

FLORIDA DEPARTMENT OF TRANSPORTATION

SR 9/I-95 Traffic Shift Notice

State Road (SR) 9/I-95 at County Road (CR) 606/Oslo Road New Interchange and CR 606/Oslo Road Widening Project

SR 9/I-95 at CR 606/Oslo Road and CR 606/Oslo Road from west of SR 9/I-95 to SW 58th Avenue

Indian River County, Florida

Financial Project IDs: 413048-2-52-01 and 431521-1-52-01

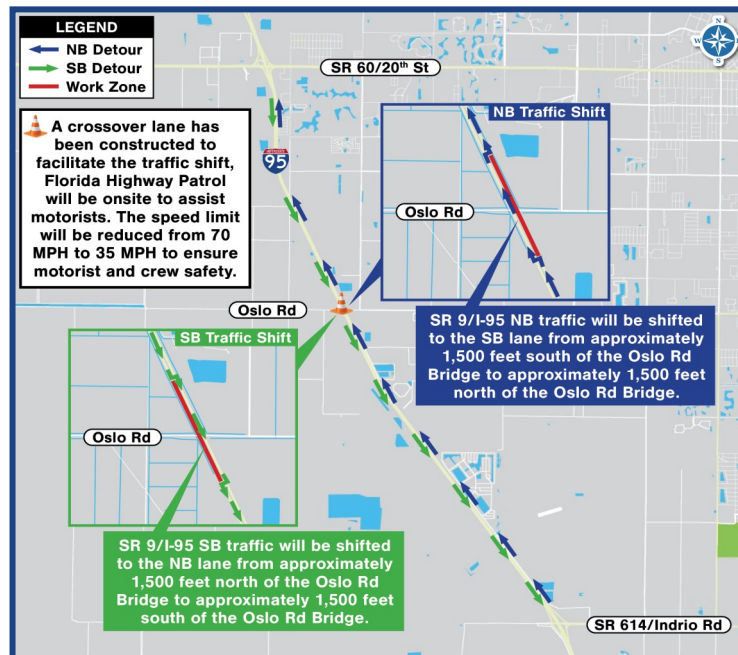

SR 9/I-95 NORTHBOUND AND SOUTHBOUND TRAFFIC TO BE TEMPORARILY SHIFTED NIGHTLY THROUGH JUNE 2025

Construction Cost: \$95.78 million

Construction Start: August 2023

Estimated Completion: Fall 2027

- As part of the SR 9/I-95 at County Road (CR) 606/Oslo Road New Interchange and CR 606/Oslo Road Widening Project, crews will implement a traffic shift by reducing the three-lane section of SR 9/I-95 in each direction to one lane between Indrio Road (Exit 138) and SR 60/20th Street (Exit 147). This lane reduction will occur nightly from Sunday through Thursday, 9 p.m. to 6 a.m., through Monday, June 30, to facilitate deck pours. One lane of traffic in each direction will be maintained via two constructed crossover lanes to facilitate the traffic shift. This reduction is necessary to safely perform roadway work and deck pours. If weather or unforeseen circumstances occur, the shifts will continue through Thursday, July 3.
- Northbound** motorists on SR 9/I-95 will be shifted to the southbound lanes at CR 606/Oslo Road bridge via a newly constructed crossover lane when deck pours are being set over the northbound lanes.
- Southbound** motorists on SR 9/I-95 will be shifted to the northbound lanes at CR 606/Oslo Road bridge via the newly constructed crossover lane when deck pours are being set over the southbound lanes.
- To ensure motorist and crew safety, the speed limit will be reduced from 70 MPH to 35 MPH. The Florida Highway Patrol will be onsite, and signage will be in place to assist motorists.
- For more information including progress photos, lane closures, and project-specific information, please visit <https://bit.ly/3C66OYF>.
