
- Upgrading signage and pavement markings to boost safety, functionality, and traffic operations

# Typical Section

## SR 5/US 1 from CR 611/45<sup>th</sup> Street to south of 53<sup>rd</sup> Street

*No milling and resurfacing of the roadway will take place as part of this project. The scope of work is limited to sidewalk, drainage, and crosswalk improvements.*

## Maintenance of Traffic:

- Business, pedestrian, and residential access will be maintained at all times throughout construction
- Single-lane closures on SR 5/US 1 are permitted as follows:
  - Daily and nightly, Monday through Friday
  - 7:00 p.m. to 6:00 a.m. within 600 feet of a signalized intersection, Monday through Thursday

Intersection of SR 5/US 1 and 47<sup>th</sup> Street  
(pre-construction)

# Construction Phases

## Phase 1:

- Construct the sidewalk, driveway, guardrail, and headwall extension and relocate the watermain along northbound SR 5/US 1 within the project limits
- Install crosswalks at SR 5/US 1 and 47<sup>th</sup> Street

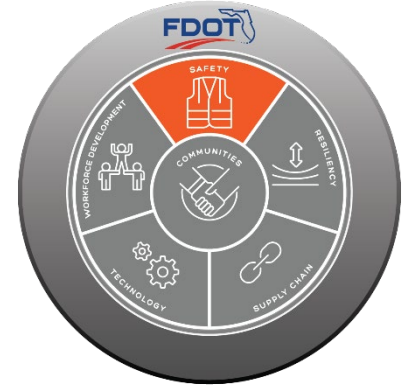

SR 5/US 1 just south of 53<sup>rd</sup> Street looking south  
(pre-construction)

# Safety and Local Coordination

- **Public Safety is our Top Priority!**
  - **Work Zone Signage & Maintenance of Traffic**
    - Advanced warning and project signage will be placed throughout the construction corridor to alert the traveling public
  - **Local Agency & Stakeholder Coordination**
    - The project team will continue working closely with local stakeholders including local municipalities, schools, neighborhoods and other local agencies to ensure safety standards are met and impacts to the public are minimized in any way possible
  - **Emergency vehicles will be provided access at all times**

Lighted Message Board

# Community Outreach

- To receive project specific updates please email [skayser@corradino.com](mailto:skayser@corradino.com) to be added to the distribution list
- A weekly press release will be distributed every Friday
- Additional project specific information can be found on the website

**\*\*All project updates will be posted to the District Four website.\*\***
