**Anticipated Completion:** Fall 2024

### TRAFFIC SHIFT ON SR 714/SW MARTIN HIGHWAY FROM SW CITRUS BOULEVARD TO SW LEIGHTON FARMS AVENUE

- Beginning the week of October 30, contingent upon weather, eastbound traffic on State Road 714/SW Martin Highway just west of SW Citrus Boulevard will be shifted south to the newly constructed roadway to allow for westbound road construction through February 2024. If the switch does not occur the week of October 30, it is anticipated to occur the week of November 6.
- SR 714/SW Martin Highway median will be closed from just west of SW Citrus Boulevard to just east of SW Leighton Farms Avenue to safely facilitate roadway construction.
- Eastbound traffic attempting to access driveways on the north side of SR 714 will be required to make U-turns on SW 42nd Ave, Martin Downs Highway, and SW Citrus Boulevard.
- Eastbound traffic attempting to leave the driveways on the northside will be required to make U-turns at SW 42nd Avenue and SW Citrus Boulevard.

### PROJECT IMPROVEMENTS

- Widen SR 714/SW Martin Highway from a two-lane undivided rural roadway to a four-lane divided urban roadway.
- Widen the bridge over Florida's Turnpike.
- Construct seven-foot buffered bike lanes and six-foot sidewalks on both sides of the roadway.
- Realign SW Leighton Farm Avenue further west to line up with SW Deggeller Court and create a four-legged intersection.
- Install a new closed-drainage system with a retention pond.
